A Message to Our Valued Customers:

During these uncertain times, we at **Arthur Chrysler** are here to serve our customers to the very best of our abilities. Our sales department unfortunately, was not included in the last update of the essential services list. Parts and Service have been deemed an essential service and we are changing our daily operations to meet these needs.

Service and Parts Department: 8:00 – 5:00 pm Monday to Friday, closed Saturday & Sunday

Our service and parts departments are open for business but the building will be closed to the public. To make a service appointment, please call to discuss with our Service Manager. There will not be an opportunity to talk to service when you drop your vehicle off. We will disinfect your vehicle before service work and disinfect again when we are done.
