

# 2011 Land Cruiser

Land Cruiser shown in Magnetic Gray Metallic with available Upgrade Package.

Land Cruiser interior shown in Sand Beige with available Upgrade Package.

Since 1951, Land Cruiser has taken people to the ends of the earth and back. Today, the 4WD Land Cruiser combines legendary off-road prowess and a powerful 5.7L V8 with an 8-passenger interior of unparalleled refinement. When you think about it, luxury and rugged capability are a perfect combination. After all, you can take the man out of civilization, but you can't take the civilization out of the man. The 2011 Toyota Land Cruiser. **Moving Forward.**

#### TOP STANDARD AND AVAILABLE FEATURES

Leather in Dark Gray

Leather in Sand Beige

## How many colors does it come in?

Land Cruiser is available in eight exterior colors and two interior colors. But remember, this is one of the world's most legendary off-road vehicles. Which means Land Cruiser also offers a nice dust color, if that's what you're looking for.

### STAR SAFETY SYSTEM™

The 2011 Land Cruiser comes standard with the Toyota Star Safety System.™ This integration of safety features serves the fundamental aim of helping to assist drivers to avoid accidents in the first place. It includes Vehicle Stability Control (VSC);<sup>1</sup> Active Traction Control (A-TRAC), Multi-terrain 4-wheel Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)<sup>2</sup> and Smart Stop Technology (SST)<sup>3</sup>

### SAFETY CONNECT®<sup>4</sup>

Via Toyota's 24/7 call center, available Safety Connect® offers subscribers such helpful features as Automatic Collision Notification, Stolen Vehicle Location, Emergency Assistance Button (SOS) and Roadside Assistance. Safety Connect® offers the reliability of embedded cellular and GPS technology.

1. See footnote 17 in Disclaimers section. 2. See footnote 18 in Disclaimers section. 3. See footnote 19 in Disclaimers section. 4. See footnote 15 in Disclaimers section.

# Features<sup>1</sup>

## EXTERIOR

Aerodynamic multi-reflector halogen headlamps with auto on/off feature	S	18-in. 5-spoke high-gloss alloy wheels with P285/60R18 tires	S
Headlamp cleaners	P	Variable intermittent front and intermittent rear wipers	S
Integrated fog lamps	S	Rain-sensing variable intermittent windshield wipers	P
Color-keyed power auto-dimming, heated outside mirrors with power folding, reverse tilt-down and memory features	S	Windshield wiper de-icer	S
Full-time 4WD system with Active Traction Control (A-TRAC) and Torsen <sup>®2</sup> limited-slip center differential with locking feature	S	Privacy glass on rear side, quarter and liftgate windows	S
Kinetic Dynamic Suspension System (KDSS)	S	Color-keyed rear spoiler	O/P
Crawl Control (CRAWL) <sup>3</sup>	S	Roof rack	S
Hill Start Assist Control (HAC) <sup>4</sup>	S	Running boards	S
Power tilt/slide moonroof with sunshade and one-touch open/close with jam protection	S	Front and rear heavy-duty mudguards	S
		Front and rear frame-mounted tow hooks	S

## INTERIOR

Four-zone automatic front and rear climate control with micro dust and pollen air filter and separate second-row control panels	S	Leather-trimmed steering wheel with wood-grain-style trim inserts and audio, Multi-Information Display and <i>Bluetooth</i> <sup>®8</sup> hands-free phone and voice-activated navigation controls <sup>9</sup>	P
JBL Synthesis <sup>®</sup> AM/FM 6-disc CD changer with MP3/WMA playback capability, 14 speakers including subwoofer, XM <sup>®</sup> Radio <sup>5</sup> (includes 90-day trial subscription), auxiliary audio jack, USB <sup>®</sup> port with iPod <sup>®7</sup> connectivity, hands-free phone capability and music streaming via <i>Bluetooth</i> <sup>®8</sup> wireless technology	S	Optitron instrumentation with speedometer, tachometer, digital odometer, fuel gauge, engine oil pressure gauge, coolant temperature gauge, voltmeter, airbag, seatbelt, low fuel level, door-ajar, Tire Pressure Monitor System (TPMS) <sup>12</sup> and rear liftgate warning lights	S
Voice-activated touch-screen DVD navigation system <sup>9</sup> with integrated backup camera, <sup>10</sup> JBL Synthesis <sup>®</sup> AM/FM 6-disc CD/DVD changer with MP3/WMA playback capability, 14 speakers including subwoofer, XM <sup>®</sup> Radio <sup>5</sup> with XM NavTraffic <sup>®9</sup> (includes 90-day trial subscriptions), auxiliary audio jack, USB <sup>®</sup> port with iPod <sup>®7</sup> connectivity, hands-free phone capability and music streaming via <i>Bluetooth</i> <sup>®8</sup> wireless technology	O/P	Leather-trimmed shift lever with painted inlay	S
Multi-Information Display with odometer, tripmeter, shift position, current and average fuel consumption, fuel range functions, average speed, parking assist sonar and driving support functions including maintenance information	S	Leather-trimmed shift lever with wood-grain-style inlay	P
Rear-seat DVD entertainment system with 9-in. display and two wireless headphones <sup>11</sup>	P	Smart Key System <sup>13</sup> with Push Button Start and remote illuminated entry	S
8-passenger leather-trimmed seats, 10-way power-adjustable driver's seat with driver memory function, power lumbar support and armrest; 8-way power-adjustable front passenger seat with power lumbar support and armrest	S	Power windows with one-touch auto up/down with jam protection (all doors)	S
Multi-stage heated front seats	S	Power door locks with shift-linked automatic lock/unlock feature	S
Multi-stage heated second-row seat	P	Auto-dimming rearview mirror	S
40/20/40 split sliding, reclining, folding and tumble second-row seat with center armrest	S	Overhead console with driver and front passenger maplamps, sunglasses holder, moonroof functions, HomeLink <sup>®14</sup> universal transceiver and Safety Connect <sup>®15</sup> controls	S
Foldaway 50/50 split fold-down third-row seat	S	Center-console storage area	S
Cruise control	S	Center-console cooler box <sup>16</sup>	P
Leather-trimmed, power tilt/telescopic steering wheel with audio, Multi-Information Display and <i>Bluetooth</i> <sup>®8</sup> hands-free phone controls	S	Two center-console area 12V auxiliary power outlets and one rear cargo area 115V AC power outlet	S
		12 cup and bottle holders	S
		Front and rear door and front seatback storage pockets	S
		Second-row maplamps	S
		Dual extendable sun visors with illuminated vanity mirrors and secondary visors	S

