DARE GREATLY

# AN EXCLAMATION ON REINVENTION

Reimagined. Reinvigorated. Refined.  
The CT6 is the prestige sedan reinvented.  
Performance, innovation and craftsmanship  
have been pushed to their furthest, with a  
passion that need not shout what greatness  
it has accomplished. But, instead, simply and  
confidently enjoys it.

The 2017 Cadillac CT6.

CT6 Premium Luxury in Crystal White Tricoat. Shown with available equipment.

| P E R F O R M A N C E

# TRAVEL THE ROAD FROM A POSITION OF AUTHORITY

The CT6 is equipped with an array of performance features that assure the road is firmly under your command. Engine options offer horsepower and torque in abundance. And a lightweight, bespoke vehicle architecture paired with advanced handling technologies deliver remarkable comfort and responsive driving dynamics.

**OFFERED FEATURES:** 2.0L I-4 TURBO ENGINE • 3.6L V6 ENGINE • 3.0L V6 TWIN  
TURBO ENGINE • ACTIVE CHASSIS SYSTEM • FUSION FRAME AND JOINING  
TECHNOLOGY • MAGNETIC RIDE CONTROL • ALL-WHEEL DRIVE

Wield power, wisely

The CT6 offers a choice of three remarkable powerplants. The standard 2.0L I-4 Turbo RWD offers an impactful 265 hp. An available 3.6L V6 AWD engine is the industry's only V6 engine that combines 335 hp of performance with cylinder deactivation efficiency. Making it powerful and shrewdly efficient. While the available 3.0L V6 Twin Turbo delivers 404 hp and 400 lb-ft of torque for instant acceleration and response.

Absolutely agile

An available Active Chassis System monitors each wheel independently, adjusting vertical suspension damping within milliseconds. The system includes active-on-demand All-Wheel Drive, Magnetic Ride Control and Active Rear Steering for complete maneuverability and high-speed stability.

Reframing performance

An innovative lightweight vehicle architecture is at the core of agile handling performance. Its innovative fusion technologies combine 13 high-pressure aluminum castings and high-strength steel into a single, remarkably rigid frame for impressive acoustics and precise handling.

Read the road 1000 times a second

Cadillac's Magnetic Ride Control automatically adjusts the suspension to road quality and weather conditions. And it reads the road up to 1000 times a second to react accordingly. The result is a smooth, responsive drive.

Poor weather, superior handling

Available All-Wheel Drive delivers enhanced control when it comes to acceleration and taking turns, especially under wet conditions.

| TECHNOLOGY

# A MOST ELEGANT LEAP FORWARD

The CT6 offers leading-edge technologies designed to help with everything from the mastery of information and communications to making the most of your digital devices. Whatever their function, all share seamless designs and intuitive interfaces that keep you moving forward.

**OFFERED FEATURES:** CADILLAC CUE® AND PHONE INTEGRATION • REAR CAMERA MIRROR • WIRELESS CHARGING • REAR SEAT INFOTAINMENT SYSTEM • ONSTAR 4G LTE AND BUILT-IN WI-FI® HOTSPOT • TOUCHPAD

Stay connected or entertained

Available OnStar 4G LTE and built-in Wi-Fi hotspot<sup>1</sup> allows you to connect up to seven devices at the same time, up to 50 feet away, so you can check email while your passengers watch their favorite entertainment.

Your phone, even smarter

Cadillac CUE Phone Integration with Apple CarPlay™<sup>2</sup> compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen, shown below. You can also access Siri,® so features are easily accessible to you or your front-seat passenger.

Phone Integration also offers Android™ Auto<sup>2</sup> compatibility.

More than at your fingertips

Cadillac CUE puts a suite of information and entertainment offerings at your command, including climate, audio and the new Collection to browse and select apps you install.

1. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. 2. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. CarPlay is a trademark of Apple Inc. 3. The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com.

