Welcomes Toyota

In August 1971 the first Bommarito car franchise, Oldsmobile, opened in Ellisville, MO. I was still a young man, but already had 17 years of experience starting as a car washer, a sales rep and as a sales manager. Finally I was achieving my goal of GM franchise ownership.

On August 21st of this year, the Bommarito Automotive Group will begin its 47th year of selling and servicing Missouri car owners. We have surely found out it's true that if you build it they will come.

The Bommarito Automotive Group now has 20 franchises including nine Motor Trend Certified Preowned locations serving the metropolitan St. Louis area.

An interesting story could be told about each franchise acquisition and location that we have and on Friday, May 19, 2017 the Bommarito Automotive Group officially welcomed Toyota to our group.

Toyota is the number one auto manufacturer in the world and is an acquisition we sought for over six years. Some opportunities were interesting, but the location and facility, price and timing were not quite right.

When the Toyota point was for sale in Hazelwood by an out of town owner who had grown weary of competing with Missouri's great family-owned companies, we immediately reacted.

First, we liked the great location of Hazelwood where we are already strongly represented by Nissan, Honda, VW and Ford.

In addition, we liked the professional government officials of Hazelwood who have a successful philosophy of encouraging good business operations of all kinds.

And finally, we liked the price and existing Toyota facility because it immediately positioned us to become a price and volume leader for Toyota, which is always our goal.

Missouri, once again, thank you for making the Bommarito Automotive Group number one. Grand opening prices begin right now at Bommarito Toyota of Hazelwood.

We're in your neighborhood.

Where price sells cars.

Bommarito for all your Sales-Service-Parts and Collision Repair

Sincerely,
