RE: Bommarito Preowned Centers -
Your New Car Alternative

It's a fact, everyone can't or won't buy a new car. Their preference is preowned. We have worked hard to cover all the bases so that buying a new car alternative is safe, pleasant and never disappointing.

Our preowned centers now feature over 1200 certified cars, trucks and SUVs, plus we offer many that have Motor Trend Certification at all of our locations.

That means all have been inspected, repaired and guaranteed with a comprehensive Motor Trend warranty, which also includes EasyCare dent repair, key care replacement and 24-7 concierge service.

Another Bommarito Preowned Center advantage is that we offer the lowest possible finance rates. We feel that access to good finance rates and terms is a very important part of the preowned buying experience.

Our goal is to make sure you are not only buying preowned, but to also guarantee you are buying the best-backed vehicles sold anywhere.

Our multiple factory-authorized franchises gives us access to factory warranties as well as prepare us for any repair work or service that may be needed before or after the sale on most preowned vehicles that we handle. Rest assured we will be there for you after the sale.

So now shopping for that new car alternative can be done with just one stop. All Bommarito Automotive Group locations have access to our giant inventory, which includes domestic and import brands with all the hottest models.

For your new car alternative, we are the exclusive Motor Trend Certified Preowned Centers in Missouri. See any of our four locations in West County, South County, St. Peters and Hazelwood or online at Bommarito.com where you will find the best-backed preowned vehicles sold anywhere.

We're in your neighborhood.
