BENTLEY

PRESENTING

YOUR BENTLEY 2025
NEW CONTINENTAL GT
SPEED V8 HYBRID

YOUR PAINT

Extreme Silver - by Mulliner

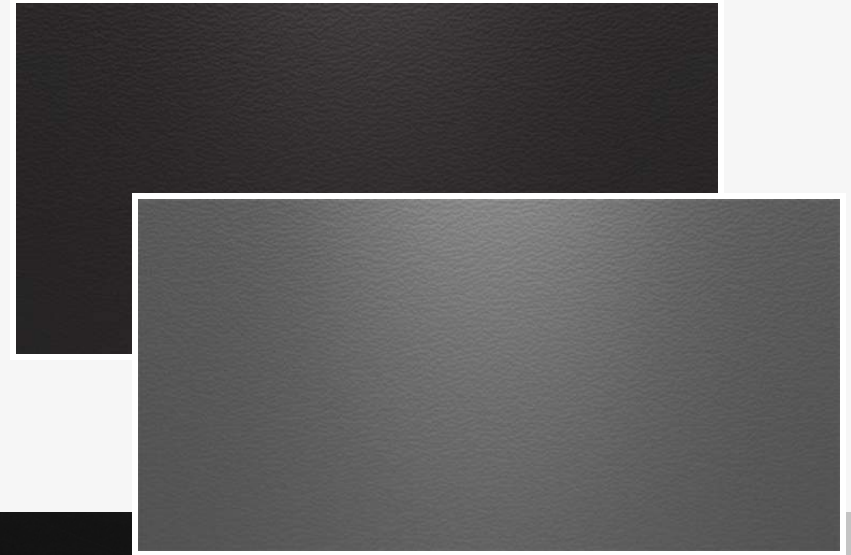

A new tone with warm silver and pearlescent elements, Extreme Silver is the perfect colour to highlight the car's muscular features and let the intricate detailing shine through.

YOUR INTERIOR

Colour Split - Speed in Gravity Grey and Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

High Gloss Carbon Fibre

High-gloss carbon fibre replaces the veneer panels to add a contemporary, technical and sporty feel to the interior. An optic resin process enhances the 3D appearance of the carbon fibre weave.

YOUR WHEELS

22" Speed Wheel - Black Painted

A forged 10-spoke wheel, with a contemporary and dynamic aesthetic, highlighting the pinnacle performance position of the Continental GT Speed. The exclusive high gloss black finish perfectly complements the blackline specification.

Tyres :

Front: 275/35 ZR 22

Rear: 315/30 ZR 22

YOUR DETAILS

EJZQGKXA

The Bentley Commissioning Code allows you to retrieve your configuration at a later time. Simply select Retrieve from the menu and enter your Code to continue your commissioning experience.

Accessories †

Please note, additional fitting fees and local taxes may apply. Please consult your local Retailer for final fitted prices which must then be added to the final price of the vehicle. Some features may not be available in all markets, please contact your retailer for availability.

WLTP

All vehicles are tested according to WLTP technical procedures. Figures shown are for comparability purposes; only compare fuel consumption, CO2 and equivalent electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles, vehicle load.
