RE: Early 2015 Close Out Sale
Starts Now

For many years the Bommarito Automotive Group has been the first to do model year close out pricing in Missouri.

So starting right now, you will get Missouri's best selection and close out pricing on all 2015's at all Bommarito Automotive Group locations, no exceptions.

We have already received 2016 models with the price increases we expected and of course no manufacturer incentives.

As for drastic changes we saw very little, but did get a little more technology even though our customers are not using some of the tech perks they now have.

For price conscious car shoppers, now is the right time to take advantage of the Bommarito Automotive Group's early close out pricing and save important money on Missouri's best selection of cars, trucks and SUV's that the auto industry has ever built.

On Wednesday the Feds are meeting to probably raise finance rates. I don't think it will be much, but our zero percent for 72 months deals could go away in the very near future.

Avoid the leftovers and shop now for Missouri's best close out prices and selection at all Bommarito Automotive Group locations.

We're in your neighborhood.

Where price sells cars.

Bommarito for all your Sales-Service-Parts and Collision Repair

Sincerely,

Frank J. Bommarito
