

Prepaid Maintenance

Anticipate your needs
and your budget
with smart, affordable
preventive care

Take care of your car and your wallet

So you finally found the car you love, and you want to make sure it stays in top condition. But you know that getting **proper car care isn't always easy**. Finding the service you trust **can be a challenge on the go**. And the cost of routine **maintenance is always rising**.

Drive Guard Prepaid Maintenance can help. It's smart, affordable preventive care. We make your service choice simple. And, by prepaying up front, you lock in current routine maintenance prices.

Plus, a thorough multipoint inspection helps catch little problems before they become expensive ones. It's the convenient, cost-effective way to satisfy many of your warranty requirements. And it keeps your car reliable for the long haul.

Protect yourself from rising maintenance costs

Lock in future routine care at today's rates and enjoy the added convenience of including maintenance costs in your vehicle financing.

Catch issues before they become a problem

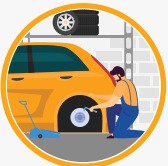

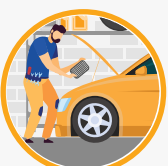

Help keep your car performing at its best. Our included multipoint inspection may help prevent expensive repairs later.

Help maintain your resale value

Because a well-maintained car can be worth more when you trade in, sell, or upgrade, we maintain complete records of services performed. And any unused services can be transferred over to the next owner.

