NISSAN Commercial Vehicles

America's Best Commercial Van Warranty

5 Years/100,000 Miles Bumper-to-Bumper Limited Warranty.

Powertrain Coverage

The Nissan Powertrain Limited Warranty covers the engine, transmission and transaxle, plus the drivetrain, as well as air bags and related electronic control systems.

Corrosion Coverage

The Nissan Corrosion Limited Warranty covers any body sheet metal that may develop rust-through.

Safety Restraint Coverage

The Nissan Safety Restraint Warranty covers any seat belt or related component for 10 years.

Parts & Service

Our people are committed to reducing downtime and ensuring everything possible is done to keep your van in excellent working order. That means stocking the right parts you need to keep your van on the road.

Roadside Assistance

Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout help, towing services, emergency fluid delivery, tire changes and dead-battery jump-start service.

Service & Maintenance

Stop by your local dealer to find a service plan that makes sense for your business. And don't forget to ask about Nissan's Next Bay Priority Service Guarantee.

Roadside Assistance

The ultimate backup plan is included with every van.

I have been buying work trucks for our business since 1986. I have never had a salesman as tenacious as Chandler Wells with Brenner Nissan. Chandler located, outfitted and coordinated our truck wraps with our vendor seamlessly. Brenner also gave me great prices without haggling. He kept me informed through the whole process. I highly recommend Brenner Nissan.

Jeffrey A. Wilbur Plumbing & Heating, Inc*

5 STAR ★★★★★

Chandler surprised me as the first car salesman who listened. Usually a salesman only wants to sell, but I believe Chandler listened to what we wanted, put a deal together and discussed the options with us. I felt that he didn't just want to make sure we left with the truck we wanted, but he also wanted to be sure we left with the deal we wanted. I left feeling good and like I had a friend in the car business.

I will recommend that my friends and business associates speak to him about any new cars or trucks they are considering. I never would have considered buying a Nissan Commercial vehicle, and now we have our second one!

- **Business License**
- **Copies of DBA or assumed name document**
- **Articles of Incorporation**
- **Sales Tax License**
- **State or Federal forms showing a Federal Identification Number**
- **Nissan FAN code**
- **Verifiable D & B listing**
- **Municipal Business License**
- **State or Federal authorized business website** (must have a .gov web address)
- **State Occupational License for Trade** (for example Plumber, Electrician, Contractor)

Nissan NV Commercial Vehicle Features:

- **Doors that go farther** - The NV rear doors stay securely out of the way, swinging 243 degrees for an extra-wide, forklift-friendly opening. Specially designed magnets on the doors and sidewalls ensure secure holds, preventing the wind from slamming open doors shut.
- **Connected and powered-up** - The NV has available hands-free Bluetooth® GPS and in-cabin 12V and 110V power outlet options. Available Bluetooth® Hands-free Phone System and available touch screen navigation. The NV lineup keeps devices charged with a 12V car outlet in the cabin and an available 110V outlet in the center console and cargo area.
- **Higher headroom** - The available "high-roof" NV model provides 6'2" of interior headroom and can accommodate taller delivery items or shipping containers.
- **Cargo capacity** - The NV Standard Roof offers 220+ cubic feet of cargo space, while the High Roof boasts more than 300 cubic feet of cargo space. With more than 52" between wheel wells and its long cargo space, the van can easily load 10-foot piping, two 40"X48" pallets or 4'X8' dry wall sheets flat.
- **Squared-off walls** - Shelves and drawers fit tight to maximize walk-through storage area. NV offers multiple integrated reinforced mounting points for shelving that eliminates the need for drilling into sheet metal.
- **Seat durability** - A protective patch on the seat covers prevents deterioration and special liquid-resistant material stands up to mobile meal mishaps.
