CT6

THE PRESTIGE
SEDAN
HAS BEEN
REINVENTED

P R E S T I G E T H A T C O M E S
F R O M W I T H I N

Innovatively engineered and impeccably crafted.

The CT6 is a new era of automotive design. Combining groundbreaking architecture, dynamic power, superior comfort and connectivity, it delivers a driving experience that's in a class of its own.

PART I

THE FEELING

ONLY THOSE WHO DARE
DRIVE THE WORLD FORWARD

T U R N A T H O U G H T S T A R T E R
I N T O A S T A T E M E N T

HEIGHTEN
EACH SENSE

THRIVE FROM
THE CALM WITHIN

CREATE UNDENIABLE CONNECTIONS

FIND FREEDOM IN THE UNEXPLORED

REDEFINE WHAT IT MEANS TO MOVE.
INTRODUCING THE FIRST-EVER CADILLAC CT6.

PART II
THE FEATURES

EXTERIOR

Impossible to ignore. Aluminum has been draped, glass has been molded, chrome accents have been shaped to hold the eye as firmly as the CT6 holds the road. In both instances, the end result is the same: a pleasure for the senses.

DISTINCTIVE STYLING

Beauty and substance. The CT6 boasts a strong, yet lightweight vehicle architecture. Equally as impressive, this advanced frame is wrapped in a bold design featuring a low stance, strong lines, signature vertical light systems and integrated rear spoiler. When combined, these elements create a breathtaking presence.

INDIRECT FIRE LED LIGHTS

Illuminate the road ahead. The CT6 is a breathtaking evolution of Cadillac's signature design aesthetic. The striking vertical light systems frame the hood beautifully, complementing the long, low stance. It utilizes a highly advanced light system, including Indirect Fire LED-powered multi-functional headlamps. In addition to providing superior illumination, this streamlined technology is critical to the sedan's refined silhouette.

BODY DESIGN

Beautifully balanced. Its sculpted body achieves more than simply a striking look. By pushing wheel wells aggressively to the four corners of the vehicle, Cadillac engineers have created more interior space, as well as supremely balanced structure for greater control and driving pleasure.

CONCIERGE LIGHTING

A well-lit welcome. As part of the available Luxury package, when you approach the CT6 after dark, a signal from the passive entry key fob activates lights in the head and taillamps, outside mirrors and door handle accents. The effect is a soft glow that improves visibility and security around the vehicle.

PERFORMANCE

Effortless performance, exceptional agility. Built on entirely new, lightweight vehicle architecture, its advanced chassis marries a highly responsive powertrain and agile suspension. The CT6 is the science of engineering pushed to the highest levels.

ALL-NEW 3.0L V6 TWIN TURBO ENGINE WITH AWD. AVAILABLE 2.0L TURBO I-4 RWD ENGINE AND 3.6L V6 AWD ENGINE.

Power, at your command. The Twin Turbo engine delivers 404 hp and 400 lb-ft of torque for instant acceleration and response. It features an industry-first cylinder deactivation for outstanding efficiency. All three engines are as smart as they are powerful, boasting Auto Stop/Start technology and blissful performance.

ACTIVE CHASSIS SYSTEM

Tame the road. The CT6 available Active Chassis System monitors each wheel independently, adjusting vertical suspension damping every millisecond to maintain a smooth ride. This system, along with responsive and efficient All-Wheel Drive, seamless 4-wheel steering and 3 driving modes delivers unmatched maneuverability and performance.

ALL-NEW PLATFORM WITH FUSION FRAME AND JOINING TECHNOLOGY

Innovation from the ground up. An entirely new, lightweight vehicle architecture is at the core of agile, handling performance. Its innovative fusion technologies combine 13 high-pressure aluminum castings and high-strength steel into a single, remarkably rigid frame for impressive acoustics and precise handling.

AVAILABLE ALL-WHEEL DRIVE

Expert handling. Available All-Wheel Drive delivers both a superior and efficient driving experience. A new two-gear, streamlined design eliminates intrusion into the passenger area while enhancing launch performance and cornering, especially in wet weather.

INTERIOR

Meticulous in detail. Unrivaled as a whole. Reward your senses whether you drive, or are driven. Understated, yet opulent, the interior design is a testament to the seductive power of craftsmanship and details. The CT6 is that rarest of things. A prestige sedan whose prestige comes from within.

