**Audi Genuine Accessories. Expect Excellence.**

Audi Genuine Accessories feature a 12-month/12,000-mile (whichever comes first) Limited Warranty. Please consult your authorized Audi Dealer for details.

Audi of America, Inc. believes the information in this brochure to be correct at the time of printing. However, items, availability, specifications, features and colors are subject to change without notice. Vehicles in this brochure are shown with optional equipment. Images shown may vary slightly from actual applications. See your dealer for complete details on limited warranties and tires supplied by various manufacturers.

Some accessory applications may not fit because of equipment installed when your vehicle was built, or due to a specific model line, such as S Series, RS and S line<sup>®</sup> models. Please ask your dealer for advice and verify that the accessories you have chosen are appropriate for your vehicle and model year prior to installation. All accessories shown may not be available for all models. Please consult your dealer for all details prior to purchase.

<sup>4</sup>Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible; therefore, you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi Navigation plus route. Consult your dealer or call 1-800-FOR-AUDI for details.

- Genuine Alloy Wheels**  
Nothing changes the look of your Audi faster than a set of new alloy wheels. Audi Genuine cast-aluminum wheels are strictly scrutinized in the design and development process. Not only must they be striking in appearance, they must also submit to rigorous quality and durability assessments, including corrosion testing. Wheels are made specifically for your Audi and can beautifully enhance its design, as well as augment its already impressive agility.

Winter Wheel and Tire Packages

Unlike ultra-high-performance and all-season tires, winter tires are specifically engineered to help improve traction, handling and safety in snow, ice, and even on dry roads in temperatures below 45°F. They help maximize the impressive capabilities of quattro® all-wheel drive, especially in S Series, RS and S line® applications that come standard with performance tires. FrontTrak® front-wheel-drive vehicles can also benefit from the use of winter tires. Audi wheel and tire packages feature brand-name, factory-approved tires mounted on Audi Genuine alloy wheels. Package offerings are subject to change without notice. See your authorized Audi Dealer for details.
