Parts and Accessories Limited Warranty

The following terms of warranty apply to all new or factory-remanufactured parts and accessories sold by authorized Audi Dealers.

LIMITED WARRANTY FOR NEW AND FACTORY-REMANUFACTURED PARTS AND ACCESSORIES

Issued by Audi of America, Inc., a division of Volkswagen of America, Inc. ("Audi")

Free repair or replacement of defective parts and accessories for 1 year or 12,000 miles, whichever occurs first.

1. Audi warrants that every new and factory-remanufactured part and accessory, (excluding tires and batteries) which is imported or distributed by Audi and sold as a new or factory-remanufactured part or accessory to a retail client or authorized dealer, will be free from defects in material and workmanship under normal use and service for 1 year after the date of delivery of the part or accessory to the client or until the vehicle in which the part or accessory is installed has been driven 12,000 miles, whichever occurs first. This warranty is transferable to subsequent owners free of charge.

If the defective part or accessory was installed by an authorized Audi Dealer and the vehicle is brought during this period to the workshop of any authorized Audi Dealer, the Dealer will, without charge, either repair or replace it with a new or factory remanufactured part or accessory.

If the defective part or accessory was sold "Over-the-Counter", the Dealer will, without charge, repair the part or accessory or furnish a new or remanufactured part or accessory. The labor required to remove the defective part or accessory and to install the new or remanufactured part or accessory is not reimbursable.

If a part is installed in a vehicle after the New Vehicle Warranty period has expired, that part is warranted for 12 months or 12,000 miles, whichever occurs first. If the replaced part fails, the new part will also receive a 12 month or 12,000 mile warranty, whichever occurs first.

If a part is installed during the New Vehicle Warranty period (as a warranted replacement part), the part is covered for the remainder of the New Vehicle Warranty period, or for 12 months or 12,000 miles, whichever is greater.

If an accessory (e.g., block heater, CD Changer, cruise control) is installed prior to New Vehicle delivery, it is covered for the Limited New Vehicle Warranty Period. If an accessory is installed after New Vehicle delivery, it is covered for 12 months or 12,000 miles, whichever occurs first.

Electrical parts and electronic components are subject to inspection by Audi and, if found to be damaged due to improper installation or handling by an unauthorized repair facility, cannot be accepted for warranty reimbursement. Damage and Malfunctions Not Covered By Warranty

2. Audi is not responsible for damage or malfunctions resulting from:
 - a. misuse, negligence, alteration, modification, environmental damage, accident or fire;
 - b. improper repair of the vehicle or damage due to improper installation or diagnosis;
 - c. use of the part or accessory in a vehicle used for a competitive purpose; or
 - d. failure to follow recommended maintenance intervals and requirements.

Wear and Tear Items and Maintenance and Service Items Not Covered By Warranty

3. This warranty does not cover wear and tear items such as clutch linings, brake pads, brake linings, windshield wiper blades, fuses, radio tape head cassette cleaning, worn seatcovers and other trim and appearance items that wear as a result of normal use, lack of normal care, or deterioration. Except where specifically required as part of a repair covered by warranty, maintenance and service items are at the expense of the owner.

No Other Warranties Made

4. This warranty is in lieu of all other express warranties of Audi, the Manufacturer, and the selling Dealer for new or factory-remanufactured parts and accessories. Any implied warranty, including any implied warranty of merchantability or warranty of fitness for a particular purpose, is limited to the duration of this written warranty.

Neither Audi nor the Manufacturer assumes, or authorizes any person to assume on its behalf, any other obligation or liability.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Consequential Damage Excluded

5. Audi is not responsible for incidental or consequential damage, including lost profits or earnings, or out-of-pocket expenses for substitute transportation or lodging.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you.