Charging convenience

With Wireless Charging<sup>3</sup> and phone charging case, you can power up your compatible phone anytime the vehicle is running.

A brilliant look back

An available Rear Camera Mirror streams HD video through the rearview mirror. This less obstructed view offers significantly more vision than an ordinary mirror, but can revert to a traditional mirror with just a toggle.

Entertained regardless of where you're sitting

The available Rear Seat Infotainment system features articulating 10"-diagonal HD screens with Blu-ray™ playback and connectivity for your personal devices including an HDMI port. The screen also tilts for easy viewing and will remember that preferred position.

A touch of powerful design

In addition to its touchscreen, the Cadillac CUE system's many functions can be accessed through a laptop-like touchpad, seamlessly integrated into the center console.

CT6 Platinum in Stellar Black Metallic. Shown with available equipment.

| EXTERIOR

ELEGANCE,  
STRENGTH AND  
STYLE. A STANCE  
HAS BEEN TAKEN.

From its bold-faced grille to its sleek, integrated rear spoiler, the look is hard to resist and impossible to mistake. This is the Cadillac CT6. Aluminum, chrome and signature lights; lines, curves and sweeping planes seamlessly mesh to create an understated, yet riveting pleasure.

**OFFERED FEATURES:** INDIRECT FIRE LED LIGHTS • BODY DESIGN •  
CONCIERGE LIGHTING

### Illuminating the way forward

Signature vertical lights are more than bold frames for beautiful design. They employ advanced Indirect Fire LED-powered, multi-functional headlamps. Both streamlined and brighter than conventional or competing LED technology, these lights are a key facet of the vehicle's sweeping silhouette.

### Design is a matter of balance

By pushing the wheels to the four corners of the vehicle, Cadillac's design and engineering teams have created more interior space, along with a wide, low stance. This supremely balanced structure delivers superior control and driving dynamics.

### An enchanting welcome

Approach after dark and your passive entry key fob automatically activates lights in the head- and taillamps, outside mirrors and door handles with available Concierge Lighting. This inviting beacon improves visibility and sense of security.

| INTERIOR

## A TESTAMENT TO THE POWER OF CRAFT AND TASTE

The CT6 interior is redolent of an unmatched attention to detail. From the choice of materials, to the care with which they're fitted, to the comforts they frame, Cadillac designers have embraced a level of craftsmanship that could be said to come from another time, but that is absolutely right for now.

**OFFERED FEATURES:** EXQUISITE MATERIALS AND CRAFTSMANSHIP • QUIET INTERIOR ACOUSTICS • BOSE® PANARAY® SOUND SYSTEM • EXTENDED COMFORT SEATS

Style and substance

Each of the seven different curated interior themes are carefully selected to feature rich leathers, exotic wood trims and Galvano chrome accents. These options are all fit and tailored to fully appreciate an enhanced interior. And in addition to beauty, these elements are engineered for longevity.

The science of silence

Of the many innovations that make the interior quiet, none is more important than an advanced body structure — a frame constructed using revolutionary alloys and fusion techniques.

Sound worthy of its venue

The available Bose Panaray sound system was designed specifically for the CT6, making the most of its innovative technologies and 34 strategically placed speakers. A first for Cadillac, this meshing of vehicle and audio design delivers an exceptional listening experience.

Pleased to be seated

Available extended comfort seats are crafted from premium materials. Unique seat contours support passengers, while generous rear leg room gives everyone ample space to relax for hours.

| SAFETY

## IN ANY JOURNEY, CONFIDENCE IS KEY

The CT6 is equipped with an array of sophisticated safety technologies. Some pierce the dark. Others look down the road. While some are automatic, others enable you, but all are designed to help reassure you every day. Every drive.

