ONLY 100% ORIGINAL BMW REPLACEMENT PARTS.

All BMW drivers are not created equal. Whatever your driving habits happen to be, there's an extended service contract designed for you. BMW tailored the BMW Extended Vehicle Protection program with your needs in mind. Program benefits include:

- Covered repairs performed at an authorized BMW repair facility.
- Use of only original BMW parts (vehicle safety and advanced components not compromised by inferior parts).
- 24-Hour BMW Roadside Assistance, in the unlikely event of a breakdown.
- Protection of vehicle resale value.

The BMW Extended Vehicle Protection program offers you a level of security you simply won't find with any third-party contract provider. This program gives you the assurance that BMW stands firmly behind your service contract. All repairs are performed by trained BMW Technicians who use only new or remanufactured original BMW parts.

CHOOSE THE TERM THAT MATCHES YOUR DRIVING NEEDS.

If your vehicle is no longer covered under the BMW New Vehicle Limited Warranty* (and has less than 80,000 miles and up to 7 years from the in-service date) at the time of vehicle enrollment, then your extended coverage option is Powertrain Plus.

This plan covers major drive train components of the vehicle and offers protection against many major mechanical breakdowns.

You have the option of choosing between three different terms of extended protection:**

1 year / 12,000 miles

2 years / 24,000 miles

3 years / 36,000 miles

DEDUCTIBLE INFORMATION.

The BMW Extended Vehicle Protection program for both new and used vehicles has a deductible of \$50 per repair visit.

*Please check with your dealer regarding eligibility requirements.

**For example, if the mileage on your vehicle was 70,000 and the contract purchase date was 6/12/2012 with a term of 1-year/12,000 miles, your coverage under this program will expire on 6/11/2013 or when the reading on your odometer is 82,000, whichever comes first.
