RE: Every Once in Awhile...

One of my manufacturers does something special and builds not only a terrific car, but does it so well you will not find another vehicle in its price range that comes close in all-around value.

That special car is the 2016 Nissan Maxima and my personal pick for car of the year 2016.

And here's why; It features a 300hp standard V-6 engine that boasts 0-60 in 5.8 seconds but still has an EPA rating of 22/30 mpg with a base price of only \$33,235.

If you appreciate a bold and polarizing exterior, the Maxima has been aggressively styled so it will not blend in with other boring sedans.

The 2016 Maxima features so much standard equipment you would be hard pressed to add anything and Maxima's interior trim is much like what you usually find in top of the line luxury brands.

As you probably heard, there are now two Bommarito Automotive Group locations to get Missouri's best price and service on the Nissan brand. Our combined inventory of new Nissans now includes over 1,200 cars, trucks and SUV's and is the best selection by far in the midwest.

Come in and get Missouri's best price on what I am betting will be Motor Trend's car of the year, the fabulous 2016 Nissan Maxima.

Now two locations to better serve you:
