

# **VELOSTER** 2016

## NEW THINKING. NEW POSSIBILITIES.

Status quo is nothing more than a starting point for our research and development. Through new thinking we continue to uncover new territories in innovation, engineering and design. A vehicle is no longer simply a means of transportation; it is an extension of you. By questioning and not simply accepting convention, we continue to push the boundaries to provide new possibilities and experiences that go beyond your expectations.

This is the H-Factor.

## DEFY CONVENTION

The 2016 Veloster continues to exceed expectations and redefine one of the most exciting categories in the market. Since winning AJAC's 2012 Best New Design<sup>4</sup> award for dynamic coupe-like style with an innovative third door, it continues to be strikingly different than any other vehicle on the road. And, for 2016, we continue to push the boundries with the limited-production, high-performance, Rally Edition. Stand out for all the right reasons.

# UNMISTAKABLE

The 2016 Veloster was designed to look like nothing else on the road, and that's an understatement. The bold design stems from our Fluidic Sculpture design philosophy to deliver stunning features such as the newly designed hood with an even smoother finish, muscular wheel arches, distinctive rear glass hatch and sporty dual centred chrome exhaust tips. The Turbo and all-new Rally Edition models give you even greater visual impact with their unique wide front grille and bodykit. With an array of vivid colour options and unique 3-door design, you're going to love looking at it as much as you will love driving it.

# REBOOT YOUR DRIVING

The interior is all about connectivity with a standard 7-inch touch-screen multimedia system. Jump in and your smart phone automatically syncs with Bluetooth<sup>®</sup> so you can stream music, download your phonebook and take handsfree calls. Look at your uploaded photos and videos, use it for added assistance while reversing with the available rearview camera and depend on it for directions with the available navigation system.

AVAILABLE BLACK CLOTH WITH LEATHERETTE BOLSTERS AND YELLOW ACCENTS

AVAILABLE SPORT-BOLSTERED LEATHER SEATING SURFACES WITH GREY ACCENTS

AVAILABLE SPORT-BOLSTERED LEATHER SEATING SURFACES WITH BLUE ACCENTS

# EFFICIENCY NEVER LOOKED

The 2016 Veloster was designed to deliver an exciting drive with an impressive level of efficiency. It starts under the hood with the Gamma 1.6L 4-cylinder engine with Gasoline Direct Injection (GDI), paired with an efficient 6-speed manual transmission, or the available 6-speed EcoShift® Dual Clutch Transmission (DCT) with steering wheel-mounted paddle shifters.

## TURBO POWER

For even more power, step up to the Veloster Turbo. The 1.6L Twin-scroll Turbocharged GDI engine, equipped with an all-new, performance tuned 7-speed Dual Clutch Transmission (DCT), delivers 201 horsepower – leaving no doubt the Veloster Turbo is a sports car to its core.

## EXTREME DESIGN MEETS EXTREME PERFORMANCE

The limited-production, high performance Veloster Rally Edition commands attention with an exclusive and unique matte blue finish. The design takes cues from the Veloster Turbo and adds aggressive, lightweight RAYS® 18-inch alloy wheels and blacked-out carbon fiber look aero accents. The sport-enhanced design is matched with a sportier suspension with upgraded shock absorbers, coil springs and stabilizer bar - all tuned for a new level of performance driving. Now, step on the alloy pedals to rev the 201 horsepower turbocharged engine and grab the B&M Racing® shifter to unleash the power.

# DRIVE WITH

The 2016 Veloster is equipped with an uncompromising level of standard safety features, including six airbags<sup>1</sup> and a sophisticated Vehicle Stability Management (VSM) system. The VSM system controls the Electronic Stability Control (ESC), Traction Control System (TCS)<sup>2</sup> and 4-wheel disc, Anti-lock Braking System (ABS), all standard features which help optimize vehicle stability in adverse driving conditions. With all these features and more, you can drive your Veloster with confidence.

# 2016 VELOSTER FEATURES

### **DUAL CENTRE EXHAUST.**

When it comes to the exhaust, performance and style work hand-in-hand to provide a distinctive, signature look. The Veloster features a unique squared, chrome-tipped dual exhaust, while the Veloster Turbo and Rally Edition models distinguish themselves with large, centered and round exhaust ports.

**NEW GAUGE CLUSTER.** 

Exclusive to Veloster Turbo models, the newly styled electroluminescent gauge cluster has been enhanced to deliver a sportier look with red needles and a 6 o'clock needle position.

**PANORAMIC SUNROOF.** Let the sun shine in with the available panoramic sunroof that spans across both front and rear passengers.

### STANDARD ALLOYS.

The Veloster comes standard with restyled 17-inch alloy wheels and available 18-inch 5-spoke alloys with painted inserts, while the Veloster Turbo comes equipped with all-new 18-inch machine finished alloys.

### 7.0" TOUCH-SCREEN MULTIMEDIA SYSTEM.

The standard 7-inch touch-screen multimedia system provides a wealth of information right at your fingertips. Use it to guide through the Gracenote® player or search your phonebook via the standard Bluetooth® hands-free phone system. SE models feature a rearview camera for added convenience when reversing, and the Tech package and Turbo models add the fully integrated navigation system.

### MORE THAN A STEERING WHEEL.

The 2016 Veloster features an available heated steering wheel equipped with standard steering wheel-mounted audio controls and an integrated Bluetooth® hands-free phone system with voice recognition and phonebook transfer. The controls you access most often are right at your fingertips, so you can get the most out of every drive and keep distractions to a minimum.

