

Innovation that excites

2014  
**JUKE**<sup>®</sup>

### NISSAN JUKE<sup>®</sup>

What if getting behind the wheel could put a smile on your face, confidence in your hands and goose bumps all over? That would be cool. Here are just a few ways Nissan JUKE<sup>®</sup> gives you an unforgettable drive.

**I-CON.** With JUKE<sup>®</sup>'s available Integrated Control (I-CON) system, you lock in Sport, Normal or Eco mode and JUKE<sup>®</sup> obeys, adjusting steering feel, transmission gearing and throttle response.

**Torque Vectoring AWD.** Unlike most systems, JUKE<sup>®</sup>'s available advanced AWD system adjusts power side-to-side on the rear wheels, giving you grin-inducing grip around turns.

**Turbo power.** JUKE<sup>®</sup>'s turbocharged Direct Injection Gasoline (DIG<sup>™</sup>) engine gives you the power of a much larger engine while still racking up to 6.1 L/100 km (46 MPG) highway.<sup>1</sup>

Looking for more? Visit JUKE<sup>®</sup> on Facebook<sup>®</sup> or Twitter<sup>®</sup> to see what owners have to say. Find walkarounds, product demos and more on YouTube<sup>®</sup>.

**WHAT IF\_**  
**YOU KICKED CONVENTION**  
**TO THE CURB?**

JUKE<sup>®</sup> is the leader of an all-new breed: the Turbocharged Sport Cross. The intentions are clear. Ride high, stand out, and move quickly. All while customizing your ride on the go. The turbocharged engine delivers serious boost when you need it and sips fuel when you don't, while an available innovative All-Wheel Drive system turns power into grip. And for those who want more edge in every way, the exhilarating JUKE<sup>®</sup> Nismo.<sup>®1</sup> Everything you thought a vehicle was just got turned on its head.

## NISSAN JUKE® NISMO®<sup>1</sup>

### INNOVATION THAT LIVES TO PUSH THE ENVELOPE.

Wouldn't it be cool to take exhilaration to the next level? With a name derived from Nissan Motorsports, you should expect nothing less from NISMO®, our in-house performance arm. Started by a group of maverick Nissan engineers almost 30 years ago, NISMO® is synonymous with passion, expertise, and the heights of Nissan performance – not to mention decades of racing dominance. NISMO® puts its all into everything it builds – championship-winning racecars, accessories for the street and cutting-edge vehicles. And now, NISMO® is pleased to get your pulse racing with JUKE® Nismo®,<sup>1</sup> featuring nearly 100 changes to create the most exciting, eye-popping and involving JUKE® experience ever.

## NISSAN TORQUE VECTORING ALL-WHEEL DRIVE

# INNOVATION THAT PUTS POWER ON YOUR SIDE.

**Torque Vectoring AWD** – Traditional AWD systems only distribute power from front to back – nice for slippery conditions, but missing out on the awesome capability an advanced system can bring to your drive.

Torque vectoring AWD not only adjusts power between the front and rear axles, but can also adjust power from side-to-side on the rear wheels, rotating the rear of the JUKE<sup>®</sup>, to help you turn in more responsively and guide you through the turn. So whether you're taking on a twisty mountain road or tackling a sharp highway on-ramp, JUKE<sup>®</sup>'s available innovative AWD helps put the control and power you need on your side.

42%

25%

25%

8%

**AWD Display** – A digital readout between the gauges provides real-time AWD feedback for all four corners.

## NISSAN PUREDRIVE™

# INNOVATION THAT'S A PERFECT BLEND OF EFFICIENCY AND EXPLETIVES.

**188<sup>1</sup> HP** Direct Injection Gasoline (DIG™) turbo for instant response when passing, merging, and wowing

**2** levels of fuel injection for power, torque and greater efficiency

**6.1 L/100 km** Up to 6.1 L/100 km highway, so you can breeze past the pump with ease<sup>2</sup>

**1.6-L Direct Injection Gasoline (DIG™) Turbo Engine** – If you could design an engine to provide the ideal balance of efficiency and power, this would be it. Turbo boost gives you more than enough passing power when you need it, while the compact engine design and two-level direct injection system deliver fuel-sipping economy when you don't.

