BENTLEY

PRESENTING

YOUR BENTLEY TORCAL

YOUR PAINT

Glacier White (Solid)

Glacier White is an elegant, solid paint finish that is ideal for customers looking for a less ostentatious choice of white. It was developed for the launch of the Continental range in 2002.

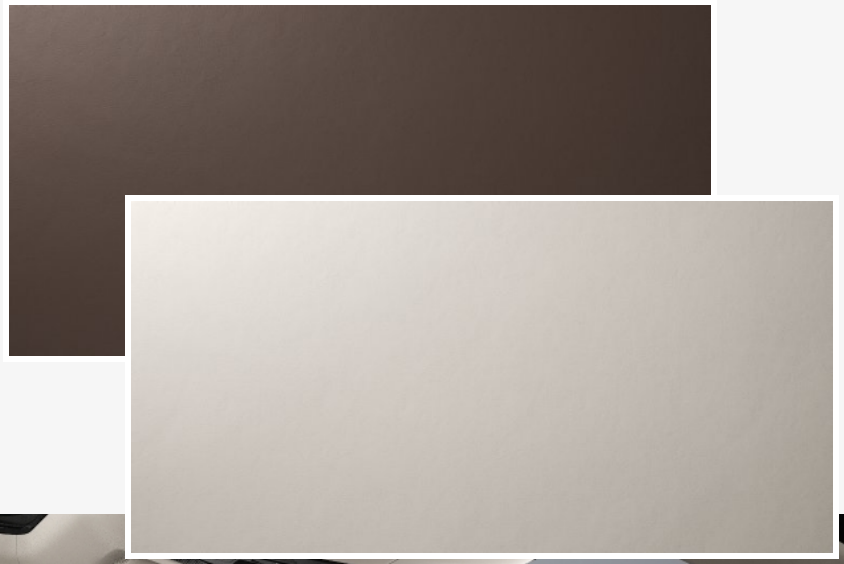

YOUR INTERIOR

Duo-Tone 70:30 in Linen and Terra

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Torcal are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Ombré Walnut Open Pore - by Mulliner

Ombré Walnut - by Mulliner introduces a contemporary interpretation of traditional craftsmanship, created from sustainably sourced walnut off-cuts and recycled paper. Formed from up to 1,000 individually selected layers and sliced to an exceptionally fine thickness, it creates a seamless transition of four walnut tones, flowing from deep black to natural walnut. The result is a striking and sophisticated finish that brings depth, warmth and modern luxury to the cabin.

YOUR WHEELS

21" Flux Wheel - Black with Bright Machined Spokes

The Flux wheel captures the essence of motion, with a dynamic design that conveys energy even at a standstill

ENRDNXW5

The Bentley Commissioning Code allows you to retrieve your configuration at a later time.
Simply select Retrieve from the menu and enter your Code to continue your commissioning experience.

Accessories †

Please note, additional fitting fees and local taxes may apply. Please consult your local Retailer for final fitted prices which must then be added to the final price of the vehicle. Some features may not be available in all markets, please contact your retailer for availability.

WLTP

All vehicles are tested according to WLTP technical procedures. Figures shown are for comparability purposes; only compare fuel consumption, CO2 and equivalent electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles, vehicle load.