BEST-IN-CLASS INTERIOR QUIET

Silently superior. A variety of innovations work together to refine the CT6 cabin. Chief among them is a revolutionary body structure—a single vehicle frame fused from the advanced melding of high-strength steel and aluminum.

EXQUISITE MATERIALS AND CRAFTSMANSHIP

An elevated environment. The CT6 cabin is crafted with the highest quality materials. Each of the seven cut-and-sewn available interior combinations have been carefully curated. Custom stained woods are matched with details like Galvano chrome accents for a rich, yet understated feel. From the moment you get in you know—and feel—that the CT6 is in a class by itself.

EXTENDED COMFORT SEATS

Consummate craft. The refined specialty seats are crafted from premium dual density foam. Unique seat contours support passengers, while generous rear leg room gives everyone ample space to relax for hours.

BOSE® PANARAY® SOUND SYSTEM

Stunning listening in every seat. The CT6 was designed with the available Bose Panaray sound system in mind, making the most of innovative technologies and 34 strategically positioned speakers. A first for not only Cadillac, but the industry, this inspired design delivers a listening experience as exceptional as the vehicle itself.

PLATINUM

Comfort and style considered, then considered again. The Platinum Edition CT6 represents a certain obsession with passenger comfort. From controls that allow for the individual adjustment of seat angle to temperature and lumbar supports to massage features and heating or cooling elements, every seat is, indeed, the best.

ARTICULATING REAR SEATS

First-class rear seats. Even in prestige sedans, it's rare for so much attention to be lavished on rear seats and their occupants. Standard with Platinum, the result is unmatched adjustable seat travel, tilting cushions, massage, heating and cooling functions and robust armrest media controls.

QUADZONE CLIMATE SYSTEM WITH IONIZING AIR PURIFICATION

Tailored temperature. The available Quadzone Climate System allows passengers to personalize their temperature and airflow by dividing the interior into four sections and using a secondary rear climate system. An available air ionization system keeps exterior dust and odors from entering the cabin.

EXTENDED COMFORT SEATS

The idea of a most prestigious seat. Captured. 20-way adjustable front seats, reclining rear seats, cooling and heating elements, plus fifteen unique massage settings are just some of the ways the Platinum Collection gives every passenger complete control of their seating. In addition, armrests equipped with USB¹ and HDMI ports that control screens in the front seatbacks let you watch your favorite content easily.

¹. Not compatible with all devices.

TECHNOLOGY

Control, confidence, contentment. The CT6 boasts a variety of advanced technologies designed to protect and entertain. All are seamlessly integrated for safe and easy use. For example, Wireless Charging¹ powers your compatible phone, while a robust Rear Seat Entertainment (RSE) system engages your passengers.

CADILLAC CUE® AND PHONE INTEGRATION

Real-time information at your fingertips. Cadillac CUE² provides a suite of information and entertainment offerings such as climate, audio and settings control, plus available 3-D GPS navigation.³

Available Phone Integration compatibility with Apple® CarPlay™⁴ (shown right) allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen. You can also access Siri®, so features are easily accessible to you or your front-seat passenger.

Android™ Auto⁴ will also be available soon.

¹. The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com. ². Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. ³. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ⁴. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

TOUCHPAD

Another means of control. In addition to a super-responsive touchscreen, the many entertainment, communications and connectivity features of the Cadillac CUE¹ system can also be accessed through a laptop-like touchpad, seamlessly integrated into the center console.

REAR CAMERA MIRROR

An enhanced view of the world. With just a touch, the driver can stream the view from a rear-mounted camera to the rearview mirror. This less obstructed view offers significantly more vision than an ordinary mirror. And a simple touch instantly reverts it back to a traditional mirror.

WIRELESS SMARTPHONE CHARGING

Cut the cord. With conveniently located Wireless Charging² and phone charging case, you can power-up your compatible phone anytime the vehicle is running.

REAR SEAT INFOTAINMENT SYSTEM

Everyone entertained. The available Rear Seat Infotainment system features articulating 10" diagonal HD with Blu-ray™ playback and connectivity for brought-in devices. The screen tilts for easy viewing and will remember that position until set to a new one.

¹. Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. ². The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com.

S A F E T Y

As safe as it is beautiful. The CT6 offers an array of radar, camera and ultrasonic sensors designed to detect potential hazards. These available features help you avoid collisions and other unsafe situations, so you can enjoy the pleasure of driving with more confidence.