**CVT (Continuously Variable Transmission) with Sport Mode** – Smooth as butter and fun to drive. Unlike traditional automatic transmissions, JUKE<sup>®</sup>'s available CVT transmission eliminates the need for gear-hunting and delivers a seamless wave of power. In case you miss the feeling of gears, you can engage Sport mode and bring it right back. Of course, a manual transmission is still available for the die-hard enthusiast.

**PUREDRIVE™** – Wouldn't it be cool if you didn't have to give up exhilaration to save fuel? The 2014 JUKE<sup>®</sup> (excluding NISMO<sup>®</sup> models) wears the PUREDRIVE™ badge – proof that you can have a turbocharged car that's fun to drive and still save fuel and help the environment. Best of all, JUKE<sup>®</sup> is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan's commitment to developing more environmentally friendly transportation for all of us.

PURE DRIVE

<sup>1</sup>188 HP/177 lb-ft for JUKE<sup>®</sup> SV and SL models. <sup>2</sup>2014 Fuel Economy Estimate 6.1 L/100 km (46 MPG) highway for JUKE<sup>®</sup> SV and SL CVT-equipped models only. Actual mileage may vary with driving conditions.

GPS mapping may not be detailed in all areas or reflect current road regulations. <sup>6</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ecoPUNCH™ is a trademark of Rockford Corporation. Rockford Fosgate® is a registered trademark of Rockford Corporation.

## NISSAN I-CON SYSTEM

# INNOVATION THAT ADAPTS AT WILL.

Like a great smartphone, JUKE®'s available Integrated Control (I-CON) system puts everything you need in one place. Tell JUKE® what kind of mood you're in, and it serves up a custom-tailored drive. All your climate control functions are there, too. I-CON even lets you know how you're doing, with cool displays for all the different functions you can call up.

Shown in D-Mode Interface

Shown in Climate Interface

**Torque It. Boost It. Save It –** In JUKE®, it's up to you. Drive in Normal mode for the best combination of performance and efficiency. Lock in Sport mode and steering feel, transmission gearing, and throttle response quickly adjust to make every curve count. Or hit the Eco mode button and get the most out of every drop of fuel. And with a push of the Climate button, I-CON switches displays and now becomes your control centre for all things comfort.

## NISSAN SAFETY SHIELD® PHILOSOPHY

# INNOVATION THAT LOOKS OUT FOR YOU.

What if you had the confidence you needed for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

**Monitor.** Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're travelling on properly inflated tires.

**Tire Pressure Monitoring System**<sup>1</sup> lets you know when a tire is low.

**Available RearView Monitor**<sup>2</sup> helps you see directly behind you.

**Respond.** Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

**Vehicle Dynamic Control** helps you maintain your steered path.<sup>3</sup>

**Traction Control System** helps reduce wheelspin in low-traction situations.

**Anti-lock Braking System** helps you maintain steering control around obstacles while braking heavily.

**Electronic Brake force Distribution** sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

**Brake Assist** helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

**Protect.** When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.

**6 STANDARD AIRBAGS**<sup>4</sup>

**Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat-belt and occupant-classification sensors**<sup>4</sup>

**Front seat-mounted side-impact supplemental airbags**<sup>4</sup>

**Roof-mounted curtain side-impact supplemental airbags**<sup>4</sup>

**LATCH System (Lower Anchors and Tethers for Children)**

**snug4kids.** Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at [Nissan.ca/owners/en](http://Nissan.ca/owners/en).

Scan this with your QR code-reader app to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to [bit.ly/snugkids-EN](http://bit.ly/snugkids-EN)

