Audi TT TTS Genuine Accessories.
Powerful. Versatile. Expressive.

The same experts who design Audi vehicles are also the lifeblood of Audi Genuine Accessories. Because accessories are built with the same quality standards as all Audi vehicles, a tailored fit and expert craftsmanship are assured. Plus, all accessories purchased from an authorized dealer are warranted for the duration of the 4-year/50,000-mile Audi New Vehicle Limited Warranty, or for 12 months/12,000 miles from the accessory purchase date, whichever is greater. (Please consult your dealer for details.)

Add versatility and a dose of expression with Audi Genuine Accessories.

**Audi Genuine Sport
and Design Accessories**

A distinctive approach.

Every mile deserves boldness.

Express it your way.

The TT and TTS feature bold, powerful attitudes with strong, stunning lines. Express your own style by adding Audi Genuine Sport and Design Accessories. All are carefully scrutinized in the design and development process. So while they're striking in appearance, they've also passed rigorous quality assessments. If you're looking for a bolder appearance or a finishing touch, there is an Audi designed solution that makes every mile more enjoyable and more yours.

Valve stem caps
Emblazoned with the iconic Audi rings, these handsome caps complement the unique design of the wheels on your TT or TTS.

TT and TTS winter wheel and tire packages
Unlike ultra-high-performance and all-season tires, winter tires are specifically engineered to help improve traction, handling and safety in snow, ice, and even on dry roads in temperatures below 45°F.¹ They help maximize the impressive capabilities of Audi quattro® all-wheel drive. Audi wheel and tire packages feature brand-name, factory-approved tires mounted on Audi Genuine Alloy Wheels. Package offerings are subject to change without notice. See your authorized Audi Dealer for details.

¹ High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility, and road conditions. See your dealer for more information.

Rear wing

Add sporty flair to the TT or TTS. Primed for painting, or some colors available pre-painted for a perfect color match and added convenience. Consult your authorized Audi Dealer for available colors.

Side sills

These sculpted accents provide the TT profile with a ground-effects flair. Not available for TTS.

Audi Sport® license plate frame¹

This attractive frame is constructed of highly durable materials. Choose carbon fiber, black powdercoat, polished or brushed finish.

Slimline license plate frames¹

Sleek metal frames are constructed of corrosion-resistant stainless steel. Brushed, polished and black finishes all feature the four rings logo. Carbon fiber composite frame features a clean design without the logo.

*Audi TravelSpace
Transport Accessories*

For every journey.

For every season and every high-energy trip, Audi takes you there.

Give Audi the proper invitation to be part of your adventures. Bring all the right gear along with Audi TravelSpace Transport Accessories, including bike racks, ski racks and cargo carriers. When purchased from an authorized dealer, the workmanship and quality are warranted for the duration of the 4-year/50,000-mile Audi New Vehicle Limited Warranty, or for 12 months/12,000 miles from the accessory purchase date, whichever is greater. (Please consult your dealer for details.) Wherever you go, make sure everything fits with a variety of intelligent and innovative solutions.

- ← **Ski and snowboard racks¹**
- ← Push-button, keyed locks open and close easily. Rubber-cushioned aluminum bars hold securely. Standard attachment (shown) holds two sets of skis or two snowboards. Deluxe attachment holds up to three sets of skis or four snowboards.

¹ Recreational equipment, sporting equipment and luggage not included.
Note: All roof-rack system attachments require the base carrier bars. All attachments sold separately. Use of transport items may limit the use of the rear hatch.

Base carrier bars
Attached to strong side brackets, these are the durable foundation of the Audi roof-rack system.

Base carrier bars storage bag
This rugged, ballistic-nylon bag has ample space for the side brackets and base carrier bars of the Audi roof-rack system.

Aluminum luggage basket¹
High-quality anodized-aluminum construction and a generous load area make this an excellent carrier. Side rails help prevent load shifting. Straps sold separately.

- ← **Fork mount bike rack¹**
- ← Made of anodized aluminum, this rack features a quick-clamping device that can be secured with the included lock.

Compact cargo carrier

A trim, aerodynamic design offers a generous 16.95-cu-ft capacity. Size: 81" long, 30" wide, 15" high.

Small cargo carrier

Extra carrying capacity (13-cu-ft) comes in a smart size: 55" long, 35" wide, 14" high.

Aluminum bike rack¹

This locking holder fits 20- to 80-mm bike frames with both wheels on the bike and helps keep the bike upright as you secure it in place.

Bright ideas inspired by revolutionary Audi technology.

The brilliant technology that graces the TT and TTS provides the inspiration for Audi Genuine Electronics Accessories. Our audio options let you enhance your listening pleasure while other accessory options offer convenience and peace of mind. All are designed and tested to ensure compatibility with the vehicle's electrical systems, allowing you to enjoy every aspect of Audi technology to the fullest. Demand the best and drive with added confidence.

This multipurpose tool includes a flashlight with LED lights, an integrated knife to help cut safety belts in an emergency, a tool for breaking glass, a blinking red LED, and a hand crank to charge the system.

MP3 connectivity
We offer several cables that let you connect a variety of players to the Audi sound system.

¹ Electronics not included. ² Audi navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible; therefore, you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi navigation plus route. Periodically, mapping updates will be available for purchase at an additional cost. Consult your dealer or call 1.800.FOR.AUDI (367.2834) for details.

Create ideal conditions with optimal companions.

Protect what you love. Audi Guard Comfort and Protection Accessories offer functional, practical items that help keep the vehicle in peak condition.
