BENTLEY

PRESENTING

YOUR BENTLEY 2027 CONTINENTAL GTC V8 HYBRID

YOUR PAINT

Glacier White (Solid)

Glacier White is an elegant, solid paint finish that is ideal for customers looking for a less ostentatious choice of white. It was developed for the launch of the Continental range in 2002.

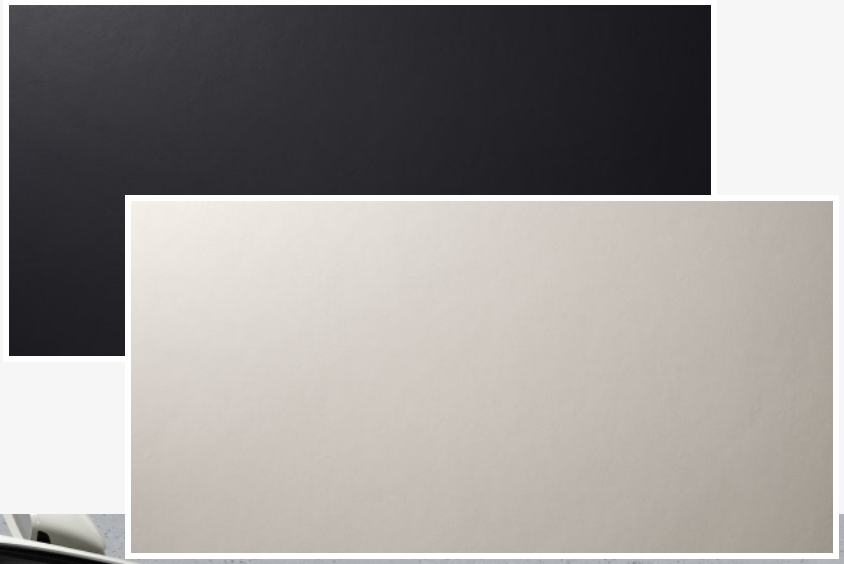

YOUR INTERIOR

Colour Split - A in Linen and Imperial Blue

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Crown Cut Walnut

Crown Cut Walnut is from the American Black Walnut Tree (Juglans nigra) found in the eastern side of North America. These trees are mainly grown for their walnuts as well as their excellent timber. The Crown Cut is created by flat slicing the tree trunk to get the wonderful crown shape in the wood grain also known as Cathedral from the dome shape formed in the grain.

YOUR WHEELS

22" Ten Spoke Wheel - Silver Painted and Bright Machined

A striking and elegant 22" Silver Painted and Bright Machined.
