

"For more than half a century, innovative design and quality construction have made Morgan the truck body industry leader. But Morgan's success is built on much more than that. Our focus has always been on holding on to what's GREAT, and looking for ways to make it BETTER. We accomplish that by partnering with our customers to understand their changing needs. We're always looking for what they'll be dealing with NEXT. THAT'S Morgan. That's why we build the best bodies in the business!"
