

## FLEET SERVICE SOLUTIONS

In this fast paced world we live in, isn't it comforting to know that someone is taking excellent care of you and your executives' vehicles?

BMW Toronto's fleet program offers all the value of fleet pricing, coupled with our unmatched level of executive service.

When taking delivery of your new BMW, you will be escorted to our state of the art delivery salon (located on the 5th floor). The experience is extraordinary, overlooking the beautiful city skyline and then receiving keys to one of the finest cars in the world. We have specially trained BMW delivery experts that go over every feature and vehicle setting. This delivery process is tailored to the car and the driver, ensuring the driver is fully familiar with the vehicle before departing. Your carefully prepared and hand waxed vehicle is fueled, licensed and ready to be enjoyed.

Embodying exceptional refinement and quality, a BMW is now more affordable than ever. Included with every new BMW is no charge scheduled maintenance for 4 years or 80,000 km's. BMW Toronto also offers fleet clients a BMW loaner vehicle when they come in for service at no additional charge.

### BMW Toronto benefits:

- Largest inventory in Canada
- BMW no charge service loaners
- Outstanding personalized service

### INVENTORY

We carry an extensive line-up of over 500 BMWs from sedans, sport coupes, roadsters, SUV's, and more than 200 pre-owned luxury vehicles. We guarantee you will find your ideal BMW in our state of the art facility.

## BMW FLEET program

### PROGRAM BENEFITS

With the BMW Fleet program, companies operating five or more vehicles are entitled to generous benefits when purchasing or leasing their executive's vehicles. Our BMW Fleet program is designed to address the needs of companies who are seeking executive transportation.

To qualify your company must have five vehicles owned and operated in the company name and have a corporate BMW fleet account number. BMW fleet pricing can also be extended to those commercial customers buying three or more business use vehicles at one time.

#### BMW also offers the following:

- 4-Year, 80,000 km No-Charge Scheduled Maintenance
- Standard features that other luxury car companies may offer only as options
- A balance of performance, handling and safety
- 24-hour Roadside Assistance
- A customer service experience unparalleled in the industry

To inquire about your eligibility, please contact us at **416-623-4269** or email [bmwfleet@bmwtoronto.ca](mailto:bmwfleet@bmwtoronto.ca) for a fleet application.

### FLEETS

Companies with five or more vehicles owned and operated under the company name are entitled to significant savings using their BMW fleet account number.

### CAR ALLOWANCE CLIENTS

VIPs, executives and upper level management whose company offers five or more car allowances can also take advantage of the BMW Fleet program. Fleet incentives will be extended to those business customers who receive a fixed monthly or yearly allowance specifically for the acquisition or operation of a motor vehicle.

### BMW TORONTO EXPERIENCE

BMW Toronto is dedicated to providing a truly phenomenal sales, service, and parts purchase experience to each and every one of our valued fleet customers. You will find BMW Toronto to be the premier choice for luxury transportation.

BEAUTIFULLY PRECISE.  
PRECISELY BEAUTIFUL.