ENHANCED NIGHT VISION

Fewer surprises in the dark. The CT6 comes with an available Night Vision system that uses thermal technology to show people and large animals ahead. This can enhance night driving safety by making you aware of potential hazards.

AVAILABLE SAFETY FEATURES

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's Owner's Manual for more important safety information.

SAFETY

FRONT PEDESTRIAN BRAKING

An extra set of eyes. Front Pedestrian Braking is a new technology, available as part of the Driver Awareness and Convenience Package. The system uses a camera to scan the road ahead. If a pedestrian is detected, a series of indicators and alerts activates and, if necessary, the vehicle can auto-brake to help avoid collisions.

ADAPTIVE CRUISE CONTROL

Keep your distance. Adaptive Cruise Control employs CT6 front radar technology to maintain a selected distance from the vehicle ahead.

FORWARD COLLISION ALERT

Always looking. Forward Collision Alert employs front camera and radar technology to detect and alert the driver to impending danger.

SURROUND VISION

See, without having to look. When in Reverse or on demand in Drive, available Surround Vision provides a bird's-eye view of the vehicle and the areas immediately around it. This view, projected on the Cadillac CUE screen, helps reduce blind spots, increase awareness and assists when maneuvering in and out of tight spots.

LANE KEEP ASSIST WITH
LANE DEPARTURE WARNING

A safe direction. Lane Keep Assist gently turns the steering wheel if you approach a detected lane marking without using a turn signal. With Lane Departure Warning, you're alerted if you drift into another lane without using your turn signal.

STANDARD FEATURES

2016 CT6 Features

DRIVETRAIN

- 2.0L Turbo Direct-Injection** (RWD Models only), VVT 4-Cylinder Engine with 265 hp and 295 lb-ft of torque with Auto Stop/Start and disengage
- 3.6L Direct-Injection** (AWD Models only), VVT 6-Cylinder Engine with 335 hp and 284 lb-ft of torque with Auto Stop/Start and disengage
- Transmission** 8-speed automatic
- All-Wheel Drive** (3.6L only) Two-gear system
- Rear Axle** 3.27 ratio
- Rear-Wheel Drive** (2.0L Turbo only)

CHASSIS AND SUSPENSION

- Brakes** 4-Wheel antilock, 4-wheel disc (2.0L RWD only) 4-Wheel antilock, 4-wheel disc, heavy-duty (3.6L AWD)
- Steering** Power-assist, electric-variable
- Suspension** High Arm Multi-Link SLA Front Suspension; 5-Link Independent Rear Suspension

EXTERIOR

- Door Handles** Body-color
- Exhaust** Single with bright tip (RWD Models only) Dual with bright tips (AWD Models only)
- Fueling System** Capless
- Galvano Satin Chrome Accents** With monochrome crest side badging
- Glass** Acoustic, laminated, front doors
- Lighting** LED Indirect Fire high beam/low beam LED light pipe signature Daytime running lamps LED taillamps
- Mirrors** Outside heated power-adjustable, manual-folding, with turn signal indicators
- Spoiler** Rear decklid integrated with LED Center High-Mounted Stop Lamp (CHMSL)
- Wheels** (see page 49 for more details) 18" aluminum wheels with Blade Silver painted finish, RWD models 19" multi-spoke aluminum wheels with Sterling Silver premium painted finish, AWD models
- Windshield Wipers** Driver-selectable variable speed

