AudiNatick

A Bernardi Auto Group Company

Wheel Repair Services for your Audi

Don't let the everyday wear and tear on your wheels diminish the appearance of your vehicle.

Wheel Repair & Straightening

Wheels with minor scrapes, scratches and scuffs can be easily restored to their original sheen through Dent Wizard's wheel repair process.

We can also straighten minor bends in your wheels with our wheel process.

Wheel Color Change

Colored wheels aren't just for show cars anymore. Give your car a new look with a splash of custom color.

Our paint experts can match your car's color or create something totally unique.

WHEEL REPAIR ADVANTAGES

- On site
- Same day service*
- While your car is getting serviced
- Lifetime warranty

*Wheel color changes take 24 hours
