# Allstate® Guaranteed Asset Protection

**Protect yourself in case of a total loss.**

# Don't be left paying on a car that no longer exists.

The Allstate® Guaranteed Asset Protection (GAP)\* program helps cover what you owe on your vehicle loan or lease if you experience a total loss before it's paid off.

GAP waives the difference between your primary auto insurance settlement and the outstanding balance owed on your vehicle on the date of loss.\*

## Benefits:

- Provides protection for new and used vehicles valued or financed up to \$100,000
- Reimburses you for your primary auto insurance deductible up to \$1,000
- Waives covered losses up to \$50,000

\* This brochure is for marketing purposes only and is a summary of the Guaranteed Asset Protection (GAP) Contract. Programs may vary by dealer/lender/state. GAP is not insurance. Please refer to the contract provisions for specific information including details of benefits, terms, vehicle eligibility, conditions, limitations and exclusions that apply to this program. Maximum eligibility limits apply.

## You might have to make a payment on a car you no longer have.

If you have a total loss while you're still paying on your car or lease, your auto insurance may not cover it all. Adding GAP can help prevent you from paying out of pocket, even on a covered loss.

How GAP works:	
Lease/loan pay-off	\$26,000
Primary auto insurance settlement amount	– \$20,000
Difference owed	\$6,000
<b>Total GAP amount waived</b>	<b>– \$6,000</b>
Your out-of-pocket expense	\$0

This example is for illustrative purposes only. Actual GAP waiver calculations will vary based on the specific circumstances.