INTERIOR

- Adaptive Remote Start** Activates heated/ventilated seats (if equipped), climate control system and rear defroster
- Armrest** Center front and rear with hidden storage and dual cupholders
- Audio System** Bose® premium audio system, 8-speaker
- Automatic Moisture Detection** And Defogging
- Bluetooth**®¹ For phone/audio, Hands-Free Calling and data-service streaming with Natural Voice Recognition
- Cadillac CUE® (Cadillac User Experience)**² Information and media control system, AM/FM stereo with 10.2" diagonal color information display, three USB ports³, auxiliary audio port, Natural Voice Recognition, touchpad with handwriting recognition and Phone Integration capability with Apple® CarPlay™⁴ and, later in the year, Android™ Auto⁴
- Climate Control** Dual-zone automatic
- Console Center** Front with integrated shifter, covered storage and two cupholders
- Console Overhead** Includes OnStar control and reading lamps; also includes Universal Home Remote
- Cruise Control** Electronic, automatic
- Door Locks** Power programmable with lockout protection
- Electronic Parking Brake**
- Floor Mats** Carpeted front and rear, premium
- Glove Box** Electronic push-button opening
- HD Radio**
- Keyless Access** EZ key full Keyless Access offers keyless entry to all doors and trunk
- Keyless Ignition** With Push-Button Start
- Lighting** LED lighting for glove box, front cupholders, overhead console, front and rear door handles, front and rear passenger footwell, map pockets, rear assist handles and cargo area
- Magnesium Paddle-Shift Controls** On steering wheel (only available on 3.0TT models)
- Memory Package** Two presets for driver's seat position and outside mirrors, and vehicle exit preset function
- Mirror** Inside rearview auto-dimming
- Power Outlets** Rear auxiliary, dual USB ports³
- 2** USB ports in front console
- Rear Vision Camera**
- Seating** 5-passenger Front bucket Rear, fixed seatback includes fold-down center armrest, integrated storage, dual cupholders Driver and front-passenger 14-way power adjustments, 2-way power lumbar and 4-way manual adjustable head restraints Leather seating surfaces
- SiriusXM Satellite Radio**® With three-month trial
- Steering Column** Power tilt and telescoping
- Steering Wheel** Leather-wrapped rim, with Audio, Driver Information Center (DIC) and cruise controls
- Universal Home Remote** 3-channel
- Visors** Driver and front passenger illuminated vanity mirrors
- Windows** Power, with front and rear express-up/-down; includes rear passenger lockout
- Wireless Charging**® Inductive charging system for portable devices

SAFETY AND SECURITY

- Air Bags**⁷ Driver and front-passenger frontal, front-seat thorax and pelvic, rear thorax for outboard seating positions, side-curtain and driver and front-passenger knee; Passenger Sensing System
- Compact Spare** Includes wheel and tire, T135/70R18, blackwall
- Electronic Stability Control System** StabiliTrak®
- LATCH System** (Lower Anchors and Top tethers for CHildren) for child safety seats
- OnStar Basic Plan**® For 5 years, including select features of the OnStar RemoteLink mobile app,⁸ Advanced Diagnostics and Dealer Maintenance Notification
- OnStar Guidance Plan**® For one year, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation and more (trial excludes Hands-Free Calling minutes)
- OnStar 4G LTE** And built-in Wi-Fi® hotspot for up to seven devices¹⁰; includes data trial for three months or three gigabyte (whichever comes first)
- Rear Park Assist**
- Safety Belts** Lap and shoulder belts for all positions with belt-to-seat mounting and pretensioners for driver and front passenger
- Theft-Deterrent System** Vehicle immobilizer
- Tool Kit** Road emergency
- Traction Control** All-speed with brake and engine intervention

AVAILABLE FEATURES

- Cadillac CUE with Embedded Navigation**¹¹ Information and media control system, AM/FM stereo with embedded navigation, 10.2" diagonal color information display, three USB ports,³ auxiliary audio port, Natural Voice Recognition and Phone Integration capability with Apple CarPlay⁴ and, later in the year, Android Auto⁴
- Driver Awareness and Convenience Package** Includes Forward Collision Alert, Cadillac CUE Information and Media Control System with Embedded Navigation,¹¹ Following Distance Indicator, Lane Keep Assist with Lane Departure Warning, Front Pedestrian Braking, Rear Cross Traffic Alert, Automatic Safety Belt Tightening, heated front seats, Side Blind Zone Alert!¹² IntelliBeam headlights, outside heated mirrors, Rainsense Wipers and low speed automatic braking (includes UltraView® Sunroof)
- Engine Block Heater**
- Lighting** Ambient Interior Lighting on instrument panel and doors
- Mirrors** Outside heated power-adjustable, power-folding driver-side auto-dimming, body-color with integrated turn signal indicators
- Wheels** 19" aluminum wheels with Sterling Silver painted finish (standard on CT6 3.6L AWD) (see page 49 for more details)

LUXURY

Enjoy 2016 CT6 Features + these enhancements:

