

### When Plan Coverage Starts and Ends

All new-vehicle plans commence from the warranty start date (the original in-service date of the vehicle) and from zero metrage.

Substitute transportation coverage begins on the date the contract is purchased, subject to acceptance by Chrysler Canada. Plan expiration is specified in your plan provision.

### Eligible Vehicles

Chrysler Canada Inc. vehicles that have 3/60 Basic and 5/100 or 2002 model year with 7/115 Powertrain Warranty and are less than four years in service, and have accumulated fewer than 60,000 kilometres, except for the following: vehicles involved in an accident to the extent of becoming an insurance write-off; vehicles used to plough snow, used for towing or used in dump truck services; vehicles used off-road; vehicles altered or converted from specified original Chrysler equipment; motor homes; and vehicles not built to Canadian specifications (including all imported vehicles except those allowed by Chrysler Canada Inc.) or not registered in Canada.

Vehicles used in competitive events, pulling a trailer that exceeds the rated capacity of the vehicle, or failing to adhere to the requirements for vehicles used to pull a trailer as outlined in the Owner's Manual are not eligible.

### Personalized Terms and Conditions Welcome Kit

Upon receipt and acceptance of your application by Chrysler, as submitted by your selling dealership, you will be mailed a personalized welcome letter confirming your entitlement to the benefits of the contract you purchased, a member's card and the Terms and Conditions Outline. This will identify you and your vehicle to any Chrysler Retailer in Canada, or the United States, as being eligible for plan services for the period of the terms selected. The member's card is to be presented to the retailer when requesting plan services.

### Owner's Responsibility

The owner's responsibility is to properly operate, care for and maintain the vehicle as prescribed in the Owner's Manual supplied by Chrysler with each new vehicle.

### Plan Service/Toll-Free Number

Plan service will be provided by the retailer who sold you the plan. In the event that you cannot return to the selling retailer for service, you may request plan service from any Chrysler Retailer in the United States or Canada. If you are unable to obtain plan service from an authorized retailer, you can call the toll-free number to receive service instructions.

## Our Commitment: The MAXIMUM in customer care!

As complete as our new warranty is, it does not give you total protection for the typical ownership period of five years, nor does it provide the regular maintenance which is required to keep your new vehicle at its optimal operating condition. If you lease a vehicle, you should be aware of your obligation to maintain and repair the vehicle.

Chrysler Service Contracts can enhance your new vehicle's warranty right from the day of delivery and pick up where it leaves off, providing mechanical coverage for most major components, along with plans that provide basic maintenance and Tire Road Hazard Protection. There are 28 plans available to suit most needs for the average length of ownership. For “peace of mind” protection, see your retailer to assist in selecting the plan that is right for you.