**OFFERED FEATURES:** ENHANCED NIGHT VISION • FRONT PEDESTRIAN BRAKING • FORWARD COLLISION ALERT • SURROUND VISION • REAR CROSS TRAFFIC ALERT • LANE KEEP ASSIST WITH LANE DEPARTURE WARNING • SIDE BLIND ZONE ALERT • FRONT AND REAR AUTOMATIC BRAKING • INTELLIBEAM HEADLAMPS • ADAPTIVE CRUISE CONTROL • SAFETY ALERT SEAT

# Surrounded by safety innovation

FRONT

Experience fewer surprises in the dark

Using thermal technology, available Enhanced Night Vision shows people and large animals ahead.

Help keep an eye on pedestrians

Front Pedestrian Braking, available as part of the Driver Awareness and Convenience package, uses a camera to scan the road ahead. If a pedestrian is detected, the system alerts the driver and, if necessary, applies the brakes to help avoid or reduce the severity of a collision.

An intelligent wiper

Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain’s intensity. Whenever wipers are activated, Auto-Dry brakes automatically positions the brake pads closer to the rotors to sweep away moisture and improve performance.

Truly forward thinking

Forward Collision Alert monitors traffic ahead, alerting you if a potential collision is imminent, while Following Distance Indicator shows the following time to the vehicle ahead (in seconds) in the Driver Information Center (DIC).

REAR

Be alerted even in reverse

When backing out of a parking space, Rear Cross Traffic Alert warns of oncoming traffic to either side of your vehicle.

See what lies ahead

Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac CUE screen. Guiding lines on the image plot out your intended trajectory, helping you to see people and objects that might be in your path.

SIDE

Travel the straight and smart

Using monitors to sense lane boundaries, Lane Keep Assist gently turns the steering wheel if the system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. Working in conjunction with the Safety Alert Seat, Lane Departure Warning sends a visual alert in the cluster and a warning pulse through the seat cushion.

All clear

Side Blind Zone Alert monitors your blind spots, so if a vehicle is in the adjacent lane, and you’ve activated your turn signal, an icon on the side mirror illuminates to alert you. Lane Change Alert surveys the area well beyond the side blind zone, and flashes the side mirror warning icon to alert you of a rapidly approaching vehicle.

INSIDE

Gain precious time

Up to certain speeds, available Front and Rear Automatic Braking can sense imminent front and rear collisions and automatically engage the brakes, if you have not already done so, helping to reduce the severity of the collision. The system may even help avoid a collision at very low speeds.

Maintain an intelligent space

Adaptive Cruise Control employs front-radar technology to maintain a selected distance between you and the vehicle ahead.

Grabs your attention. Subtly.

Cadillac’s patented Safety Alert Seat sends a discreet pulse to the left, right or both sides of the driver’s seat, indicating the direction of the threat — left, right or front.

A higher look at what surrounds

Available Surround Vision provides a bird’s-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected on the Cadillac CUE screen, helps increase your awareness when parking or in Reverse.

Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for important feature limitations and information.

| P L A T I N U M

# THE EPITOME OF PRESTIGE

It is called Platinum for many reasons. From the distinguished front grille to the sleek and long exterior lines, no detail has been overlooked. An exclusive 20" Platinum wheel design grounds a low, brilliantly lit rear. Inside, curated aesthetics, modern comforts and savvy controls result in an entirely new experience. Everything has been leading up to this.

**OFFERED FEATURES EXCLUSIVELY PLATINUM:** 20" PLATINUM WHEELS •  
ARTICULATING REAR SEATS WITH MASSAGE • QUADZONE CLIMATE CONTROL  
SYSTEM WITH IONIZING AIR PURIFICATION • EXTENDED COMFORT FRONT  
BUCKET SEATS WITH 20-WAY ADJUSTMENTS

2nd-row seats, second to none

The Articulating Rear Seats, standard with Platinum, feature unmatched seat travel and tilting cushions, as well as massage, heat and ventilation functions and a variety of armrest media controls, such as 2 USB ports<sup>1</sup> and an HDMI port.

