BENTLEY

PRESENTING

YOUR BENTLEY
BENTAYGA SPEED

YOUR PAINT

Alpine Green Satin - by Mulliner

The satin finish on sophisticated Alpine Green brings a contemporary edge to this evocative colour. It will work with a wide variety of interiors, both sporty and more luxurious.

YOUR INTERIOR

Colour Split - Speed in Saddle and Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Carbon Fibre Fascia, Centre Console and Door Wastrails

High-gloss carbon fibre replaces the veneer panels to add a contemporary, technical and sporty feel to the interior. An optic resin process enhances the 3D appearance of the carbon fibre weave. Also available on picnic tables and centre fascia panel as additional cost options.

YOUR WHEELS

Dynamic Specification with 23" Grey Satin Painted Wheels

The largest wheels ever offered by Bentley make a dramatic statement, with the striking 5-spoke design confirming Bentayga Speed's pinnacle performance position. The grey satin finish is both sporty and contemporary, and complements the dark tint exterior trim. Carbon ceramics brakes, in your choice of colour, are included in this specification.
