

2014 MKX

SEE THE WORLD IN A NEW LIGHT. There is a vehicle made to take you on the most memorable of journeys. It comes from an unexpected place, and promises to take you to so many more.

It is the 2014 Lincoln MKX. From the Lincoln Motor Company.

ONE SEAMLESS CONNECTION KEEPS IN TOUCH WITH ALL SIDES OF YOU: SYNC WITH MYLINCOLN TOUCH.

The conversationalist. The audiophile. The protector. The provider. Phone, entertainment, navigation,¹ climate. See the connection? For the many things you do, we offer a single, simple interface: SYNC[®] with MyLincoln Touch.^{™2}

With vibrant, color-coded graphics, your choices are clear. A large, 8" full-color center screen and crisp LCD gauges are supported by intuitive buttons on the steering wheel. Touch what you need, or control it with easy voice commands.

Dial numbers and answer calls without picking up your phone. Your contacts download automatically. Request music from favorite sources, including your MP3 player, phone, USB or SD card, then achieve auditory bliss through 14 speakers, compliments of the THX[®] II Certified Audio System.¹ Simply state a street address, and the Navigation System¹ will direct you to your destination, even while you are en route. SYNC with MyLincoln Touch brings it all together, beautifully.

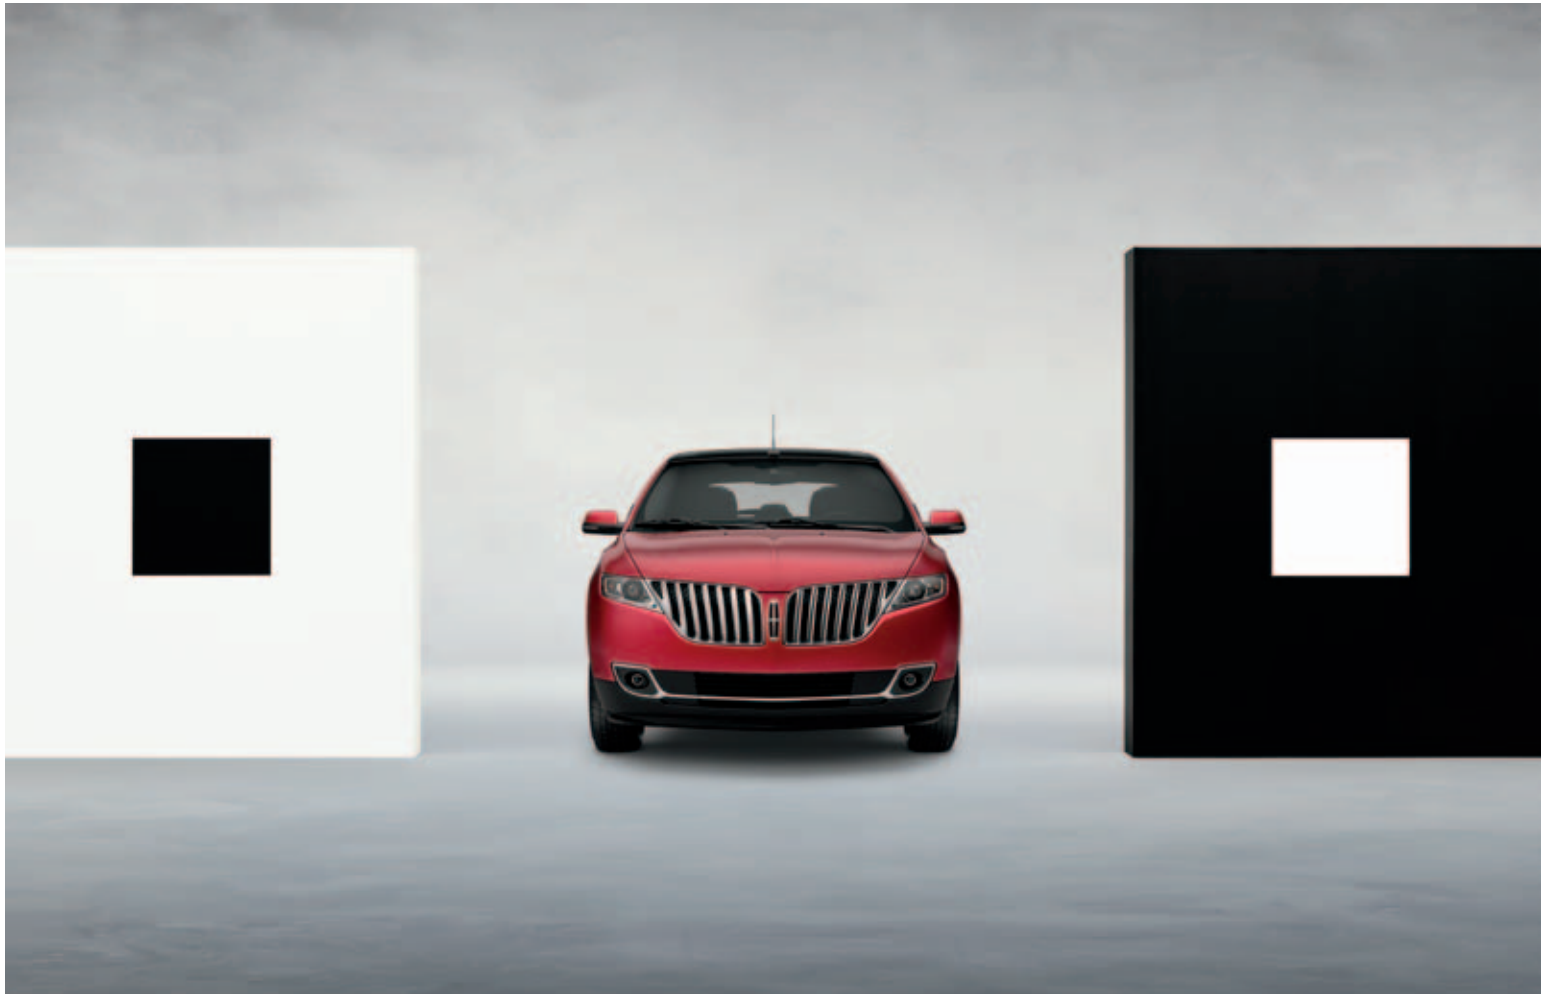

¹Available feature. ²Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

EVER WONDER WHAT YOU'VE BEEN MISSING? WE CAN HELP. There's so much intrigue in this world. The question of what's beside you, behind you or in front of you shouldn't be part of the mysterious unknown. Allow us to shed some light on the subject.

Equipped with radar,¹ ultrasonic sensing¹ and a miniature camera,¹ Lincoln MKX can help detect certain things that you may not. For instance, it can alert you to objects in your blind spots.¹ An audible alert system can help warn if traffic is crossing the path behind you.¹ In tight areas and parking lots, it displays guidelines and a full-color image from the rear to assist you in backing up,¹ and keeps a mindful eye to guard the recycling bin. Lincoln MKX watches out from many angles. We believe that the more you know, the better.