<sup>1</sup>. Not compatible with all devices.

Microclimates, large advantage

The available Quadzone Climate System divides the interior into four sections, allowing each passenger to tailor their individual temperature and airflow. Available Air Ionization keeps exterior dust and odors out of the cabin.

These seats stand alone

Exclusive with Platinum, 20-way adjustable front seats, both heated and ventilated, also offer fifteen unique massage settings. In addition, the armrests are equipped with USB ports.

STANDARD FEATURES

2017 CT6 Features

DRIVETRAIN

- 2.0L I4 Turbo** With Direct Injection (DI), Continuous Variable Valve Timing (CVVT), 265 hp and 295 lb-ft of torque with Auto Stop/Start and disengage
- 3.6L V6** DI, CVVT, Active Fuel Management, 335 hp and 284 lb-ft of torque with Auto Stop/Start and disengage (AWD models only)
- Transmission** 8-speed automatic
- All-Wheel Drive** (3.6L only) Two-gear system
- Rear Axle** 3.27 ratio
- Rear-Wheel Drive** (2.0L Turbo only)

CHASSIS AND SUSPENSION

- Brakes**
  - 4-Wheel antilock, 4-wheel disc (2.0L RWD only)
  - 4-Wheel antilock, 4-wheel disc, heavy-duty (3.6L AWD)
- Driving Modes** Tour, Sport and Snow
- Steering** Power-assist, electric-variable
- Suspension** High Arm Multi-Link SLA Front Suspension; 5-Link Independent Rear Suspension

EXTERIOR

- Door Handles** Body-color, illuminating
- Exhaust**
  - Single with bright tip (RWD Models only)
  - Dual with bright tips (AWD Models only)
- Fueling System** Capless
- Galvano Satin Chrome Accents** With monochrome crest side badging
- Glass** Acoustic, laminated, front doors
- Lighting**
  - Ambient lighting on instrument panel and doors
  - LED Indirect Fire high beam/low beam
  - LED light pipe signature
  - Daytime running lamps
  - LED taillamps
- Mirrors** Outside heated power-adjustable, manual-folding, with turn signal indicators
- Spoiler** Rear decklid integrated with LED Center High-Mounted Stop Lamp (CHMSL)
- Wheels** (see page 43 for more details)
  - 18" aluminum wheels with Blade Silver painted finish, RWD models
  - 19" multi-spoke aluminum wheels with Sterling Silver premium painted finish, AWD models
- Windshield Wipers** Driver-selectable variable speed

INTERIOR

- Adaptive Remote Start** Activates heated/ventilated seats (if equipped), climate control system and rear defroster
- Armrest** Center front and rear with hidden storage and dual cupholders
- Audio System** Bose® premium audio system, 8-speaker
- Automatic Moisture Detection** And Defogging
- Bluetooth**®¹ For phone/audio, Hands-Free Calling and data-service streaming with Natural Voice Recognition
- Cadillac CUE® (Cadillac User Experience)**² Information and media control system, AM/FM stereo with 10.2"-diagonal color information display, three USB ports,³ auxiliary audio port, Natural Voice Recognition, touchpad with handwriting recognition and Phone Integration with Apple CarPlay™⁴ and Android™ Auto⁴
- Climate Control** Dual-zone automatic
- Console Center** Front with integrated shifter, covered storage and two cupholders
- Console Overhead** Includes OnStar control and reading lamps; also includes Universal Home Remote
- Cruise Control** Electronic, automatic
- Door Locks** Power programmable with lockout protection
- Electronic Parking Brake**
- Floor Mats** Carpeted front and rear, premium
- Glove Box** Electronic push-button opening
- HD Radio**
- Keyless Access** EZ key full Keyless Access offers keyless entry to all doors and trunk
- Keyless Ignition** With Push-Button Start
- Lighting** LED lighting for glove box, front cupholders, overhead console, front and rear door handles, front and rear passenger footwell, map pockets, rear assist handles and cargo area
- Memory Package** Two presets for driver's seat position and outside mirrors, and vehicle exit preset function
- Mirror**
  - Inside rearview auto-dimming
  - Outside heated power-adjustable, manual-folding body-color with integral turn signal indicators
- OnStar Basic Plan**⁵ For 5 years, including select features of the myCadillac mobile app⁶ Advanced Diagnostics⁷ and Dealer Maintenance Notification
- Paddle-Shift Controls** On steering wheel
- Power Outlets**
  - Rear auxiliary, dual USB ports³
  - 2 USB ports in front console
- Rear Vision Camera**
- Seating**
  - 5-passenger
  - Front bucket
  - Rear, fixed seatback includes fold-down center armrest, integrated storage, dual cupholders
  - Driver and front-passenger 14-way adjustable, includes 2-way power lumbar and 4-way manual adjustable head restraints
  - Leather seating surfaces
- SiriusXM Satellite Radio**⁸ With three-month trial
- Steering Column** Power tilt and telescoping
- Steering Wheel** Leather-wrapped rim, with Audio, Driver Information Center (DIC) and cruise controls
- Universal Home Remote** 3-channel
- Visors** Driver and front passenger illuminated vanity mirrors
- Windows** Power, with front and rear express-up/-down; includes rear passenger lockout
- Wireless Charging**⁹ Inductive charging system for portable devices

