BENTLEY

PRESENTING

YOUR BENTLEY 2026
NEW CONTINENTAL GTC
AZURE V8 HYBRID

"This information, including all visual images, is under embargo and STRICTLY FOR RETAILER USE"

YOUR PAINT

Beluga (Solid)

Beluga is a solid black finish that dates back to Bentleys of the 1940s and, like the caviar after which it is named, is a much prized choice for many customers.

YOUR INTERIOR

Colour Split - D in Saddle

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Piano Black

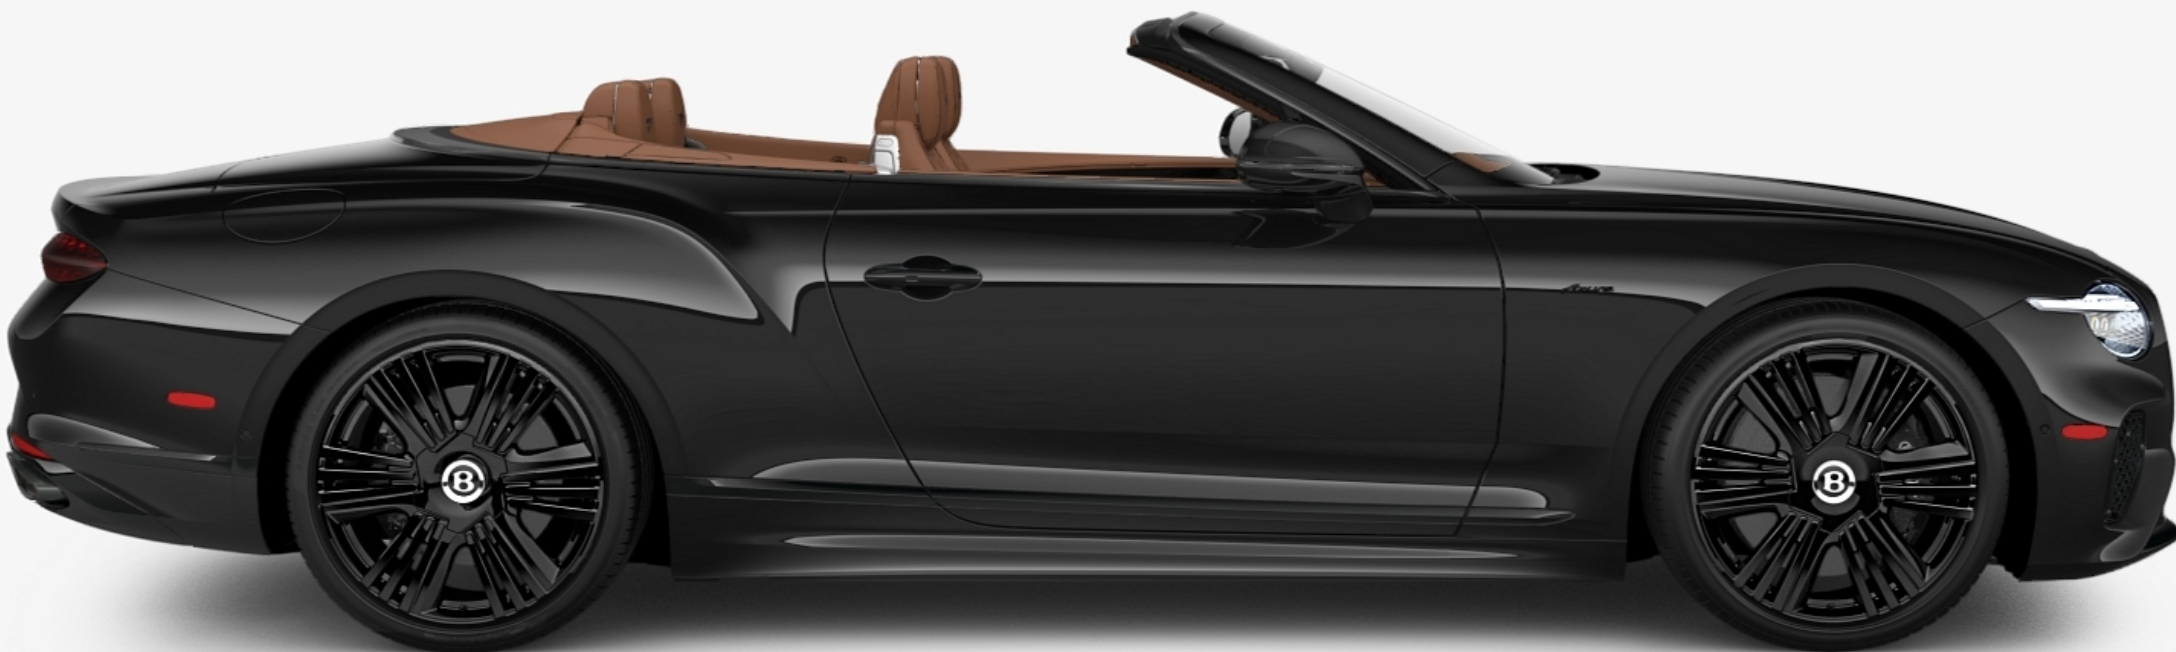

A deep, mirror-like black finish applied to fine Walnut veneer, Piano Black is reminiscent of the impressive grand piano. A lustrous jewel finish, the deep colour compliments and reflects the elaborate detail of your Bentley. Hand finished and highly technical Piano Black is the ultimate statement of modernism.

YOUR WHEELS

22" Azure Wheel - Full Black Painted

Exclusive to the Azure, this wheel is styled to echo the vertical vane design theme of the radiator grille and painted in gloss black, which harmonises perfectly with the exterior details of this Azure when combined with the Blackline Specification.