DON'T LET UNCERTAINTY BLOCK YOU IN. ADAPTIVE CRUISE CONTROL HELPS MAKE THE DRIVE MORE PREDICTABLE. You always use your best judgment when maneuvering. But some situations aren't simply black or white. That's why we offer the assistance of advanced technology.

When cruising on the expressway, you can't control the driver in front of you. Are you too close? Is he slowing down? Instead of constantly changing your controls, Lincoln MKX can detect a vehicle slowing ahead, then smoothly adjust the speed to maintain a preset gap from it.¹ You decide how much distance you'd like to keep. In the event of a potential collision with the car in front, Lincoln MKX can pre-charge the brakes to be prepared for an emergency stop. It's just another way we help give you a greater sense of confidence behind the wheel. (And if you're curious, the small boxes above are the same size, although they may not appear so. Perception is a tricky thing.)

¹Adaptive cruise control and collision warning with brake support is an available feature. Driver-assist features are supplemental and do not replace the driver's judgment.

A winning combination.

Power and precision. Together, they define confidence. It's evident in the way the Lincoln MKX moves. With a 305-horsepower engine with 280 lb.-ft. of torque that accelerates smoothly – and quickly – to highway speeds. The advanced engineering of this 3.7L Ti-VCT V6 engine with twin independent variable camshaft timing can shut off the fuel flow when you lift your foot off the accelerator to help improve fuel economy¹ – then seamlessly resume it when you accelerate again. The result? An empowering sense of control, knowing that Lincoln MKX is there when you need it.