SAFETY AND SECURITY

- Air Bags**¹⁰ Driver and front-passenger frontal, front-seat thorax and pelvic, rear thorax for outboard seating positions, side-curtain and driver and front-passenger knee; Passenger Sensing System
- Compact Spare** Includes wheel and tire, T135/70R18, blackwall
- Electronic Stability Control System** StabiliTrak®
- LATCH System** (Lower Anchors and Top tethers for CHildren) for child safety seats
- OnStar Guidance Plan**¹¹ For one year, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation and more (trial excludes Hands-Free Calling minutes)
- OnStar 4G LTE** And built-in Wi-Fi® hotspot for up to seven devices¹²; includes data trial for three months or three gigabyte (whichever comes first)
- Rear Park Assist**
- Safety Belts** Lap and shoulder belts for all positions with belt-to-seat mounting and pretensioners for driver and front passenger
- Theft-Deterrent System** Vehicle immobilizer
- Tool Kit** Road emergency
- Traction Control** All-speed with brake and engine intervention

AVAILABLE FEATURES

- Driver Awareness and Convenience Package** Includes Forward Collision Alert, Cadillac CUE Information and Media Control System with Embedded Navigation;¹³ Following Distance Indicator, Lane Keep Assist with Lane Departure Warning, Front Pedestrian Braking, Rear Cross Traffic Alert, Automatic Safety Belt Tightening, heated front seats, Side Blind Zone Alert;¹⁴ Lane Change Alert, IntelliBeam headlamps, outside power-folding, driver-side auto-dimming mirrors, Rainsense Wipers and low speed automatic braking (includes UltraView® Sunroof)
- Engine Block Heater**
- Wheels** 19" aluminum wheels with Sterling Silver painted finish (standard on CT6 3.6L AWD) (see page 43 for more details)

LUXURY

Enjoy 2017 CT6 Features + these enhancements:

