

A close-up, black and white photograph of the front grille of a Mercedes-Benz GLA. The central focus is the large, three-pointed star emblem, which is illuminated from below, creating a strong glow and highlighting its metallic texture. The grille's diamond-patterned mesh is visible on either side of the emblem. In the upper right corner, the text 'GLA GENUINE ACCESSORIES' is displayed in a clean, sans-serif font. The overall composition is dark and emphasizes the car's design details.

03

APPEARANCE EXTERIOR & INTERIOR

01 TIRE VALVE STEM CAPS

A perfect touch, these chrome-plated tire valve stem caps dress up any wheel. They're available in black, silver, blue Laurel, or AMG designs (each sold separately in sets of four).

02 AMG DOOR PINS

These round door-lock pins enhance the appearance of your vehicle's cabin. Each lock pin is made of premium steel with a bright polished topside and black AMG logo.

Pins are sold individually.

03 WHEEL LOCKS

Wheel locks can provide a subtle yet effective security touch to your car, helping to protect your alloy wheels and tires from theft. One set secures four wheels, and includes a coded key.

WHEEL HUB INSERTS

Add an attractive finishing touch to your wheels with these inserts. Various styles are available:

04 Black with chrome Three-Pointed Star

05 Matte Black with chrome Three-Pointed Star

06 Titanium Silver with chrome Three-Pointed Star

07 Sterling Silver with chrome Three-Pointed Star

08 Classic Star & Laurel design in black

01

02

03

APPEARANCE EXTERIOR & INTERIOR

01 ILLUMINATED STAR

Give your GLA an even more captivating presence on the road. LED technology illuminates the Star in its grille with a gentle white glow as you drive.

Not available on models equipped with Driver Assistance Package.

02 ILLUMINATED DOOR SILLS

Light up your GLA in eye-catching style each time you open the front doors with luminous white-colored “Mercedes-Benz” stainless steel door sills.

03 SPORT PEDALS IN BRUSHED ALUMINUM

Brushed aluminum pedals feature grippy rubber studs, for footwork that’s more sure and stylish.

04 EXTERIOR MIRROR HOUSINGS, BLACK

Gloss Black side mirror covers provide an individual, sporty and dynamic look. They come in a set of two.

05 LICENSE PLATE FRAMES

Choose from several quality stainless steel designs in an assortment of durable finishes. Design styles include Mercedes-Benz and AMG frames, as well as Slimline frames. Marque plates are available, too, with a chrome Star against a polished stainless steel or powder-coated gloss black background.

01 BICYCLE RACK

Extremely lightweight bicycle racks attach easily to the roof rack basic carrier (sold separately). The bikes can be mounted to the rack before or after it's fitted to the carrier. The support frame folds down when not in use to reduce aerodynamic drag, and up to three bicycle racks can be mounted to the carrier at one time (up to the roof's load capacity).

Racks are suitable for bikes with frame diameters of up to 98 mm (circular frame tubes) or 110 x 70 mm (oval tubes). Requires distance adapter.

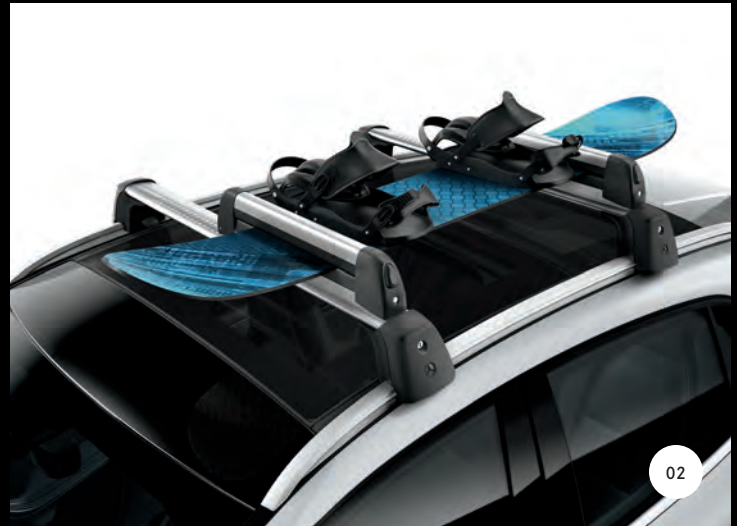

Distance adapter for bicycle rack (not shown). This easily fitted element is required for attaching the bicycle racks to the basic carrier bars.

