ECOSPORT

S | SE | SES | TITANIUM

BUILT FOR BIG ADVENTURES.

We've all said it. The best things come in small packages. At Ford, we decided to do more than say it. We built it. The 2020 EcoSport is a fun, capable and connected subcompact SUV. And it's backed by over 29 years of experience we earned while building the Ford Explorer – America's All-Time Best-Selling SUV.¹ We pour that knowledge into every vehicle in our SUV lineup. That's how you know EcoSport has what it takes to nurture your adventurous spirit.

OUTGOING IN ANY SEASON. ❄️ 🌿 ☀️ 🍁

Whether you're heading up into the hills or running around town, EcoSport instills confidence through changing weather and road conditions. AdvanceTrac® with RSC® (Roll Stability Control™), standard on every EcoSport, provides enhanced control by selectively applying individual brakes and modifying engine power to help keep all 4 wheels firmly planted.¹

KNOW BEFORE YOU GO

The standard Individual Tire Pressure Monitoring System lets you view a message center screen to see how much pressure is in each tire and is designed to alert you if any are low.²

SEE CLEARLY

EcoSport offers an available windshield wiper de-icer, available heated sideview mirrors and a rear-window defroster to help keep your sightlines clear in cold weather.

HOLD YOUR GROUND

The available Intelligent 4WD System assesses conditions about 20 times faster than the blink of an eye, readjusting as needed to deliver the appropriate balance of handling and traction.

EMPOWERING IN MANY WAYS.

[1.0L ECOBOOST® & FRONT-WHEEL DRIVE]

GO EFFICIENTLY

A turbocharged wonder, the award-winning 1.0L EcoBoost engine offers an impressive combination of driveability and fuel efficiency. It's paired with front-wheel drive and a 6-speed SelectShift® automatic transmission that allows you to shift gears when you'd like a more engaging drive.

Standard on S, SE and Titanium

[2.0L TI-VCT & INTELLIGENT 4WD SYSTEM]

BE ADVENTUROUS

The 2.0L engine combines direct injection with twin-independent variable camshaft timing to help put more horsepower at your disposal. It's paired with the 6-speed SelectShift automatic transmission, plus Intelligent 4WD for an optimal blend of handling and traction.

Standard on SES

Available on S, SE and Titanium

[SMART TECHNOLOGIES]

TRAVEL WISELY

You'll enjoy the way EcoSport handles, thanks in part to its electric power-assisted steering, which helps correct for road irregularities and smooth out minor vibrations. To help reduce air resistance and increase fuel efficiency, the vehicle can adjust its active grille shutters. Plus, there's Auto Start-Stop Technology to help reduce fuel consumption and emissions during stop-and-go city driving. The system shuts off the engine when you come to a complete stop, and seamlessly restarts it when you release the brake pedal.

Torque, horsepower, towing and EPA-estimated fuel economy ratings are independent attributes and may not be achieved simultaneously.

FUN & COMFORT GO TOGETHER HERE.

EcoSport lets you set the mood with available ambient lighting in shades of blue, green, purple and more. You can also pair your compatible phone with our available SYNC® 3 voice-activated technology,¹ and play your favorite music by artist, song title or playlist. To help encourage smart driving habits, MyKey® technology lets you program ignition keys with reminders to travel at appropriate speeds, keep the audio volume low and much more. FORD CO-PILOT360™ TECHNOLOGY READY WITH AN ASSIST.

From the driveway to the highway, our standard and available driver-assist features¹ are designed to help you feel confidently in command at the wheel of your EcoSport.

BLIS® WITH CROSS-TRAFFIC ALERT

Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots.² Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you're slowly backing up.

*Standard on SES and Titanium
Available on SE*

REAR VIEW CAMERA

Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what's behind your vehicle, helping you navigate Reverse with more confidence.

Standard on every 2020 EcoSport

HILL START ASSIST

It feels good to hold your ground. Especially on a grade. As you remove your foot from the brake pedal to accelerate from a stop, Hill Start Assist can help by preventing EcoSport from rolling downhill.

Standard on every 2020 EcoSport

RAIN-SENSING WINDSHIELD WIPERS

Sometimes weather changes so quickly, it's hard to keep up. Now you can set the Rain-Sensing Windshield Wipers to automatically activate, and let them help keep your view ahead clear.

Standard on SES and Titanium

REVERSE SENSING SYSTEM

Stress less when driving in Reverse. First, always check the Rear View Camera display. And as you slowly back up, you can listen for audible alerts to objects detected behind the vehicle by the Reverse Sensing System.

Standard on SE, SES and Titanium

VOICE-ACTIVATED NAVIGATION

Taking the wrong exit can put a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services³ to help you avoid traffic, find fuel (gas or java), and so much more.

BUILT TO KEEP YOU MOVING.™
The FordPass™ App³ puts your EcoSport owner experience right in the palm of your hand.

COMPLIMENTARY MAINTENANCE

With FordPass Rewards™, you can earn 42,000 Points to use toward complimentary maintenance when you buy or lease a new Ford.⁴ Or save your Points for future service, accessories or even your next new vehicle purchase. And when it's time to schedule service, you can do it right from your FordPass App.

REWARDS

In addition to complimentary maintenance, you can easily earn FordPass Rewards Points for many of the things you already do with us, including service and maintenance at participating dealers. Then you can redeem your Points for discounts on service, parts, accessories and new vehicle purchases. Use your app to watch your Points grow and keep track of how you use them.

ROADSIDE ASSISTANCE

With the FordPass App, you can request roadside assistance like fuel delivery, flat tire repair and more 24/7 anywhere, anytime.⁵ Just use your app to call or make an e request and help is on the way.

CONNECT & CONTROL

Stay connected and in control of your vehicle with complimentary remote features accessed through the FordPass App. Start, stop, lock and unlock your vehicle, schedule a start, even check fuel and fluid levels right from the app.⁶ You can also get vehicle health alerts, service history and service alerts to help you keep on top of your vehicle's maintenance.

Download the FordPass app today.

³FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁴75,000 points for Diesel owners. Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details. ⁵Roadside assistance is included for certain owners and available to everyone for a per-service fee. ⁶FordPass Connect™ (optional on select vehicles), the FordPass App, and Complimentary Connected Services are required for remote features (see FordPass Terms for details). Connected Service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected Services exclude Wi-Fi hotspot.

From day one, we had the future in mind. And for over 116 years,
we've focused on improving your freedom of movement,
by making it possible for hardworking, everyday people to own
a vehicle. One that's well built. That you're proud to drive.
Born in Detroit, made in America¹ and famous worldwide:
We are the Ford Motor Company.

Your mobility is at the center of everything we do.
And we're excited to be designing and building smart vehicles
that work for you. It's why we put our family name on every one.
From our founding members, to our Ford family of employees
around the globe, we work with pride. We build with care.
For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