## SAFETY AND CONVENIENCE

 Star Safety System <sup>™</sup> — includes Vehicle Stability Control (VSC) <sup>17</sup> Active Traction Control (A-TRAC), Multi-terrain 4-wheel Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA) <sup>18</sup> and Smart Stop Technology (SST) <sup>19</sup>	S	Child-protector rear door locks and power window lockout	S
Driver and front passenger Advanced Airbag System <sup>20</sup>	S	Highly rigid body structure with side-impact door beams	S
Driver and front passenger seat-mounted side airbags, second-row outboard seat-mounted side airbags and all-row Roll-Sensing side Curtain Airbags (RSCA) <sup>20</sup> with cutoff switch	S	Energy-absorbing soft upper trim	S
Driver and front passenger knee airbags <sup>20</sup>	S	Tire Pressure Monitor System (TPMS) <sup>12</sup>	S
Driver and front passenger active headrests <sup>21</sup>	S	Daytime Running Lights (DRL) with on/off feature	S
Driver and front passenger Active Seatbelt Pretensioning System with force limiters	S	Safety Connect <sup>®15</sup> — includes Emergency Assistance, Stolen Vehicle Locator, Roadside Assistance and Automatic Collision Notification. Available by subscription. Complimentary 1-year trial subscription.	S
Driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger belts	S	Front and rear parking assist sonar	S
Adjustable front- and second-row outboard seatbelt anchors	S	Anti-theft system with engine immobilizer <sup>22</sup>	S
LATCH (Lower Anchors and Tethers for CHildren) includes lower anchors on outboard second-row seats and tether anchors on all second-row seats	S		

S = Standard    O = Optional    P = Feature is available as part of an option package.

See numbered footnotes in Disclaimers section.

## PACKAGES AND OPTIONS

**Upgrade Package:** All the features of the navigation system plus rear-seat DVD entertainment system with 9-in. display and two wireless headphones,<sup>11</sup> color-keyed rear spoiler, rain-sensing variable intermittent windshield wipers, center-console cooler box,<sup>16</sup> headlamp cleaners, leather-trimmed steering wheel with wood-grain-style trim inserts and audio, Multi-Information Display, voice and *Bluetooth*<sup>®</sup> hands-free phone controls, leather-trimmed shift lever with wood-grain-style inlay and multi-stage heated second-row seat

O

Color-keyed rear spoiler

O/P

Voice-activated touch-screen DVD navigation system<sup>9</sup> with integrated backup camera,<sup>10</sup> JBL Synthesis<sup>®</sup> AM/FM 6-disc CD/DVD changer with MP3/WMA playback capability,<sup>14</sup> speakers including subwoofer, XM<sup>®</sup> Radio<sup>5</sup> with XM NavTraffic<sup>®</sup> (includes 90-day trial subscriptions), auxiliary audio jack, USB<sup>®</sup> port with iPod<sup>®</sup> connectivity, hands-free phone capability and music streaming via Bluetooth<sup>®</sup> wireless technology

O/P

S = Standard    O = Optional    P = Feature is available as part of an option package.

