**FLEET
BUYER'S GUIDE**

WELCOME TO YOUR FLEET PROGRAM

We know that many aspects of your work can be unpredictable, especially in the rapid-response and ever-changing demands of today's service industry. As the owner or manager of your commercial business, public safety or government agency, the value of making informed decisions is the clearest path to your operational success. The Fleet Program is designed with you and your workforce in mind and is tailored for a wide variety of industries and customers, like you, that have told us what you need. This lineup is customized to bring hardworking reliability, efficiency and convenience to your job, day in and year out.

Choosing a Fleet vehicle means access to a full-service commercial vehicle lineup, a dedicated support system of in-field technicians, a business relations team, and exclusive member incentives and discounts. Our Fleet vehicles provide undeniable capability and performance from brands you know and trust.

CONTACT US

Do you have questions about our Fleet programs, processes or incentives? Fleet offers plenty of ways to get in touch with the right people who can help.

CHECK ELIGIBILITY AND APPLY FOR A FLEET ACCOUNT NUMBER (FAN)

To become a Fleet member, you must currently be operating 15 or more vehicles or be looking to purchase or lease a minimum of five vehicles. If eligible, you will be given access to our online form and subsequently receive your FAN, which unlocks exclusive discounts, programs and perks.

[APPLY FOR A FLEET ACCOUNT NUMBER](#)

ENROLL IN OUR WEB SERVICE

Once you have received your FAN, you will be eligible to enroll for a web ID. This ID gives you access to our customer hub where you can stay up to date on your vehicle orders and member news.

SMART TECH IS HOW WE WORK

AN OVERRIDING CONCERN FOR YOUR SAFETY AND SECURITY. The more technology we put into your Ram truck, the greater the benefit. Case in point and based on model: comprehensive standard and available safety and security features that include Trailer Reverse Guidance,⁽¹⁾ LaneSense® Lane Departure Warning⁽¹⁰⁾ and adaptive headlamps, available ParkSense® Front and Rear Park Assist,⁽¹¹⁾ Forward Collision Warning with Active Braking⁽⁹⁾ and Adaptive Cruise Control with Stop.⁽²⁾

*A note about this brochure: all disclaimers and disclosures can be found on the last page.

Ram trucks embrace the utilization of the latest automatically reactive safety and security technology to help provide greater control and confidence. These available features include:

- ▶ **Forward Collision Warning with Active Braking⁽⁹⁾** detects when the vehicle is approaching another vehicle or large obstacle too quickly. It prepares the brakes for emergency braking and visually and audibly alerts the driver (including a quick “brake jerk”). If the driver isn’t braking hard or fast enough, the system will apply the brakes automatically, even bringing the vehicle to a stop under optimal driving conditions.
- ▶ **Adaptive Cruise Control with Stop.⁽²⁾** This system features full functionality between 0 and 100 mph, automatically adjusting the cruise control to a safe distance (selected by the driver) when slower traffic speeds are detected.
- ▶ **Blind Spot Monitoring⁽⁵⁾ with Rear Cross-Path Detection⁽¹⁾** uses dual wide-band radar sensors to monitor the pickup’s blind spots and notifies the driver when a vehicle is present—during lane changes, when passing other vehicles or when being passed.

All Ram braking systems feature Electronic Stability Control (ESC).⁽⁶⁾ ESC⁽⁶⁾ features multiple assets for braking, including:

- ▶ **All-Speed Traction Control.** If slippage occurs during acceleration, automatic throttle control will reduce torque; in extremes, it will apply the brakes and reduce engine power to maintain control.
- ▶ **Trailer Sway Damping⁽⁶⁾** detects yaw and applies the tow vehicle’s brakes to help reduce the sway.
- ▶ **Electronic Brake-Force Distribution** regulates brake pressure to help minimize stopping distances.
- ▶ **Ready Alert Braking** senses when the driver’s foot is lifted from the accelerator; it applies an imperceptible brake force to ensure that pads and discs are lined up should an emergency stop be required.
- ▶ **Rain Brake Support** automatically activates when the windshield wipers engage; the brake system lightly engages the brake pads against the rotors to remove water and help ensure a dry braking surface.
- ▶ **Hydraulic Boost Compensation.** Should a failure occur in the vacuum brake booster or any related line, the brake controller will run the Antilock Brake System pump to help maintain normal brake operation while signaling the driver of a brake system problem. The brakes perform as normal until the failure is serviced.
- ▶ **Hill Start Assist.** On an incline, this system keeps the vehicle stationary for two seconds after release of the brakes or until the accelerator is depressed.
- ▶ **ParkSense Front and Rear Park Assist⁽¹¹⁾** detects objects as far as 47 inches away from the bumpers; read-outs located in the gauge cluster display team up with audible chimes to help notify the driver of proximity to front and/or rear objects.

WE'VE GOT YOUR BACK

EXPRESS MAINTENANCE FOR BUSINESS VEHICLES

Mopar® Express Lane provides quick, convenient, no-appointment-needed quality service for business vehicles. Our service is performed by highly trained technicians who know how to maintain your vehicles and help keep them on the road and working for you.

- No-appointment-needed service
- Dedicated service lanes that provide quick, convenient and quality service
- Vehicle inspections with every oil change
- Saturday service / customer shuttles

A MISSION FOR REDUCED EMISSIONS

CHRYSLER PACIFICA PLUG-IN HYBRID

**520-MILE TOTAL
COMBINED DRIVING RANGE³⁰
WITH 32 ELECTRIC MILES²⁹**

The heart of the Pacifica Hybrid is the 16kWh lithium-ion battery, delivering up to 32 miles solely on zero-emission electric power²⁹ with a combined fuel economy of 82 MPGe.³¹ It works seamlessly with a specially adapted version of the 3.6L V6 gasoline engine and regenerative braking technology to help deliver optimal efficiency and a total driving range of up to 520 miles.³⁰

From the visible-at-a-distance, five-point illuminated charging indicator located on the upper dash to the compatible smartphone app, Chrysler Pacifica Hybrid's features make keeping track of your charge status as simple as a glance.