- Audio System** Bose Centerpoint® Surround Sound system, 10-speaker
- Automatic Vehicle Hold Braking**
- Concierge Lighting**
- Decklid** Power, hands-free
- Door Handles** Illuminated
- Driver Awareness and Convenience Package** Includes Forward Collision Alert, Cadillac CUE Information and Media Control System with Embedded Navigation,¹¹ Following Distance Indicator, Lane Keep Assist with Lane Departure Warning, front pedestrian detection, Rear Cross Traffic Alert, Automatic Safety Belt Tightening, heated front seats, Side Blind Zone Alert!¹² IntelliBeam headlights, outside heated mirrors, Rainsense Wipers and low speed automatic braking (includes UltraView power Sunroof)
- Following Distance Indicator**
- Forward Collision Alert**
- Fuel Filler Door** Lock control
- Lighting** Front cornering
- Mirrors** Outside heated power-adjustable, power-folding and driver-side auto-dimming, body-color with integrated turn signal indicators
- Pedestrian Detection** Front
- Power Outlet** 110V auxiliary, located below center rear seat cushion
- Rear Cross Traffic Alert**
- Seating** Front bucket, 16-way driver and front passenger, includes 4-way power pneumatic lumbar and 4-way manual adjustable head restraints Rear seat includes fold-down center armrest, integrated storage, dual cupholders and trunk access door Heated driver and front passenger seats Leather seating surfaces
- Sensor** Vehicle inclination, and vehicle interior movement
- Steering Wheel** Heated
- Surround Vision** Bird's-eye view of vehicle
- Wheels** 19" aluminum wheels with Ultrabright machined finish and Pearl Nickel pockets (see page 49 for more details)

AVAILABLE FEATURES

- 3.0L V6 Twin Turbo Direct Injection** VVT 6-Cylinder Engine with 404 hp and 400 lb-ft of torque with Auto Stop/Start and disengage (AWD Models only) with three performance driving modes
- Active Chassis Package** Includes Magnetic Ride Control, 20" all-season tires and active rear steering
- Air Cleaner** Ionizing (included and only available with quad-zone climate control)
- Audio System** Bose Panaray® Sound system, 34 speakers (requires UltraView Sunroof)
- Climate Control** Quad-zone automatic, with individual climate control settings for front and rear passengers
- Engine Block Heater**
- Enhanced Vision and Comfort Package** Includes Rear Camera Mirror (inside rearview auto-dimming, streaming video), ventilated front seats, heated rear seats and UltraView Sunroof
- Magnesium Paddle-Shift Controls** On steering wheel (only available on 3.0TT models)
- Noise Control** Engine sound enhancement (available with Bose Panaray sound system)
- Rear Seat Package** Includes Rear Seat Infotainment with dual 10" HD screens, tilting with Blu-Ray™ capability, quad-zone climate control, dual display, remote control, auxiliary input jack and two wireless dual channel headphones (requires UltraView Sunroof)
- Wheels** 19" aluminum wheels with Ultrabright machined finish and Pearl Nickel pockets (standard on 3.6L AWD) (see page 49 for more details)

PREMIUM LUXURY

Enjoy Luxury Features + these enhancements:

- 3.6L Direct-Injection** (AWD Models only) VVT 6-Cylinder Engine with 335 hp and 284 lb-ft of torque with Auto Stop/Start and disengage
- Transmission** 8-speed automatic
- Gauge Cluster** 12" color, includes driver personalization, warning messages and vehicle information
- Head-Up Display** Full-color, configurable
- Mirror** Inside rearview auto-dimming, streaming video
- Rear Camera Mirror** Inside rearview auto-dimming, streaming video
- UltraView Sunroof**

AVAILABLE FEATURES

- 3.0L V6 Twin Turbo Direct Injection** VVT 6-Cylinder Engine with 404 hp and 400 lb-ft of torque with Auto Stop/Start and disengage (AWD Models only) with three performance driving modes
- Transmission** 8-speed automatic
- Active Chassis Package** Includes Magnetic Ride Control, 20" all-season tires and active rear steering

OWNER BENEFITS

We have created the most comprehensive suite of owner benefits offered by any prestige automotive brand in the world, providing everything our Cadillac owners need and everything they deserve.

PREMIUM CARE MAINTENANCE

The Cadillac Premium Care Maintenance program¹ covers routine oil changes, tire rotations, certain air filter replacements and a thorough multi-point vehicle inspection for 4 years or 50,000 miles.²

WARRANTY PROTECTION

All Cadillac vehicles come with a 6-year or 70,000-mile³ Powertrain Warranty. In addition, our 4-year or 50,000-mile³ bumper-to-bumper limited warranty covers repairs on your entire vehicle, including parts and labor, to correct any concerns in materials or workmanship.