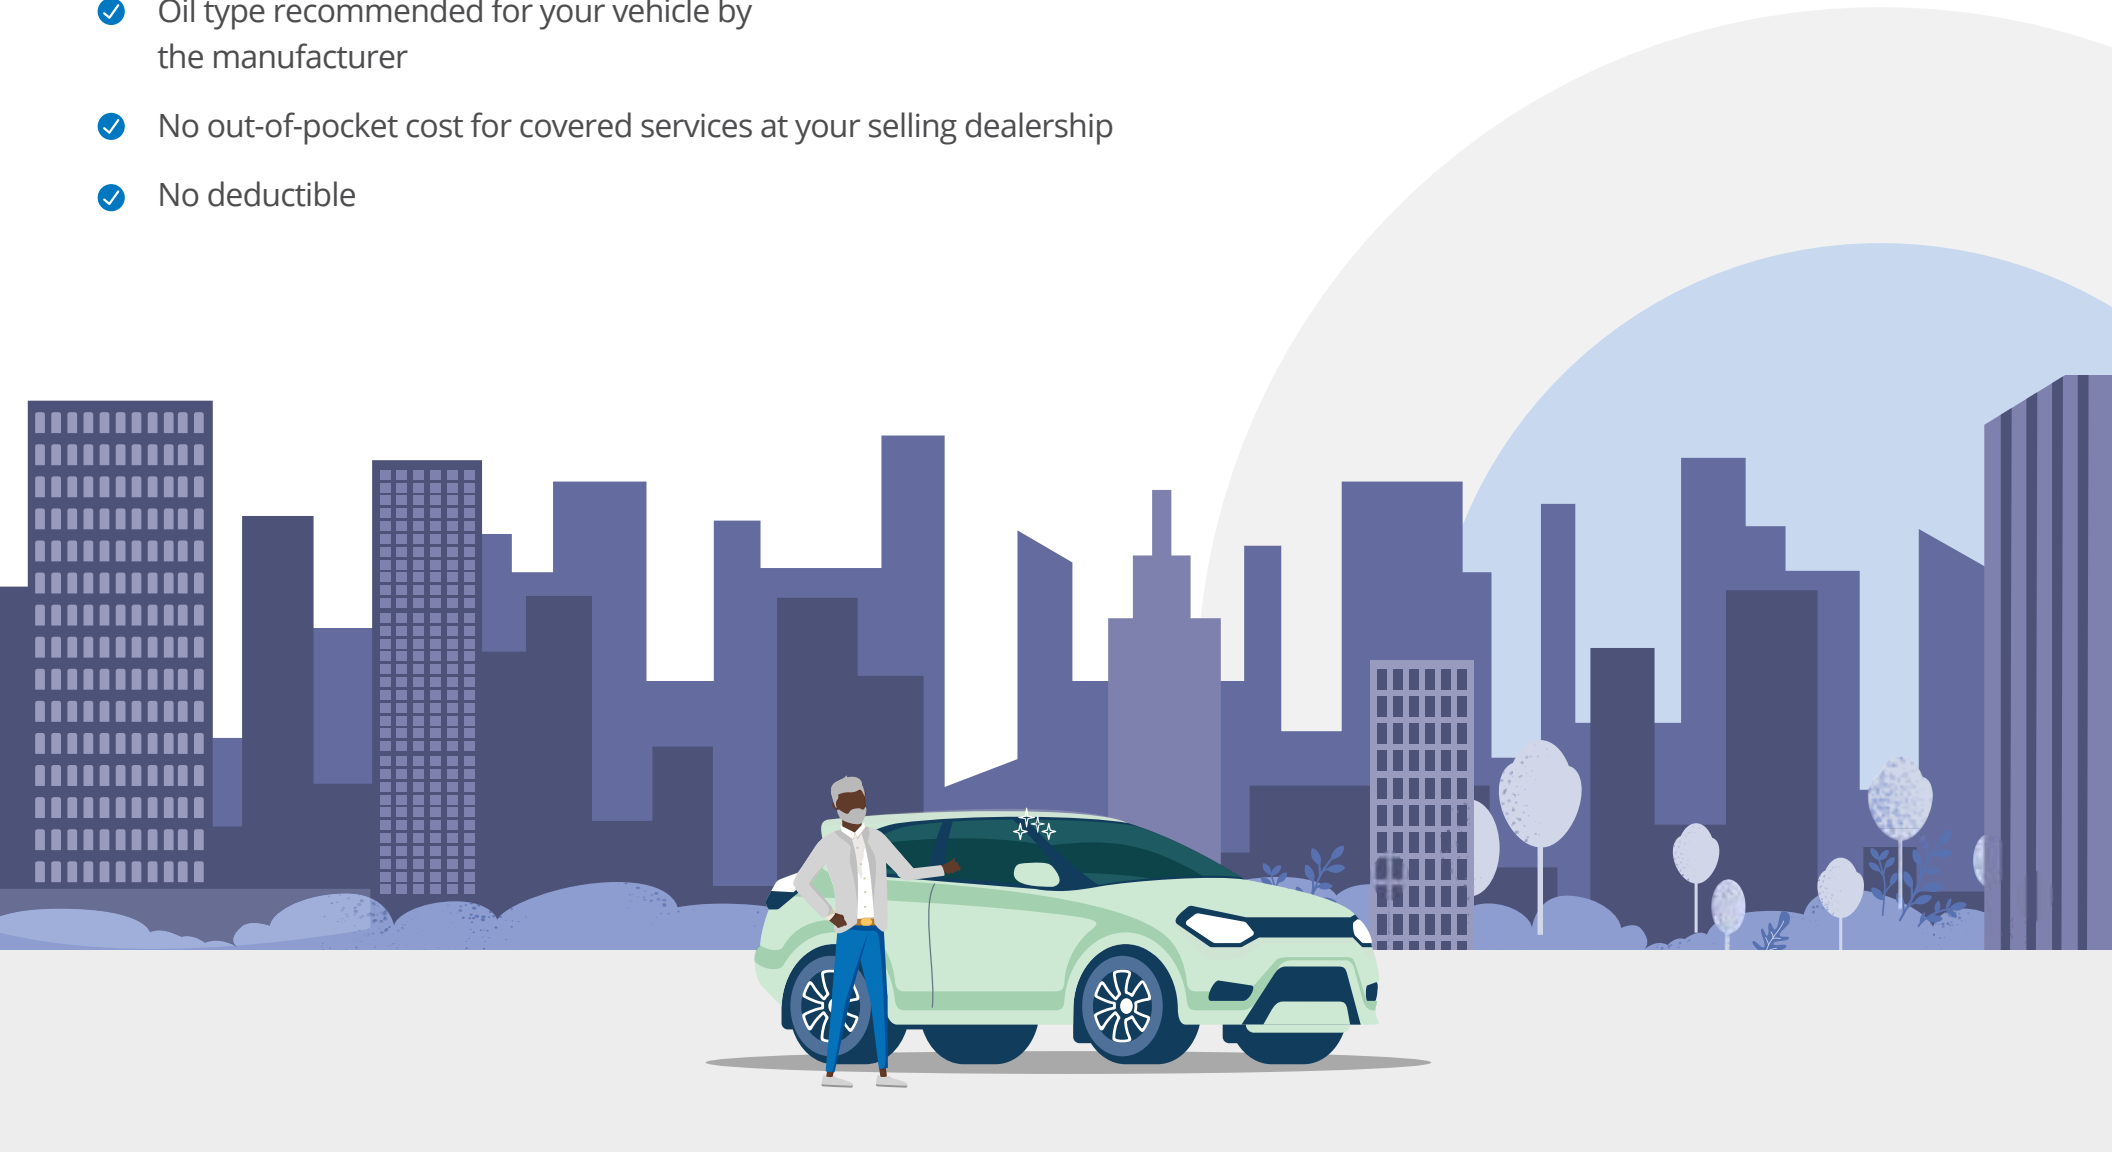

Drive with confidence

Prepaid Maintenance takes the hassle out of shopping for routine service. And you can choose from three flexible coverage options.