WRANGLER 4xe

- AVAILABLE ON
4-DOOR MODELS
AND INCLUDES:**
- 17-kWh BATTERY
 - CHARGING PORT WITH 115-VOLT CORD
 - CHARGE STATUS DISPLAY BAR
 - UNIQUE WHEELS
 - ELECTRIC BLUE ACCENTS
 - 4xe BADGING

THE FIRST OF MANY **PLUG-IN HYBRIDS** IN THE US FROM THE JEEP® BRAND

POWER x2

You choose how and when to optimize the hybrid drivetrain. Select HYBRID for the best of both worlds, ELECTRIC to only use battery power or E-SAVE to reserve battery power for later ... like for low-emission zones in cities or on the trail for near-silent exploring with maximum torque and horsepower.

SELECT FEATURES

3.6L Pentastar® V6 with eTorque/8-speed Automatic
 Air Conditioning — Manual
 Alternator — 180-amp (only on the available non-eTorque 5.7L HEMI® V8; eTorque engines use a 48-volt belt starter generator in lieu of an alternator)
 Axle — 3.21 ratio
 Battery — 730-amp
 Cluster — Instrument, with 3.5-inch display screen for the Driver Information Display
 Fuel Tank — 23- or 26-gallon (depending on cab and engine configuration)
 Headlamps — Automatic, quad-lens halogen with incandescent taillamps
 Mirrors — 6x9-inch
 Seats — 40/20/40 split-bench front seat with folding front armrest/cup holder and folding rear bench seat
 Shock Absorbers — Heavy-duty, front and rear
 Spare Tire — Full-size
 Stabilizer Bar — Front and rear
 Steering — Electronic, rack and pinion
 Storage — Rear in-floor bins, two with removable liners (Crew Cab only)
 — Rear underseat compartment
 Styled Steel Wheels — 18x7.5-inch steel painted
 Suspension — Front, upper and lower A-arms, coil springs, twin-tube shocks with Frequency Response Damping
 — Rear, five-link, coil springs, twin-tube shocks with Frequency Response Damping
 Tires — P18-inch BSW A/S
 Transfer Case — Electronic, part-time (4x4 models only)
 Windows — Power; one-touch up/down driver's and front-passenger

SAFETY & SECURITY

Air Bags⁽¹⁹⁾ — Advanced multistage front
 — Supplemental side-curtain
 — Supplemental front-seat side-mounted
 Brakes — Power-assisted four-wheel antilock disc (14.9-inch / 14.8-inch; front/rear rotors)
 Electronic Parking Brake
 Electronic Stability Control⁽⁶⁾ — Includes Four-wheel Antilock Brake System, Brake Assist, All-Speed Traction Control, Rain Brake Support, Ready Alert Braking, Electronic Roll Mitigation, Hill Start Assist and Trailer Sway Damping⁽⁶⁾
 ParkView® Rear Back-Up Camera⁽¹⁾
 Sentry Key® Engine Immobilizer
 Tire Pressure Fill Alert
 Tire Pressure Monitor

*Payload and Max Trailer Weights are ESTIMATED values. All values are shown in lb unless otherwise stated. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. Payload = GVWR - Base Weight. GAWRs, GVWRs and GCWRs should never be exceeded. Recommended tongue weight determined by class of hitch receiver and hardware limits of upfit. Upfit or aftermarket equipment weight not included in Base Weight. Frontal Area: maximum allowable Frontal Area, in ft² that the vehicle can project. For details on calculations, please refer to Ram Body Builders Guide. If VECI Label and Max Upfit Weight not available: vehicle is not restricted to MCVW, Frontal Area or Maximum Upfit Weight limits; however, GVWR/GAWR/GCWR cannot be exceeded.

(1) Always check entire surroundings visually before backing up. (2) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (3) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 (Lollipop) or higher and the Android Auto App. Android and Android Auto are trademarks of Google LLC. (4) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (5) Always check entire surroundings visually before proceeding. (6) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (7) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (8) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (9) HAS requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (10) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (11) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (12) Check state and local laws regarding the use of remote start systems. (13) Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you do not wish to enjoy your trial subscription, you can cancel it by calling the number below. **If you decide to continue service after your trial subscription, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. Please see our Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling us at 1-866-635-2349. All fees, content and features are subject to change. (14) All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (15) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (16) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (17) Based on manufacturer's estimates — actual mileage may vary. (18) Based on 2021 model-year specifications. (19) Always sit properly in designated seating positions with seat belts fastened at all times. (20) Only available in Texas. (21) When properly equipped. See dealer for details. (22) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (23) Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check www.UconnectPhone.com for device compatibility. (24) Vehicle must be locked and system activated for alarm to sound. (25) Based on EPA-estimated 82 MPGe and 30 MPG combined. Actual mileage may vary. (26) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (27) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Package. Requires a Wi-Fi data plan and linked Amazon account to run Amazon Fire TV in the vehicle. Streaming service subscriptions are not included. (28) Available on properly-equipped vehicles with a Uconnect 4C/4C NAV 5/5C NAV system. Requires a Wi-Fi hotspot plan and linked Amazon account to run Alexa in the vehicle. (29) Based on EPA-estimated all-electric 0 - 32-mile rating with fully charged battery. Actual mileage may vary. (30) Based on EPA-estimated 520-mile total range estimate. Actual mileage may vary. (31) Based on EPA-estimated 82 MPGe mpg of gasoline equivalent (MPGe). Actual mileage may vary.
