Just a few things to remember,

Wednesday, July 25th Terry and Tami from Austin benefits (our health insurance) will be here in the conference room 1pm-3pm to meet with anyone with healthcare questions. They will mail us everyone's new packets with the cliff notes of the 2018-19 plan. They are emailing Ed a signup sheet for the employees to sign up if they want a one on one meeting. There is a signup sheet posted in the lunch room located in the new car building.

It is VERY hot out, PLEASE make sure you are staying hydrated. Especially our service & body shop guys!

Our "Green Machine" is up and running. This is the additional credit card machine we've brought in to help with cost.

The blue carpet located outside the new car show room has been replaced, along with the metal frame that holds it in place. No more trip hazards!

THANK YOU to ALL the staff for all your hard work!! It takes a great team to stay successful!