Elegance and simplicity.

That's the signature of Lincoln interior design. You see it in the intuitive controls that spring to life with a gentle touch, and in lights that trace your finger when you adjust volume or climate. You experience it in features that are carefully placed within the angled center stack to help make driving easier. In exquisite olive ash¹ or walnut swirl woods,¹ and leathers selected for their smooth and soft textures. And in the warmth of the elegantly designed, heated steering wheel.¹ Simply put, the interior of Lincoln MKX is crafted to wrap you in modern refinement.

Find your comfort zone.

We all find comfort in different things. For some, it's in the familiarity of a route well traveled; for others, the ease of a favorite chair. With Lincoln MKX, you feel it in heated and cooled front seats that are adjustable in 10 ways to ensure that your ride is personalized to you. You experience it through a panoramic Vista Roof^{®1} that opens the cabin to give front and rear passengers a clear view of everything passing by. And in knowing that you can take along the extras you might need thanks to the 2nd-row seats that fold down for extra rear cargo space. With Lincoln MKX, you've found it.

IN HARMONY.

Some things just work well together. Like advanced technologies and challenging driving conditions. To illustrate the point, adaptive HID headlamps¹ in Lincoln MKX actually point in the direction you turn the steering wheel to help illuminate a dark path, and Intelligent all-wheel drive¹ helps get you through when a road suddenly turns slippery. The 6-speed SelectShift[®] automatic transmission with paddle shifters lets you upshift and downshift through the gears to effortlessly take on any curves that unfold before you. Here, it's more than just about working well; it's about working well together when you need it.

A SENSE OF WELL-BEING.

You feel it all around you. With a solid structural safety cage and 6 airbags – including full side curtains – and a Personal Safety System™ that deploys the front airbags in dual stages to help protect the driver and front passenger. You appreciate it in an SOS Post-Crash Alert System™¹ that can alert others when you need help. And you experience it with AdvanceTrac® with RSC® (Roll Stability Control™)² that helps keep you on your intended course. You can't underestimate peace-of-mind and preparedness. With the advanced features designed into Lincoln MKX, you can see that we didn't.

Available equipment shown. ¹SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

There is only one you.

Find beauty in things others fail to notice. Realize that experiences can take you further than any possessions. Figure out what is important to you, and embrace it. We did. And it's apparent in everything the 2014 Lincoln MKX offers. Like intuitive technology that seamlessly connects you to your world. And a distinctive exterior that sets it apart as something different, and you as someone unique.

Lincoln Automotive Financial Services

Whether you decide to purchase or lease, you'll find a plan designed to fit your individual needs. Visit LincolnAFS.com or your Lincoln Dealer to explore your financing options.

Lincoln Warranties

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable. Safety Restraint System and Corrosion coverage are also provided. Your dealer will be happy to provide all the details about these limited warranties.

Lincoln Extended Service Plan

For a purchase or lease, the Lincoln Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Whether looking for additional mechanical, prepaid maintenance or tire protection plans, Lincoln ESP has you covered. Ask your dealer for Lincoln ESP, the only service contract backed by Lincoln and honored at all Lincoln dealerships in the U.S. and Canada.

Insurance Services

Helping protect you and your investment is another way Lincoln continues to keep your best interests in mind. Our program offers industry-leading benefits at competitive rates. Contact us at 1-866-329-4367 and we'll be happy to provide a complimentary quote.

Lincoln Complimentary Maintenance³

To help you keep your new Lincoln MKZ in top condition, we are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation. See your Lincoln Dealer for additional details – and enjoy the ride.

Complimentary Car Wash

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle. It's just another shining example of our commitment to you.⁴

Lincoln Roadside Assistance for Life⁵

Help is only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing to the closest – or to your preferred – Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services at no charge. Your dealer will be happy to provide all the details.

MyLincoln Mobile™ app

The new MyLincoln Mobile app extends the benefits of being a Lincoln client beyond the vehicle. Intuitive and useful features include: directions sent from your phone to your vehicle, vehicle finder, parking meter timer, locate a dealer, live operator-assisted vehicle information, and roadside assistance.⁵

¹Lincoln Licensed Accessory. Genuine Lincoln Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties.
