

About Bill Dodge

The Bill Dodge Auto Group is proud to serve the Brunswick - Topsham community for all of your automotive needs. Our roots were planted in Brunswick in 1970 when William "Bill" Dodge purchased his Oldmobile/GMC/Saab dealership right here in Brunswick. Through the years, the Auto Group has expanded to include a wide variety of brands and locations, but the Dodge family and their values remain at the center of everything we do. After many years of owning and operating 2 Brunswick dealerships, we have condensed our fantastic staff into one brand new, state of the art facility located at 118 Pleasant Street. We pride ourselves on offering you the best of both worlds: The feel of a small family-owned dealership, but the selection, pricing, and value that a large dealer can offer. We hope you'll stop in to see us soon and see for yourself that the Bill Dodge Auto Group is your preferred Brunswick dealer backed by a solid reputation and the best deal in Maine on a new or used vehicle.
