### Polo Season

Despite the fact that summer doesn't officially start until June 20 - at 6:34 in the morning no less!! -summer weather is here, along with summer fun for Club Braman members, both indoors and out. So far this season, we've already had everything from our VIP tent at the polo matches and the opportunity to stroll around a \$20 million waterfront mansion, to fun evenings at the Norton Museum and Palm Beach Zoo.

And in May we added high-speed thrills at Palm Beach International Raceway, a great evening at the Norton Museum, good times with bowling and rock 'n roll at Revolutions in CityPlace and a brand-new event, croquet at the National Croquet Center.

### Friday, June 10th/8-11pm

Drive-in theaters may be a thing of the past (mostly), but 'plop down on the grass and watch an outdoor movie while you picnic with your family friends' is still a great way to spend a summer evening. And thanks to Club Braman and the City of West Palm Beach, you'll be able to join the fun on the second Friday of June, July and August from 8-11pm.

It's called "Screen on the Green" and it takes place on the Great Lawn overlooking the waterfront right in the heart of downtown. Some of the films are old classics and some are newer, but all are family-friendly; on June 10 it's hilarious hi-jinks of "[Hairspray](#)" (with the added attraction of a 'sock hop' dance); on July 8 bring your kids to see "[How to Train Your Dragon](#)"; and on August 12, prepare yourself for the pulse-pounding thrills of "[Jurassic World](#)."

Club Braman will have a VIP tent providing soft drinks and munchies, but be sure to bring your own lawn chair and cooler. And come early; you'll be parking in one of the city garages a block or two away.

## **Club Braman at the Palm Beach Zoo Food Truck Safari**

***Saturday, June 18/4:30-9:00pm***

The Food Truck Safari at the Palm Beach Zoo is a favorite of Club Braman members, and for good reason. Not only do you get to spend a beautiful spring afternoon and evening looking at all the fabulous animal exhibits, but Club Braman members also get a food and drink voucher that lets you chow down on cuisine from some of the best food trucks in Palm Beach County.

Trucks that have participated in past Food Truck Safari include; Karate's Kitchen (Chinese Food), The Inca Mix (Peruvian Food), Crave It (Italian), Sweet Cravings NY (Dessert), PS561 (Gourmet Hot Dogs), The Minivan Food Truck (Sliders) and the Churrasco Grill (Brazilian Grilled Steak) - and a similarly delicious lineup is expected this time. Beer & Wine is available for those 21 and older, so bring your photo ID.

If you haven't been to one of these before and would like an idea of what to expect, click [here](#) to see a video of the last Club Braman Food Truck Safari event.

**A word about what to expect:** Club Braman will

have a VIP check-in table at the main entrance of the zoo, where you will be issued a wristband and voucher valued at \$10 for food and \$6 for drink. Sorry, but while we can get you into the zoo ahead of the crowd, you'll have to wait in line at the food trucks.

## **MORE THINGS TO DO** **DOWNTOWN THIS SUMMER**

In addition to Club Braman and 'Screen on the Green,' the City of West Palm Beach has a fabulous program of events all summer long (all year long, actually), and while Club Braman can't be at them all, there's a lot of free fun to be had downtown, so check these out:

[Clematis by Night](#) -- this is a Thursday night tradition in downtown West Palm Beach. This free weekly outdoor concert series on the Waterfront features live performances by the area's best bands, food and drink specials, and an ideal happy hour setting where you can kick back, relax and just hang out with tons of music and fun.

[The Green Market](#) - on Saturday mornings this waterfront green market features more than 70 vendors offering the freshest and most unique offerings including local produce, plants, exotic flowers, herbs, baked goods, gourmet foods, teas, coffee and much more. Enjoy a fun, social, family and dog-friendly outing with fresh food, fresh air and sunshine.

