1. Coverage may be extended up to 7 years/100,000 miles from the original vehicle in-service date (whichever comes first). For new or used BMW vehicles, the three coverage level options (Powertrain Plus, Gold, Platinum) are available if your vehicle is under the BMW New Vehicle Limited Warranty at the time of vehicle enrollment. For Certified Pre-Owned BMW vehicles, your coverage option is Platinum if your vehicle is under the BMW CPO Protection Plan at the time of vehicle enrollment. Please check with your dealer regarding eligibility requirements.

2. For example, if the new vehicle sales date was 6/12/2014 and you purchase a 6-year/100,000-mile term, your coverage under this program will expire on 6/11/2020 or when the reading on your odometer reaches 100,000, whichever comes first – regardless of the contract purchase date or mileage at the contract purchase date.