## 450-WATT DIMENSION® PREMIUM AUDIO SYSTEM.

The available 450-watt Dimension® AM/FM/ SiriusXM<sup>™</sup>/CD/MP3 audio system delivers plenty of power with 8 speakers – including an 8-inch subwoofer. Your audio options include streaming music via Bluetooth®, CDs and personal listening devices like your iPod®.

### TURBO UNIQUE FEATURES.

The Veloster Turbo sets itself apart with a widemouthed grille and bodykit for a low, aggressive stance. Step inside the cabin and you'll notice the wealth of added amenities, including exclusive 'Turbo' stitched leather seats with more aggressive side bolsters. The Turbocharged engine is mated to a 6-speed manual or available, all-new 7-speed DCT and features Driver Selectable Steering Mode (DSSM) for a tailored feel.

You will see that a number of our vehicles have been awarded with multiple awards from the most reputable third party organizations, so you can take their word when it comes to the quality, design and safety of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you the ultimate peace of mind with a 5-year/100,000 km comprehensive limited warranty, one of the best-backed warranties in Canada. We also provide a 5-year/unlimited km Roadside Assistance Program<sup>††</sup> featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

Choice of interior colour depends upon exterior colour and/or model selection. Due to print production process, the colours shown throughout this brochure may vary slightly from the actual hue. Textures may not be exactly as shown. Visit hyundaicanada.com or see your dealer for details.

### **BLOCK HEATER.**

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

### MUD GUARD KIT.

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

Add years to the interior of your Hyundai

with a durable, custom-fit cargo tray.

by protecting it from spills and messy loads

CARGO TRAY.

### PLASTIC HOOD PROTECTOR.

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

### STEEL WHEEL.

Mount your winter tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

### SIDE VISORS.

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

### PREMIUM ALL WEATHER FLOOR LINERS.

Premium all weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

### **REAR BUMPER PROTECTOR.**

Help protect the finish on your bumper from chips and scratches, when loading and unloading the cargo area, with this durable, custom-fit rear bumper protector.

### ACCESSORIES

### VELOSTER SPECIFICATIONS

	RD EQUIPMENT INCLUDES:
1.6L GDI 132 hp, 4-cylinder engine with Dual Continuously Variable Valve Timing (D-CVVT) with engine cover	Front centre console with dual cup holders, fixed armrest and storage compartment
6-speed manual transmission	Heated, power adjustable side mirrors
17" alloy wheels	iPod®/USB/auxiliary connectivity
6-way manually-adjustable driver's seat with adjustable head restraint	Illuminated vanity mirrors with extensions
7.0" high resolution LCD video touch-screen	Manual air conditioning
	Metal paint interior accents
AM/FM/CD/MP3 audio system with 6 speakers	Power door locks and windows with driver's auto-down
Airbags <sup>1</sup> (6): dual front, front seat-mounted side-impact and roof-mounted side curtain	Rear window wiper/washer
Anti-lock Braking System (ABS) with Electronic Brake-force	Remote keyless entry system with alarm
Distribution (EBD)	Steering wheel-mounted telephone and audio controls
Black intake and chrome grille surround	Tilt-and-telescopic steering wheel
Bluetooth® hands-free phone system with voice recognition	Vehicle Stability Management (VSM), Electronic Stability Control (ESC) with Traction Control System (TCS) <sup>2</sup>
Chrome tipped dual centre exhaust outlet	Optional: 6-Speed EcoShift <sup>®</sup> Dual Clutch Transmission
Fog lights	with paddle shifters
VELOSTER SE INCLUDE	S VELOSTER STANDARD EQUIPMENT PLUS:
AM/FM/SiriusXM™/CD/MP3 audio system with 6 speakers	Steering wheel-mounted cruise controls
Driver's window auto-up/down with pinch protection	Rear parking assist system
Heated front seats	Rearview camera
Hood insulator	Optional: 6-speed EcoShift® Dual Clutch Transmission
Proximity keyless entry with push-button ignition	with paddle shifters
VELOSTER WITH TECHNOLOGY PACKAGE INCLUDE	S VELOSTER SE STANDARD EQUIPMENT PLUS:
18" alloy wheels	High gloss black door frame
7.0" touch-screen navigation system	High gloss black instrument fascia
115-volt power outlet	Leather-wrapped steering wheel and gearshift knob
8-way power-adjustable driver's seat with lumbar support	LED side mirror turn signal repeaters
Alloy pedals	LED tail lights
Auto light control	Panoramic sunroof
AM/FM/SiriusXM <sup>TM</sup> /CD/MP3 Dimension® audio system	Projector beam halogen headlights with LED accents
with 8 speakers, External Amplifier and subwoofer	Simulated leather door trim inserts
Cloth insert with leatherette bolsters	Optional: 6-speed EcoShift® Dual Clutch Transmission
Heated steering wheel	with paddle shifters
VELOSTER TURBO INCLUDES VELOSTER W	ITH TECHNOLOGY PACKAGE STANDARD EQUIPMENT PLUS:
1.6L Turbo GDI 201 hp, 4-cylinder engine with Dual Continuously Variable Valve Timing (D-CVVT)	Leather sport bucket seats with 'Turbo' stitching
	Sport-tuned suspension and steering mapping
18" alloys with machine finish Active sound design	Sport-type 'Supervision' instrument cluster with TFT LCD display
Driver Selectable Steering Mode (DSSM)	Turbo badge
e-Limited slip differential	Turbo-unique black grille
Ground effects and rear diffuser	Optional: 7-speed Dual Clutch Transmission with
	paddle shifters