[The 4<sup>th</sup> on Flagler](#) - The Fourth of July along the West Palm Beach Waterfront is the place to be and 'The 4th on Flagler' is South Florida's largest FREE outdoor Independence Day Extravaganza. Enjoy classic Americana bites and craft brews, live music, a giant three-story American flag and a spectacular 18-minute fireworks display lighting up the beautiful Intracoastal Waterway.

[Sunday on the Waterfront](#) - Sunday on the Waterfront is a monthly concert series featuring popular regional performers and national recording artists against a spectacular waterfront backdrop. This is a perfect way to relax and unwind with friends and family, so bring your blankets and lawn chairs, kick off your flip flops, grab a drink and sway to the tunes.

[Sandi Land](#) - What do you do when you don't have snow? Well, every December 1-31, the City of West Palm Beach creates a unique tropical-themed holiday experience featuring "Sandi," the world's

ONLY giant holiday tree sculpted from 600 tons of sand, featuring nightly music and light shows. It's a wonderland for kids and a great date night that begins with the annual tree lighting at Clematis by Night, followed by the City's free weekly concert series on the Waterfront and the holiday celebrations that continue throughout the season.

## **CLUB BRAMAN EVENTS IN MAY**

### **May 6th--Club Braman Track Days at PBIR**

Every brand and model you'll find at Braman Motorcars is capable of amazing performance and the Club Braman Performance Driving Program is designed to our members explore those abilities in an environment that's safe, fun and social. For the first Track Day event of 2016, our intrepid group arrived at the Palm Beach International Raceway road course and were greeted by racing drivers who are also knowledgeable instructors.

They provided pre-event the training, after which drivers were drivers are divided into groups depending on their skill level. After several hours of high-speed fun, participants adjourned to the air-conditioned VIP lounge to swap stories with fellow drivers and enjoy a gourmet buffet.

*Note: If this is your kind of thing, be sure to mark your calendars and keep an eye on your e-mail. Club Braman Track Days at PBIR will also take place Sunday morning July 17<sup>th</sup> and Friday evening October 7<sup>th</sup>.*

## **May 13th--Club Braman at the Revolutions Rock & Roll Bowling in CityPlace**

On Friday the 13<sup>th</sup>, Club Braman members had the good luck to enjoy an event at Revolutions, a 35,000 sq. ft. fun house located in the heart of CityPlace. It features contemporary American cuisine, a high energy bar atmosphere, a Stadium Sports Amphitheater with enormous TV screens, 20 style bowling lanes and video arcade.

Revolutions is the hot nightlife destination in downtown and Club Braman enjoyed an evening of snacks, strikes and spares. Club members were provided with vouchers to purchase the food and beverage of their choice and, from comments during the event and on their way out the door, everyone had a 'revolutionary' experience.

## **May 20th--Club Braman at the National Croquet Center**

On Friday, May 20, Club Braman members were invited to a unique new event, an evening of croquet, appetizers and wine at the National Croquet Center in West Palm Beach. And, despite a steady rain that kept everyone indoors eating and drinking until later in the evening, a great time was had by all. You may think of croquet as a kid's game during a backyard picnic on a summer Sunday, but it's actually a highly competitive sport and the NCC is the home of the 2016 World Croquet Championship. The National Croquet Center is home to the world's largest dedicated croquet facility, with the finest lawns spanning four acres and a 19,000 square foot clubhouse designed in the Florida Keys style.

**May 26th--Club Braman at the  
Norton Museum Art After Dark  
"Spring Into Summer"**

The Norton Museum 'Art After Dark' is one of the most popular Club Braman events and the May 26 event focused on "Spring into Summer!" a program of events that included videos and films on the subject of Love, a guided tour of the "Monet and Friends" and "Love Story" exhibits.

Club Braman members enjoyed food and drink in the museum's gourmet café, Fratelli Lyon, after which they attended a concert titled "Freedom in the Groove" presented by vibraphone master Drew Tucker and tuba virtuoso Bill Muter (along with their electronic sound effects gear). Best described as "hip hop meets the conservatory," the concert was the icing on the cake for a delicious evening of fun and education for Club Braman members.
