RE: Smart Shoppers Love a Buyer's Market

We've got one right now and it is at least three months early.  
Because of over production, most manufacturers and their car dealers, are willing to do this early close-out sale now.

Smart shoppers can now buy a 2017 model at bargain prices.  
Take the time to shop and you will find huge discounts off legitimate MSRP's, special finance terms and aggressive trade allowances. Look and you will find them.

But here's the catch; not every car dealer will be willing or be in a position to do this huge, early close-out sale, and that's why smart car shoppers will need to do more than internet shopping to get the maximum incentives and trade allowances.

We saw this coming at the Bommarito Automotive Group, so take my sage advice and visit a Bommarito showroom where you will get Missouri and Illinois' best possible incentives, best selection and at least 500 to 1,000 more for your trade, guaranteed.

Twenty minutes at a Bommarito Automotive Group showroom can save you thousands.

We're in your neighborhood.
