2016 Hyundai Veloster AT

KEY ADVANTAGES

- **Audio:** tC comes standard with an 8-speaker sound system, controlled via a 7-inch touch screen, also standard. Veloster's system has only six speakers and no standard touch screen.
- **Power and Performance:** tC offers more horsepower and torque than Veloster, and with standard paddle shifters and Dynamic Rev Management® on AT models and a double wishbone rear suspension, drivers will get more from that extra power.
- **Safety:** tC comes standard with eight airbags² and the Star Safety System™. Veloster has only six airbags².
- **Additional Seating:** tC has available seating for five; Veloster seats only four.

2016 Hyundai Veloster CHALLENGES

- Longer warranty
- Greater EPA gas mileage estimates⁹

DISCLAIMERS

- 1 MSRP as of 6/29/15 includes the Delivery, Processing and Handling Fee of \$795 for Scion cars. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Scion's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Scion provides as well as Scion's overall pricing structure. Scion may make a profit on the Delivery, Processing and Handling Fee.). The Delivery, Processing and Handling Fee in AL, FL, GA, NC, SC, AR, LA, MS, OK and TX will be higher. Excludes taxes, license, title and accessories or other optional equipment. Dealer price will vary.
- 2 All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings.
- 3 The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Scion is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
- 4 HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
- 5 May not be compatible with all mobile phones, MP3/WMA players and like models.
- 6 Aha™ Radio is a trademark of Harman International Industries Inc. Apps/services vary by phone carrier & are subject to change. Data charges may apply.
- 7 iPod® is a registered trademark of Apple, Inc. All rights reserved.
- 8 Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new vehicle cannot be part of a rental or commercial fleet, or a livery/taxi vehicle. See participating Scion dealer for plan details. Valid only in the continental U.S. and Alaska. Roadside Assistance does not include parts and fluids.
- 9 2016 and 2015 EPA estimated MPG. Actual mileage will vary.
- 10 Cargo and load capacity limited by weight and distribution.