- Audio System** Bose Centerpoint® Surround Sound system, 10-speaker
- Automatic Vehicle Hold Braking**
- Concierge Lighting**
- Decklid** Power, hands-free
- Door Handles** Illuminating
- Driver Awareness and Convenience Package** Includes Forward Collision Alert, Cadillac CUE Information and Media Control System with Embedded Navigation;¹³ Following Distance Indicator, Lane Keep Assist with Lane Departure Warning, Front Pedestrian Braking, Rear Cross Traffic Alert, Automatic Safety Belt Tightening, heated front seats, Side Blind Zone Alert;¹⁴ Lane Change Alert, IntelliBeam headlamps, outside heated mirrors, Rainsense Wipers and low speed automatic braking
- Fuel Filler Door** Lock control
- Lighting** Front cornering
- Mirrors** Outside heated power-adjustable, power-folding and driver-side auto-dimming, body-color with integrated turn signal indicators
- Power Outlet** 110V auxiliary, located below center rear seat cushion
- Rear Doors** Laminated acoustic glass
- Seating**
  - Driver and front passenger 16-way adjustable, includes 4-way power pneumatic lumbar and 4-way manual adjustable head restraints
  - Heated driver and front passenger seats
  - Leather seating surfaces
- Sensor** Vehicle inclination, and vehicle interior movement
- Steering Wheel** Heated
- Surround Vision** Bird's-eye view of vehicle
- Wheels** 19" aluminum wheels with Ultrabright machined finish and Pearl Nickel pockets (see page 43 for more details)

AVAILABLE FEATURES

- 3.0L V6 Twin Turbo** DI, CVVT, Active Fuel Management, 404 hp and 400 lb-ft of torque with Auto Stop/Start and disengage and Magnesium Paddle Shifters (AWD models only)
- Active Chassis Package** Includes Magnetic Ride Control, 20" all-season tires and active rear steering
- Air Cleaner** Ionizing (included and only available with Quadzone climate control included in Rear Seat Package)
- Audio System** Bose Panaray® Sound system, 34 speakers (requires UltraView Sunroof)
- Engine Block Heater**
- Enhanced Vision and Comfort Package** Includes Rear Camera Mirror (inside rearview auto-dimming, streaming video), ventilated front seats, heated rear seats and UltraView Sunroof
- Noise Control** Engine sound enhancement (available with Bose Panaray sound system)
- Rear Seat Infotainment and Climate Package** Includes Rear Seat Infotainment with dual 10" HD screens, tilting with Blu-Ray™ capability, Quadzone climate control, dual display, remote control, auxiliary input jack and two wireless dual channel headphones (requires UltraView Sunroof)
- Tires** Summer-only 20" tires¹⁵ Requires Active Chassis Package.
- Wheels** (see page 43 for more details)
  - 19" aluminum wheels with Ultrabright machined finish and Pearl Nickel pockets (standard on 3.6L AWD)
  - 20" aluminum wheels with Ultrabright machined finish and Manoogian silver pockets

PREMIUM LUXURY

Enjoy Luxury Features + these enhancements:

- 3.6L V6** DI, CVVT, Active Fuel Management, 335 hp and 284 lb-ft of torque with Auto Stop/Start and disengage (AWD models only)
- Transmission** 8-speed automatic
- Gauge Cluster** 12" color, includes driver personalization, warning messages and vehicle information
- Head-Up Display** Full-color, configurable
- Rear Camera Mirror** Inside rearview auto-dimming, streaming video
- Surround Vision Recorder**
- UltraView Sunroof**

AVAILABLE FEATURES

- 3.0L V6 Twin Turbo** DI, CVVT, Active Fuel Management, 404 hp and 400 lb-ft of torque with Auto Stop/Start and disengage and Magnesium Paddle Shifters (AWD models only)
- Transmission** 8-speed automatic
- Active Chassis Package** Includes Magnetic Ride Control, 20" all-season tires and active rear steering
- Air Cleaner** Ionizing (included and only available with Rear Seat Package)
- Audio System** Bose Panaray sound system, 34 speakers
- Comfort Package** Includes ventilated front seats and heated rear seats
- Driver Assist Package** Includes Adaptive Cruise Control;¹⁶ Collision Mitigation Braking, Enhanced Night Vision and front and rear Automatic Braking
- Engine Block Heater**
- Noise Control** Engine sound enhancement (Available with Bose Panaray Sound system)
- Rear Seat Infotainment and Climate Package** Includes Rear Seat Infotainment with dual 10" HD screens, tilting with Blu-ray capability, Quadzone climate control, dual display, remote control, auxiliary input jack and two wireless dual channel headphones (requires UltraView Sunroof)
- Tires** Summer-only 20" tires.¹⁵ Requires Active Chassis Package.
- Wheels** 20" aluminum wheels with Ultrabright machined finish and Manoogian silver pockets (see page 43 for more details)