## Specifications

### MECHANICAL AND PERFORMANCE

Engine: 5.7-Liter DOHC 32-Valve V8 with Dual Independent Variable Valve Timing with intelligence (VVT-i); 381 hp @ 5600 rpm; 401 lb.-ft. @ 3600 rpm

Emission rating: Ultra Low Emission Vehicle II (ULEV-II)

Ignition: Electronic, with Toyota Direct Ignition (TDI)

Transmission: 6-speed Electronically Controlled automatic Transmission with intelligence (ECT-i); sequential shift mode and uphill/downhill shift logic

Drivetrain: Full-time 4WD system with Active Traction Control (A-TRAC) and Torsen<sup>®</sup> limited-slip center differential with locking feature

Body construction: Unitized steel body on 10-member high-tensile steel ladder frame

Suspension: Independent double-wishbone front suspension with coil springs and stabilizer bar; 4-link rear suspension with coil springs, stabilizer bar and semi-floating axle

Steering: Engine speed-sensing power-assisted rack-and-pinion

Turning circle diameter, curb to curb (ft.): 38.7

Brakes: Power-assisted 4-piston front/2-piston rear ventilated disc brakes with hydraulic brake booster with Multi-terrain 4-wheel Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD) and Brake Assist (BA)<sup>18</sup>; ABS operates in high and low ranges

### EXTERIOR DIMENSIONS (in.)

Overall height: 74.0

Overall width: 77.6

Overall length: 194.9

Wheelbase: 112.2

Track (front/rear): 64.6/64.4

### INTERIOR DIMENSIONS front/second-row/third-row seats (in.)

Head room: 38.3/38.9/35.8

Shoulder room: 61.0/61.1/62.3

Hip room: 59.4/58.6/56.6

Leg room: 42.9/34.4/28.3

Seating capacity: 8

### OFF-HIGHWAY

Skid plates: On front suspension, radiator, fuel tank and transfer case

Angle of approach/departure/breakover (degrees): 30/20/21

Ground clearance (in.): 8.9

Front and rear differential ratio: 3.909

Transfer case ratios — 2-speed (high/low): 1.0:1/2.618:1

### WEIGHTS AND CAPACITIES

Curb weight (lb.): 5765

Gross Vehicle Weight Rating (GVWR) (lb.): 7275

Cargo volume<sup>23</sup> (cu. ft.) behind front/second-row/third-row seats: 81.7/43.0/16.1

Towing capacity (lb.)<sup>24</sup>: 8200

Fuel tank (gal.): 24.6

### TIRES

Size: P285/60R18

Type: Mud-and-Snow-rated steel-belted radial blackwall

Spare: Full-size on alloy wheel

### MILEAGE ESTIMATES (mpg city/highway)<sup>25</sup>

13/18

See numbered footnotes in Disclaimers section.

# How will I make it mine?

Genuine Toyota accessories are one good way. They're built to the same exacting standards as the Land Cruiser itself. Even if you don't customize it, though, odds are it will end up feeling like it's yours. After the first few hundred thousand miles or so. Some accessories may not be available in all regions of the country. See your Toyota dealer for details.

Carpet cargo mat

Body side molding

TRD 22-in. forged 5-spoke alloy wheels

Cargo net

TRD 17-in. forged off-road alloy wheels

All-weather cargo mat  
 Body side moldings  
 Cargo net  
 Cargo tote  
 Carpet cargo mat  
 Carpet floor mats<sup>26</sup>  
 Emergency assistance kit  
 First aid kit  
 Hood protector  
 Paint protection film  
 Remote Engine Starter

Trailer ball and ball mount  
 TRD 17-in. forged off-road alloy wheels  
 TRD 22-in. forged 5-spoke alloy wheels  
 TRD oil cap  
 TRD oil filter  
 TRD performance brake kit  
 Vehicle Intrusion Protection (VIP) — Glass Breakage Sensor (GBS)  
 Wheel locks  
 Wireless headphones<sup>11</sup>

## WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

**Accessories:** For Genuine Toyota accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota accessories purchased after the new vehicle purchase, the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

## TOYOTA CARE

**ToyotaCare**

Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Toyota vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Toyota dealer for details.

## DISCLAIMERS

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 2. Torsen® is a registered trademark of Zexel Torsen, Inc. 3. The Toyota Land Cruiser is designed to meet most off-road driving requirements, but off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. 4. Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 5. XM services require a subscription after 90-day trial period. Subscriptions governed by XM Customer Agreement available at [xmradio.com](http://xmradio.com). **If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 6. May not be compatible with all MP3/WMA players and like models. 7. iPod® is a registered trademark of Apple, Inc. All rights reserved. 8. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on [toyota.com](http://toyota.com) have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. 9. Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. 10. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 11. Headphones are for passenger use only. Do not use while operating vehicle. 12. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. 13. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 14. HomeLink® is a registered trademark of Johnson Controls, Inc. 15. Available on select 2011 Toyota models. Contact with the Safety Connect® response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency service support. Enrollment and Telematics Subscription Service Agreement required. One-year trial subscription available only with new vehicle purchase of Safety Connect®-equipped vehicles. Additional subscription terms available; charges vary by subscription term selected. 16. The cooler box replaces the center-console storage box on vehicles so equipped. 17. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 18. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 19. Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. 20. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 21. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 22. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or Smart Key fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or Smart Key fob, it can be costly to replace. If you lose a key or Smart Key fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting [www.alo.org](http://www.alo.org) 23. Cargo and load capacity limited by weight and distribution. 24. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with new SAE J2807 method. 25. 2011 EPA-estimated mileage. Actual mileage will vary. 26. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat.

Toyota Land Cruiser is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