02 STANDARD SKI AND SNOWBOARD RACK

Carry up to four pairs of skis or up to two snowboards by attaching the standard-size rack to the accessory basic carrier (sold separately). A pull-out function allows easier loading and unloading without reaching across the roof.

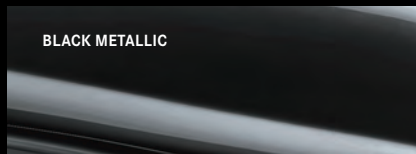

03 DELUXE SKI AND SNOWBOARD RACK

Also available is a deluxe rack that can carry up to six pairs of skis or four snowboards. Its pull-out design offers the same security and ease of use as the larger version.

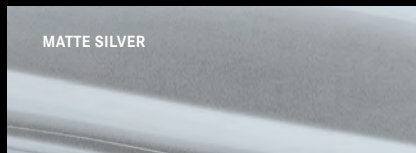

Boxes open from both sides for convenient loading and unloading.

BLACK METALLIC

MATTE SILVER

MERCEDES-BENZ ROOF BOX

Carry sports equipment or luggage in a roomy, aerodynamic roof box designed to complement your GLA. Made of lightweight yet durable thermoplastic, the box holds up to 110 lbs¹ and features a security lock. The box opens from either side, with the lid supported by gas struts. (Requires basic carrier, sold separately.)

01 ROOF BOX 400

Capacity: 14 cu ft.

Color: Black metallic or Matte Silver.

Includes handle strip on each side for easier opening and closing.

- 1 Do not exceed maximum permissible roof load capacity. See your Operator's Manual for more information.
- 2 Panorama roof can only be opened to tilt-up vent position when basic carrier is installed on vehicle.

02 ROOF RACK BASIC CARRIER

The essential core element of the various rooftop accessories, these multifunctional aluminum bars feature a sleek new profile to cut wind noise and enhance efficiency. The bars are easy to install and lockable. Precision-engineered to the GLA body design and roof structure, the basic carrier offers a versatile, secure foundation for a range of Mercedes-Benz accessories.²

02

03 LUGGAGE SET FOR MERCEDES-BENZ ROOF BOX

Crafted from durable, water-repellent material, custom-tailored luggage and ski bags are designed to make the most of the roof box's capacity. Each bag includes a comfortable shoulder strap.

03

01 CARGO AREA TRAY
Precisely contoured to fit the cargo area, this polyethylene tray with 2" sides helps protect the carpets from spills and wet items.

02 CARGO BOX
The cargo box can be used to help keep tall objects such as grocery bags in place. Adjustable dividers allow crate to be partitioned into as many as four sections.

03 LOAD SILL PROTECTOR
Help protect the rear bumper and load sill from scratches. The black protector can be connected to the accessory cargo area tray or reversible mat (each item sold separately) with the included fastener strips. The sill protector folds up easily for storage.

01

03

UTILITY & CARE CARGO MANAGEMENT

04 COAT HANGER

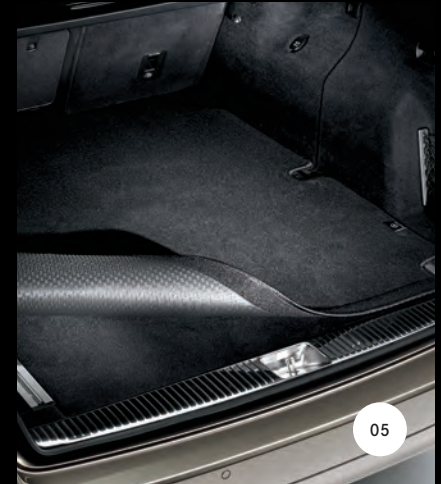

A convenient way to transport clothing without creasing it, the sturdy hanger easily attaches to either front head restraint with the available universal adapter.

For safety, please remove and stow the hanger when the rear seats are occupied. Not available with Interior Package.

05 REVERSIBLE CARGO MAT

This antislip mat pulls double duty to protect the cargo-area carpet, with a grippy side and a soft fabric side. It's constructed from durable polyester, and can be connected to the available load sill protector.

06 CARGO NET

Versatile and convenient, this nylon net helps you secure objects in the cargo area. The net attaches easily to the tie-downs in the floor using the included carabiners.

07 BATTERY TRICKLE CHARGER

If your GLA will not be started or run for an extended period, this charging device will help keep its battery properly energized.

01

CAR COVER

This UV-resistant three-layer cover helps protect the finish of your GLA from the elements. Made from breathable Noah® fabric, it combines an excellent fit with durable construction. A lock and cable are also available separately.