ROADSIDE ASSISTANCE

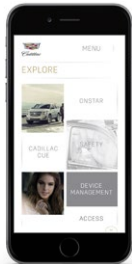

Cadillac offers more years of standard Roadside Assistance than any leading luxury automaker, with services for 6 years or 70,000 miles.³ This 24/7 program provides lockout, towing, refueling, Dealer Technician Roadside services and more.

COURTESY TRANSPORTATION

This program provides alternative transportation and/or reimbursement of certain transportation expenses if your Cadillac requires warranty repairs for 6 years or 70,000 miles.³ That is more years of service standard than any leading luxury automaker.

MY CADILLAC APP⁴

The ingenuity of the CT6 doesn't stop with the vehicle. As a Cadillac owner, an advanced app is available for your new car. From virtually anywhere at any time, a few taps of your finger on your iPhone[®] or Android[™] smartphone let you access features such as parking reminders, Roadside Assistance and more. Plus, in conjunction with the OnStar RemoteLink app, you'll have the ability to remotely start your vehicle (when factory-equipped with remote start) from any place you have cell service and lock and unlock your doors. In addition, you can access key diagnostic information, including fuel tank level and range and remaining oil life.

ONSTAR

Standard for one year, the OnStar Guidance Plan⁵ (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pushing the blue OnStar button in your CT6.

AVAILABLE ONSTAR 4G LTE AND BUILT-IN WI-FI[®] HOTSPOT⁶

Now your CT6 has an available built-in Wi-Fi hotspot, for connecting up to seven tablets, laptops or other devices at 4G LTE speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3 gigabyte data trial (whichever comes first).

ONSTAR BASIC PLAN⁷

With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for five years at no additional cost to you. You'll have access to select services, which include limited features of the OnStar RemoteLink mobile app that lets you remote start your car, pinpoint your vehicle on a map on your smartphone and manage your vehicle's Wi-Fi hotspot. Plus, send a destination to your in-vehicle navigation screen (if equipped) and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by email.

AUTOMATIC CRASH RESPONSE

In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

EMERGENCY SERVICES

One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

CRISIS ASSIST

During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

ROADSIDE ASSISTANCE⁸

If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE⁹

If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from being restarted. And with the new Theft Alarm Notification feature, if your car alarm sounds, you'll receive a notification by text, email or phone call.

TURN-BY-TURN NAVIGATION¹⁰

Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Destinations are quickly downloaded to your car, and a voice calls out every turn. An Advisor can also help you with a database of over 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the OnStar RemoteLink mobile app.

ONSTAR 4G LTE CONNECTION⁵

With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

ONSTAR REMOTELINK MOBILE APP¹¹

You can remotely start your vehicle, locate your vehicle on a map, lock or unlock your doors, honk your horn and flash your lights. You can also send destinations to your vehicle through your smartphone.

REMOTE SERVICES¹²

A simple call to an OnStar Advisor can send a signal to unlock your doors, honk the horn and flash the lights or remote start your vehicle. It's technology hard at work to get you back on the road.

HANDS-FREE CALLING¹³

Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

ATYOURSERVICE¹⁴

OnStar AtYourService is a new way to discover value in the places you go. You get valuable offers for better ways to eat, shop, work and play, through a simple push of the blue OnStar button

ADVANCED DIAGNOSTICS¹⁵

Feel confident and safe knowing you have a self-diagnosing vehicle. Now your vehicle can easily run a check on its key systems and send you a monthly diagnostics report. You'll know more and worry less with Advanced Diagnostics.

DEALER MAINTENANCE NOTIFICATION¹⁵

Is it time for a tire rotation? An oil change? Or a new air filter? You'll always know because your car can email your diagnostics report to the dealer when it's time, and the dealer will contact you to set up a service appointment.

¹. Standard on all 2011 or newer vehicles. ². Whichever comes first. See dealer for select scheduled maintenance details. ³. Whichever comes first. See dealer for limited warranty details. ⁴. Requires iPhone or Android mobile device. ⁵. Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. ⁶. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. ⁷. Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. ⁸. Roadside service provided by Allstate Roadside Services. Visit onstar.com for details and system limitations. Services vary by model and conditions. ⁹. Services vary by model and conditions. Visit onstar.com for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address on file and enrollment in Advanced Diagnostics.

ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting www.helminc.com.

NEW-VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2016 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program¹ and Courtesy Transportation Program¹

COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires — defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion — resulting from stone chips or scratches in the paint, for example — is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.
