BENTLEY

PRESENTING

YOUR BENTLEY 2026
BENTAYGA V8

YOUR PAINT

Dark Sapphire

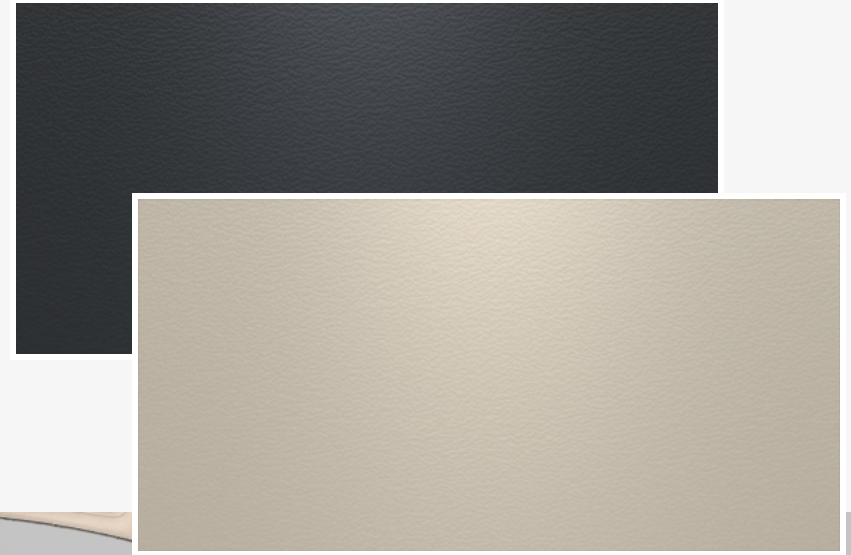

Dark Sapphire, a deep greyish blue, was launched on the Continental GT in 2003.

YOUR INTERIOR

Interior Colour Split - B in Linen and Brunel

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Crown Cut Walnut

CrownCut Walnut is from the American Black Walnut Tree (*Juglans nigra*) found in the eastern side of North America. These trees are mainly grown for their walnuts as well as their excellent timber. The Crown Cut is created by flat slicing the tree trunk to get the wonderful crown shape in the wood grain also known as Cathedral from the dome shape formed in the grain.

YOUR WHEELS

22" Five Spoke Directional Wheel - Painted

The largest wheels ever made available on a production Bentley, these wheels are machined from a high-strength aluminium forging for optimum strength and lightness. The wheels are handed, ensuring the spokes always face the same direction on both sides of the car.