PLATINUM

Enjoy Premium Luxury Features + these enhancements:

- Active Chassis Package** Includes Magnetic Ride Control, 20" all-season tires and active rear steering
- Air Cleaner Ionizing**
- Audio System** Bose Panaray sound system, 34 speakers
- Climate Control** Quadzone automatic, with individual climate control settings for front and rear passengers
- Driver Assist Package** Includes Adaptive Cruise Control;¹⁶ Enhanced Night Vision and front and rear Automatic Braking
- Grille** Unique Platinum
- Noise Control** Engine sound enhancement
- Rear Seat Infotainment and Climate Package** Includes Rear Seat Infotainment with dual 10" HD screens, tilting with Blu-ray capability, Quadzone climate control, dual display, remote control, auxiliary input jack and two wireless dual channel headphones (requires UltraView Sunroof)
- Seating**

  - Extended Comfort Seats with 15 massage settings
  - Ventilated driver and front passenger seat cushions and seatbacks
  - Semi-Aniline full-leather seating surfaces with chevron perforated inserts
  - Rear bench, 40/20/40, 8-way power articulating, two cupholders, ventilation and massage features for outboard seating positions with 5 massage programs at 3 intensities
- Wheels** 20" aluminum with Manoogian Silver premium painted finish and chrome inserts (see page 43 for more details)

AVAILABLE FEATURES

- 3.0L V6 Twin Turbo** DI, CVVT, Active Fuel Management, 404 hp and 400 lb-ft of torque with Auto Stop/Start and disengage and Magnesium Paddle Shifters (AWD models only)
- Engine Block Heater**

**1.** Go to my.cadillac.com to find out which phones are compatible with the vehicle. **2.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **3.** Not compatible with all devices. **4.** Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. **5.** Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. **6.** Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service. **7.** Capabilities vary by model. Visit onstar.com for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address on file and enrollment in Advanced Diagnostics. **8.** If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about TravelLink, visit siriusxm.com/travelink. XM satellite service is available only to those in the 48 contiguous U.S.A. and D.C. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **9.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com. **10.** Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. **11.** Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. **12.** Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. **13.** Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. **14.** Before making a lane change, always check the Side Blind Zone Alert display and the side and inside rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal. **15.** Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to https://my.cadillac.com/learnAbout/cadillactires/ or see your dealer. **16.** Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

OWNER BENEFITS

Our owners deserve it all. That's why 2017 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit: [cadillac.com/CT6ownerbenefits](http://cadillac.com/CT6ownerbenefits)

ONSTAR

With available OnStar,<sup>1</sup> you can get immediate help, outsmart and avoid vehicle theft, reach destinations, stay connected, even manage your vehicle's health. To learn more, visit: [cadillac.com/onstar](http://cadillac.com/onstar)

ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

TIRE SEALANT AND COMPRESSOR KIT

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼-inch or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting [www.helminc.com](http://www.helminc.com).

NEW VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2017 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program<sup>2</sup> and Courtesy Transportation Program<sup>2</sup>

COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

WHEELS

18" MULTI-SPOKE ALUMINUM WITH BLADE SILVER PAINTED FINISH

Standard on CT6 and Luxury RWD models.

19" MULTI-SPOKE ALUMINUM WITH STERLING SILVER PREMIUM PAINTED FINISH

Standard on CT6 AWD models. Available on CT6 RWD models.

**1.** Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. **2.** Roadside Assistance Program and Courtesy Transportation Program are not part of the New Vehicle Limited Warranty. A separate booklet titled, "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.
