RE: Family-Owned Car Businesses
Generate Happy Car Buyers
and Great Car Deals

Do you know that the St. Louis Metro and Missouri market is dominated by local family-owned car franchises? There are 412 of us with over 19,000 employees who receive good wages, health care and pensions every day. All 412 of them have good reputations with years of proven successes.

Over the years, it's been fathers, sons, daughters and in-laws working hard every day to satisfy their customers. Because of these success stories, we sometimes see out-of-towners, like Tesla Motor Company, who want to come to the St. Louis market with a different sales approach, and advertising that has worked in other markets, as they probably see our sales approach as somewhat old fashion.

The truth is the old fashion way usually turns out to be the best for St. Louis car shoppers. Brand price competition in Missouri always guarantees a great car deal for Missourians.

This is especially true when it comes to purchasing a preowned vehicle. It's always best to look for your family-owned franchise to be sure that with your purchase you're also getting a good safety net. Like my old friend used to say, "If it's not right, we'll make it right".

At the Bommarito Automotive Group, our safety net for preowned is a simple one. We now offer Motor Trend certification at all of our preowned centers. That means that all vehicles have been inspected, repaired and guaranteed with a comprehensive Motor Trend warranty which also includes Easy Care dent repair and key replacement.

Another Bommarito Preowned Advantage is that we offer the lowest possible finance rates and terms and we feel that access to good finance rates and terms is a very important part of the buying experience.

Also, our 18 factory-authorized franchises give us access to all factory warranties as well as prepares us for any repair work that may be needed, before and after the sale, on almost every preowned vehicle we handle.

Our goal is to make sure that we are offering you the best backed preowned vehicles possible, guaranteed. Family-owned and operated for over 43 years, plus Motor Trend certified, adds up to a good old fashioned way to purchase a new car and especially a preowned vehicle.

We're in your neighborhood.
