

2013 **TRANSIT CONNECT**

Works hard to make your dreams bloom.

You've launched out on your own. Now you need a partner that works as hard as you do. The 2013 Ford Transit Connect, quite possibly the ideal commercial vehicle, combines maneuverability and efficiency with cargo space and durability. It's also Built Ford Tough[®], with a payload rating of up to 1,600 lbs.¹ cargo space of up to 129 cu. ft. when properly equipped, and best-in-class fuel economy of 24 combined mpg.² Right-sized and purpose-built, Transit Connect works hard, parks easily and goes a long way. And it does it all while conveying a professional image for you and your business. Day in and day out. Go further in a 2013 Transit Connect

XLT Van. Frozen White. Ford Custom Graphics by Original Wraps[™] Inc.³ Available equipment.

¹When properly equipped. Van GVWR is 5,005 lbs. Load rating represents maximum allowable weight of people, cargo and body equipment combined, and is reduced by the weight of the optional equipment. ²Class is Small Cargo Vans. EPA-estimated 21 city/27 hwy/23 combined mpg for Van, 22 city/27 hwy/24 combined mpg for Wagon. ³Ford Licensed Accessory. Visit fordcommercialgraphics.com to develop your selection. See dealer for additional details. Vehicles throughout this catalog may be shown with optional and aftermarket upfit equipment.

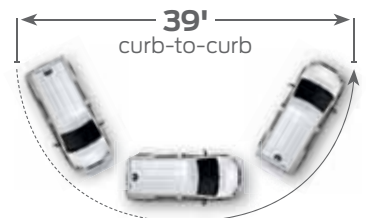

2013 **TRANSIT CONNECT**
ford.com

Fits perfectly into your daily routine.

Loading and unloading cargo, maneuvering through heavy traffic, and even parallel parking are no problem with Ford Transit Connect. Designed with a low load height (under 2'), it makes getting things in and out as simple as possible. And at just over 6'7" tall, it easily negotiates low-clearance areas. But don't let its compact size fool you: It's a truck built to take on whatever you can throw at it. Add in a 39' curb-to-curb turning diameter for working in tight places, along with a rear view camera¹ and Reverse Sensing System¹ for help in parking, and you have everything you need to get the job done – and quickly get on to the next one.

XLT Van. Silver. Available equipment.

¹Available feature.

2013 **TRANSIT CONNECT**
ford.com

Holds the long, tall and short of your business.

Behind its surprisingly comfortable front seats, you'll find up to 129 cu. ft. of cargo space to fill in Transit Connect. You can easily carry items up to 6' long, 4' wide and more than 4' tall. The flat load floor and near-vertical walls on van models help you make the best use of all that space to transport larger loads, and it's easily washable for quick cleanup after the work week is done. With low side and rear load heights, a sliding side door on both the driver and passenger sides, plus swing-out rear doors with a 180° or an available 255° hinge angle, Transit Connect feels like your warehouse on wheels.

Delivers on toughness, durability and safety.

Transit Connect proves tough things, not just good things, come in small packages. While compact, it's rugged and durable, built with high-strength steel and a reinforced body shell. Designed to withstand hard, on-the-job duty, Transit Connect is certified to Ford Light Commercial Vehicle Durability Standards, with testing to 150,000 customer-equivalent miles. AdvanceTrac® with RSC® (Roll Stability Control™) measures the roll rate 100 times per second, automatically determining how to modify engine power and apply individual brakes to help keep all 4 wheels firmly planted in uncertain driving conditions.¹ Engineered for circumstances that are tougher than most drivers will ever see, Transit Connect lets you get right to work. No matter how hard the job.

XLT Wagon. Frozen White. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

2013 **TRANSIT CONNECT**
ford.com

Keeps you well connected on the road.

Handle calls and more with SYNC. Just say the word.

No more searching for your phone. No device on your ear. Connect to your world with voice-activated Ford SYNC.^{®1} Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. Just touch a button near the steering wheel and say "Call Kevin." Personalize your experience at ford.com/sync.

Switch songs and playlists.

SYNC allows voice-activated control of your media player, too. Just plug it into the USB port and your entire music collection can be accessed by voice. Ask for your favorite artist or playlist (e.g., "Play genre: Country") and SYNC responds in an instant.

XLT Premium Wagon. Gray cloth trim. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. SYNC does not include 911 Assist.[®] Vehicle Health Reports, SYNC Services (Traffic, Directions and Information) or AppLink.[™]

2013 **TRANSIT CONNECT**
ford.com

Equips you to be your best.

Transit Connect is already a hard worker right from the factory, but it can do even more with custom aftermarket upfits. Durable bulkhead partitions and flexible storage systems make the most of the one thing that sets it apart: versatility. Tailored specifically for you, your Transit Connect can make you even more productive. See your dealer for upfit details.

1. Leggett & Platt offers: wire, steel and solid bulkheads; Racks & Bins, QuietFlex® and Cargo Management interior packages; drawer storage cabinets; rooftop ladder racks; utility carriers; and window security screens.
2. Dejana offers: Katerack® system of heavy-duty pull-out shelves; standard 6" and 10" shelves; and trade-ready packages for contractors, caterers and florists.
3. Adrian Steel offers: wire and steel bulkheads; Base, Intermediate, Full and Premium Interior packages; flexible shelving; cargo dividers; drawer units; and literature holders.
4. Sortimo offers: wire mesh and solid bulkheads (with and without a window); Cargo Management; Multi-Purpose Double Floor; Courier Services and Multi-Rack packages; Tufflex Wall Cladding; L-BOXX set; Sliding Platform; Safety Net and a Mobile Tower.

Extras that make your job easier.

With standard air conditioning to keep things cool, power windows on select models, and integrated blind spot mirrors that help let you know what's there *before* you change lanes, Transit Connect also offers ways to make it your own. Choose a rear view camera that lets you see what's behind you when slowly backing up, a Reverse Sensing System¹ and more. Infinitely versatile, the 2013 Transit Connect has the options that will help make your workday easy, secure and efficient.

Power windows¹

Rear view camera¹

Air conditioning

Blind spot mirrors

Front overhead storage shelf with retaining net

¹Available feature.

Create a more meaningful driving experience: Connect with Ford Custom Accessories for authentic personalization possibilities. The cost of select accessories – ordered and purchased at the time you buy or lease your Transit Connect – can be rolled into your monthly payment. And coverage for select accessories falls under the New Vehicle Limited Warranty that way too. See your dealer for details. And if you're interested in promoting your business with standout Ford Commercial Graphics,¹ visit fordcommercialgraphics.com for full program details.

ford.com

QUALITY, GREEN, SAFE AND SMART.

ford.com

New Vehicle Limited Warranty. We want your Ford Transit Connect ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
