

2013 **EXPEDITION+EL**

Go Further

Full-sized adventures ahead.

People. Pets. Cargo. Towing. Or all of the above. Whatever your day brings, the 2013 Ford Expedition and Expedition EL are built to help you power through it with ease. Roomy seating for up to 8 means everybody's welcome. And there's plenty of cargo space in back – up to 108.3 cu. ft. on Expedition and 130.8 on Expedition EL.¹ When you're towing, a new trailer brake controller² helps enhance braking performance. While you're parking, the Forward Sensing System² alerts you to large, stationary objects detected in front of the vehicle. And for an extra touch of style, you'll find new 20" chrome-clad aluminum wheels² on Limited and King Ranch® models. Go further in a 2013 Expedition.

XLT. Oxford White. Available equipment.

¹Cargo and load capacity limited by weight and weight distribution. ²Available feature.

2013 **EXPEDITION+EL**
ford.com

Powerful performer helps you maintain control.

The proven 5.4L V8 engine and 6-speed automatic transmission under the hood of every Expedition give you 20 mpg hwy,¹ 310 horsepower and 365 lb.-ft. of torque, along with the ability to tow up to 9,200 lbs.² This powertrain is also flex-fuel capable, so it runs on gasoline, E85 or any blend of the two. Joining standard trailer sway control, a new trailer brake controller³ helps increase towing confidence by balancing the performance of the vehicle brakes and your electric trailer brakes.⁴ For maximized traction, the convenient 4x4 AUTO mode on our Control Trac[®] 4-wheel drive³ senses when the vehicle is on a loose or slippery surface and automatically transfers power to the appropriate wheels.

King Ranch[®] EL. Kodiak Brown Metallic. Available equipment.

¹EPA-estimated 14 city/20 hwy/16 combined mpg for Expedition 4x2. ²When properly equipped. ³Available feature. ⁴Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.

2013 **EXPEDITION+EL**
ford.com

Treats you well in all 3 rows.

Relax into supportive leather-trimmed¹ seats as you maximize your comfort via the 10-way power driver's seat¹ and power-adjustable pedals. Dual-zone electronic automatic temperature control¹ enables you and your copilot each to have your way. Heated and cooled front seats¹ can help chase away a chill – or create one. To pamper more passengers, heated seats are offered in the 2nd row¹ as well. Best-in-class² 3rd-row leg room means even adults will be happy to ride in back. To seat as many as 8, you'll want the standard 2nd-row 40/20/40 split-fold seat with CenterSlide[®] and a 3rd-row 60/40 split-fold seat.¹ XLT Premium, Limited and King Ranch[®] models include our ultra-convenient PowerFold[®] 3rd-row seat.¹ The 2013 Expedition takes care of you and your passengers in all sorts of powerfully luxurious ways.

XLT Premium EL. Camel leather trim. Available equipment.

¹Available feature. ²Class is Extended Utilities.

2013 **EXPEDITION+EL**
ford.com

Keeps you connected.

Hands-free calls, music and more.

No more searching for your phone. No device on your ear. Once paired, voice-activated Ford SYNC^{®1} recognizes your phone and downloads your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod[®]. Just touch a button on the steering wheel and say things like "Call: Melissa," or "Play genre: country." SYNC also offers 911 Assist[®] and with an activated SYNC Services account you get business searches, turn-by-turn driving directions, local movie times and more. Personalize it at ford.com/sync. SYNC. Say the word.

Voice-activated travel guide with SiriusXM.

The Navigation System² includes a 6-month trial subscription to SiriusXM Traffic and Travel Link (Satellite Radio is standard) to bring you over 130 channels, including commercial-free music, plus sports, news, talk and entertainment. Drive smarter with the ability to look up fuel prices, check local and national weather, get alerts on traffic-related incidents, receive alternate route suggestions and much more. This system features a vibrant LCD touch screen with interactive maps you can zoom and scroll. Of course, it also responds to voice commands for hands-free control. Play DVDs while Expedition is in Park and store nearly 10 gigs of your digital music.

Command your apps. SYNC AppLink^{™3} lets smartphone users control Pandora[®], iHeartRadio[®], Stitcher Smart Radio[™] and select other apps by voice too.

XLT Premium. Available equipment.

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. SYNC Services varies by trim level and model year and may require a subscription. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Not all features are compatible with all phones. ²Available feature. ³SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software.

2013 EXPEDITION+EL
ford.com

Strengthens your peace of mind.

Twists. Turns. Teenage drivers. Expedition is engineered to help you master these and many other challenges. Standard AdvanceTrac® with RSC® (Roll Stability Control™) uses 2 gyroscopic sensors to help you avoid skidding and fishtailing.¹ It's beneficial on all sorts of surfaces, in all kinds of weather. Adults can use standard MyKey® to help block calls and text messaging when young drivers take the wheel. Every Expedition also features the personalized protection of dual-stage front airbags, front-seat side airbags and our Safety Canopy® System, which includes a rollover sensor and 3-row side-curtain airbags. If an airbag has deployed or a safety belt pretensioner has activated in certain collisions, our SOS Post-Crash Alert System™ flashes the hazard lights and sounds the horn to help alert others.² In the event of airbag deployment, Ford SYNC® with 911 Assist® uses your phone to directly contact 911.³ If needed, it can even give the operator an urgent message for you.

Limited EL. Ruby Red Metallic Tinted Clearcoat.⁴ Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ³The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. ⁴Late availability.

2013 EXPEDITION+EL
ford.com

Expands your versatility.

Take advantage of its huge, flat load floor to carry all sorts of cargo. Let more sunshine in through the power moonroof. Slide the center of its 2nd-row seat forward for convenient access to little ones. Stay organized. Clear up blind spots. Ease cargo loading, along with passenger entry and exit. As your transportation needs change, Expedition smartly helps you adapt.

Power moonroof¹

CenterSlide[®] 2nd-row seat

Cargo Management System (Expedition EL)

Blind spot mirrors

130.8 cu. ft. of cargo space (Expedition EL)

Power liftgate¹ and power-deployable running boards¹

QUALITY, GREEN, SAFE AND SMART.

ford.com

New Vehicle Limited Warranty. We want your Ford Expedition or Expedition EL ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. □ **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. □ **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. □ **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. □ **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