02

UVS-100™ SUNSHADE

Help protect your dashboard from sun damage while keeping the cabin cooler while the car is parked. The durable, folding shade is made of reflective fabric laminated to a foam core.

03

MUD FLAPS

Designed to match the contours of your GLA, these durable formed black plastic mud flaps help protect the lower body from loose road debris and salty road spray. They're sold in pairs for the front or rear.

04

CAR CARE KITS

Clean and protect your Mercedes-Benz with superior, specially formulated products. Our exclusive Exterior and Interior Car Care Kits include a variety of products packed neatly into a Mercedes-Benz Leisure Bag.

01 DRIVE KIT PLUS FOR THE iPhone®

Your iPhone brings your world to you—and your GLA brings you to your world. The Drive Kit Plus for the iPhone seamlessly unites your favorite media, social and navigation features from your iPhone with the intuitive controls and standard 5.8" in-dash screen of your Mercedes-Benz. And with the power of Siri,[™] it's all as close as your voice.

Wherever you go in your Mercedes-Benz, the Drive Kit Plus for the iPhone keeps your digital world moving with you. To learn more about the many ways it helps keep your life uninterrupted, see your Mercedes-Benz dealer, or visit MBUSA.com/drivekitplus

The Digital DriveStyle app is available at no charge from the iTunes® App Store. The app seamlessly integrates a range of your iPhone's functions into the in-dash display. When your iPhone is connected, the app can be operated easily using the vehicle's standard central controller.

- 1 Dealer installation is required. Not available for vehicles equipped with Multimedia Package. Drive Kit Plus for the iPhone is compatible with the Apple iPhone 4, 4S, 5, 5C and 5S. Siri voice-activated functions require iPhone 4S or later. For the latest information on phone compatibility, please see your dealer.

KEY FEATURES OF THE DRIVE KIT PLUS:

SOCIAL: Stay close to your friends, wherever you go.

- **Facebook:** Update your status, check your news feed and messages, and even add likes and check-ins on the go—using customizable preset comments and Siri voice control.
- **Twitter:** Keep up with the latest tweets with read-aloud ease. Retweet or send preset replies with your voice.
- **Events:** View event invitations posted on Facebook, and RSVP. You can even send the event address directly to the navigation feature that's integrated with the Drive Kit Plus.

MEDIA: Listen to your playlist, or a world of music streams.

- **MyMusic:** Enjoy the music, podcasts and audio books on your iPhone through your vehicle's sound system.
- **Internet Radio:** Enjoy thousands of stations from around the world. Search by numerous criteria, and save favorites.
- **AUPEO![™] Personal Radio:** Enjoy a free online music service that offers each listener an individual music stream.

PLACES: The best sushi. The best hotel. The best way there.

- **Navigation by Garmin®:** A powerful navigation feature is fully integrated with your vehicle, including voice input and guidance, alternate routes, 3D maps, and live traffic.
- **Glympse[™]:** Let people know you're on your way by sharing your location and ETA via Facebook, Twitter, email or text.
- **Google Places[™]:** Use Google Local Search for millions of Points of Interest, linked directly to the navigation feature. Preview your destination on-screen via Google[™] Street View.

01 BECKER® MAP PILOT

For models with the standard radio and 5.8" color screen, MAP PILOT adds an advanced voice-controlled navigation upgrade that fully integrates with your vehicle's in-dash displays, central controller and steering-wheel controls. Vivid maps offer detailed information, including lane guidance before a turn. Lifetime service from the Traffic Message Channel (TMC) and Becker's 45-day "fresh map guarantee" are included. The removable glovebox-mounted module is easy to update via the Web.

Not available with Multimedia Package.

MEDIA INTERFACE CABLE

(Not shown.)

Connect your iPod, iPhone or other device with a micro USB connection to a universal interface in the console. Using the standard steering wheel and audio controls, the interface lets you display the song, artist, album or playlist on the color screens atop the dash and in the instrument cluster. Your device's battery can also be charged while it's plugged in.

01

02 iPad® DOCKING STATION

Enjoy using your iPad while on the road without having to hold it. Each tilting and rotatable docking station secures and charges an iPad behind one of the front head restraints.

It can also offer a high-speed WiFi connection when it's installed in combination with the Mercedes-Benz In-Vehicle Hotspot, a separately available accessory that offers secure wireless Internet connectivity on the go.

Up to two stations (sold individually) can be installed in your GLA.

*Not available with Interior Package.
Compatible with iPad generations 2, 3 and 4 only.*