## CHOOSE YOUR TRIM LEVEL

### SV

1.6-litre Direct Injection Gasoline (DIG™) turbo 4-cylinder engine, torque vectoring All-Wheel Drive (AWD) or Front-Wheel Drive (FWD), Xtronic CVT® with Sport mode or 6-speed manual transmission, 17" aluminum-alloy wheels, AM/FM/CD audio system with MP3/WMA CD playback capability, auxiliary audio input and Interface System for iPod®, Bluetooth® Hands-Free Phone System, power windows, power door locks and remote keyless entry, 60/40 split fold-down rear seatbacks, six standard airbags,<sup>4</sup> Vehicle Dynamic Control (VDC)<sup>3</sup> with Traction Control System (TCS), rear privacy glass, premium cloth seat trim, leather-wrapped steering wheel, passenger seatback pocket

### NISMO®<sup>5</sup>

INCLUDES SV EQUIPMENT PLUS:

NISMO®-tuned 197 HP/184 lb-ft 1.6-litre Direct Injection Gasoline (DIG™) turbo 4-cylinder engine, NISMO®-tuned suspension with increased spring and dampening rates, 18" NISMO® aluminum-alloy wheels with P225/45R18 summer tires, NISMO® aerodynamic body kit – front and rear fascias, side sills and rear roof spoiler, NISMO® red mirror covers, NISMO® front grille and badging, NISMO® chrome exhaust finisher, body-colour fender lip mouldings and high-gloss B-pillar finish, smoked headlights and LED Daytime Running Lights, Nissan Navigation System with 127 mm (5") colour touch-screen monitor, RearView Monitor,<sup>2</sup> SiriusXM® Satellite Radio,<sup>6</sup> NavTraffic,<sup>6</sup> six upgraded speakers, Rockford Fosgate® ecoPUNCH™ audio system with 8" subwoofer and amplifier, USB connection port for iPod® interface and other compatible devices, Nissan Intelligent Key® with Push Button Ignition, Integrated Control (I-CON) system with Automatic Temperature Control (ATC), NISMO® sport front bucket seats with embroidered synthetic suede trim and signature red stitching, NISMO® tachometer, NISMO® Alcantara® and leather-wrapped steering wheel, smoked grey centre console and door trim

### SL

INCLUDES SV EQUIPMENT PLUS:

Fog lights, power sliding glass moonroof with one-touch open/close and tilt feature, Nissan Navigation System with 127 mm (5") colour touch-screen monitor, NavTraffic,<sup>6</sup> RearView Monitor, Integrated Control (I-CON) system, Automatic Temperature Control (ATC), Nissan Intelligent Key® with Push Button Ignition, heated front seats, leather seating surfaces, six upgraded speakers, Rockford Fosgate® ecoPUNCH™ audio system with 8" subwoofer and amplifier, SiriusXM® Satellite Radio,<sup>6</sup> USB connection port for iPod® interface and other compatible devices

<sup>1</sup>Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. <sup>2</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. <sup>3</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. <sup>4</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. <sup>5</sup>Late availability. <sup>6</sup>XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic® is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](http://siriusxm.ca/terms). ## GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3 year/60,000 km Accessories limited warranty; and can be financed when installed by dealer at time of purchase.<sup>1</sup>

### A. 17" Black Aluminum-alloy Wheels

Good guys wear black.

### B. Illuminated Kick Plates

For a grand entry every time.

### C. Cargo Area Protector

Use your cargo area, don't abuse it.

### D. Rear Bumper Protector

Keeps you from getting nasty scrapes.

### Additional Accessories:

- NISMO® Carpeted Floor Mats
- All-season Floor Mats
- Fog Lights
- Side-window Deflectors
- Armrest
- Chrome Body Side Mouldings, Door Handle Accents and Mirror Covers
- Stainless Steel Exhaust Finisher
- And More

See your Nissan dealer for details, or go to [accessories.nissan.ca](http://accessories.nissan.ca)

## BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2014 Nissan is covered by a 3 year/60,000 km<sup>2</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>2</sup> Powertrain Warranty, an 8 year/130,000 km<sup>2</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

**Security+Plus™ Prepaid Maintenance Plan** The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

<sup>1</sup>See your Nissan Dealership and read the actual limited warranty. <sup>2</sup>Whichever occurs first.
