BENTLEY

PRESENTING

YOUR BENTLEY 2027 CONTINENTAL GT S V8 HYBRID

YOUR PAINT

Burgundy

Created as a matching paint finish to the leather hide colour of the same name, Burgundy is also an excellent complementary colour when used as a duo-tone with darker shades such as Royal Ebony.

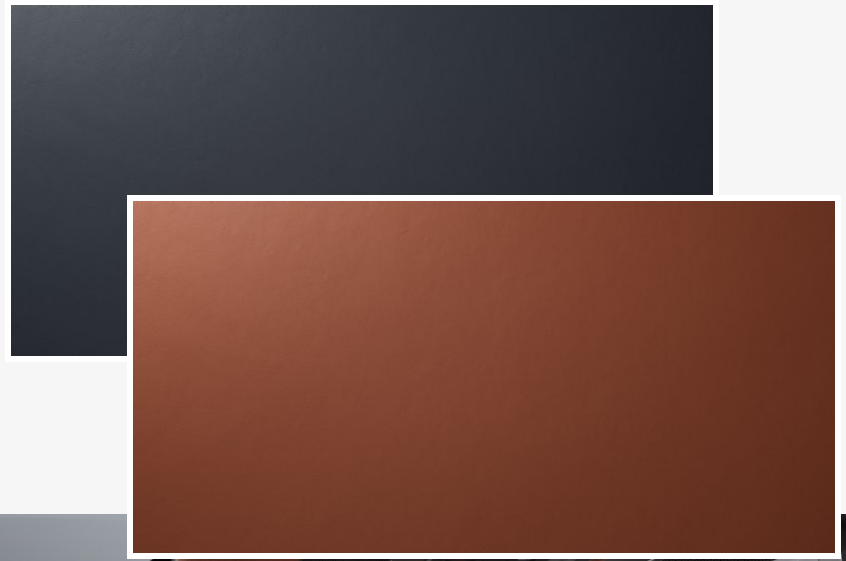

YOUR INTERIOR

Colour Split - A in Saddle and Brunel

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Dark Tint Engine Turned Aluminium

Engine turned aluminium to the fascia panels and door waistrails delivers a stunning visual effect. An authentically produced, mechanical finish, steeped in history, adds a classic look to the most contemporary of Grand Tourers. Complemented by piano black centre console.

YOUR WHEELS

22" Ten Spoke Sports Wheel - Pale Brodgar Satin

Tyres:
Front : 275/ 35 ZR 22
Rear : 315/ 30 ZR 22

ED9CL269

The Bentley Commissioning Code allows you to retrieve your configuration at a later time.
Simply select Retrieve from the menu and enter your Code to continue your commissioning experience.

As the content of the Bentley Car Configurator is solely provided for general information purposes, it is not intended to constitute an offer for the sale of any specific goods.

The names 'Bentley', 'Bentayga', 'Continental', 'Flying Spur', 'Torcal' the 'B' in wings device are registered trademarks.

Accessories †

Please note, additional fitting fees and local taxes may apply. Please consult your local Retailer for final fitted prices which must then be added to the final price of the vehicle. Some features may not be available in all markets, please contact your retailer for availability.

WLTP

All vehicles are tested according to WLTP technical procedures. Figures shown are for comparability purposes; only compare fuel consumption, CO2 and equivalent electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles, vehicle load.
