

20 **18** DODGE

**JOURNEY** 

20 **18** DODGE JOURNEY

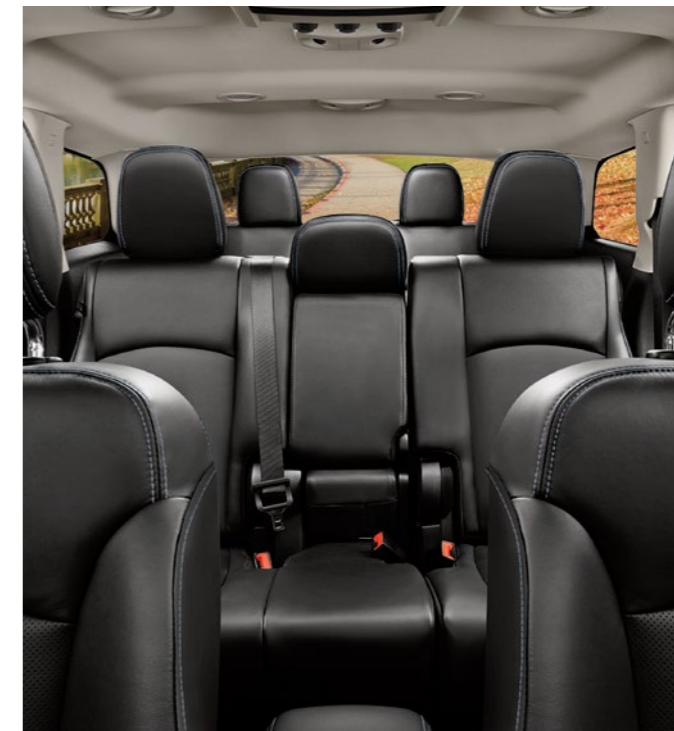

Dodge Journey is the crossover with the power and sophistication to glide through city streets and the capability and determination to tackle the trails that lead to adventure. Its interior is a master of flexibility and packed with in-vehicle entertainment, which means your gear stays organized and your passengers entertained. From impressive I-4 or V6 engines, front-wheel-drive (FWD) or all-wheel-drive (AWD) capability and spacious seating for up to seven passengers, Dodge Journey easily keeps pace with your ever-changing lifestyle.

FLEXIBILITY NEVER LOOKED SO GOOD

**THE MOST VERSATILE CROSSOVER  
IN ITS CLASS<sup>1</sup>**

From the commute to family to the hobbies you're passionate about, you give it your all. When you drive a Journey, you get more than a crossover that shares your dedication to the details, you get a partner that helps make it all possible.

It starts with a versatile five- or seven-passenger interior. The combination of rear doors that open 90 degrees and Tilt 'n Slide<sup>®</sup> second-row seats make accessing the available 50/50 split-folding third-row seats easy.

Turn down the standard 60/40 split-folding and reclining second-row seating to quickly transform Journey from a people-mover to a cargo-hauler. There's up to 1,914 litres of cargo space inside, which makes hauling a breeze.

Opt for the Class-Exclusive integrated child booster seats<sup>3</sup> and available rear-seat video system that includes a nine-inch screen, remote control and two pairs of wireless headphones. Not only will they keep your most precious cargo secure, but happily entertained, too.

Dual in-floor storage bins

GT interior shown in Black

## LEAVE NO ONE... OR ANYTHING BEHIND

Journey has a place for everything needed for the perfect adventure, thanks to an impressive storage system that includes map pockets on the front doors, centre console and glove box, which also provides excellent locations for out-of-direct-view storage. Two Class-Exclusive second-row in-floor storage bins<sup>4</sup> with removable, washable liners each hold up to a dozen 355-mL cans with ice. With latching lids, these bins are also a great place for stowing travel items.

A standard hidden storage bin and access door to the tool and jack compartment are located behind the rear seat. When hauling gear is a priority, simply fold down the second- and available third-row seats.

HERE, THERE & EVERYWHERE

## MAKE A GREAT ESCAPE

When the weekend's arrived but the forecast calls for foul weather, there's no need to change your plans. Journey's powerful 3.6-litre Pentastar™ V6 engine and the stability of available all-wheel drive (AWD) conquer snowy roads, wet highways and lower-traction terrain. When the AWD system detects wheel slippage, it immediately responds with a transfer of power to the rear wheels for enhanced control and driving dynamics.

Journey offers three trim levels available with AWD, including SXT, Crossroad and GT all standard with the Award-Winning 3.6-litre Pentastar V6 engine, Canada's Best-Selling engine.<sup>5</sup>

CANADA'S BEST-SELLING ENGINE<sup>5</sup>

PENTASTAR™ V6 3.6L

### HUNGRY FOR PERFORMANCE, NOT FUEL

**CANADA'S BEST-SELLING ENGINE<sup>5</sup>: 3.6-LITRE PENTASTAR V6** // 283 horsepower, 260 lb-ft of torque and Variable Valve Timing (VVT) serve up a brilliant combination of high torque and impressive fuel economy, as efficient as 9.5 L/100 km highway.<sup>6†</sup> You can also opt for all-wheel drive which activates on-demand for added traction when needed, and delivers enhanced fuel economy when not engaged. This *Wards* "10 Best Engine" winner is mated to a smooth-shifting six-speed automatic transmission. Standard on SXT and above.

**2.4-LITRE I-4 WITH DUAL VVT** // Mated to a four-speed automatic transmission, this smart, highly capable 173-horsepower DOHC I-4 engine features a smart balance of power and fuel economy, as efficient as 9.2 L/100 km highway,<sup>6†</sup> which lets you travel up to 840 highway kilometres on one tank of gas.<sup>7</sup> Standard on CVP and SE Plus.

**AS EFFICIENT AS 9.2 L/100 KM HWY<sup>6†</sup>**

<sup>5</sup>*WardsAuto* "10 Best Engine" winner in 2011, 2012 and 2013. <sup>†</sup>See page 22 for full fuel economy details.

## LARGEST TOUCHSCREEN IN ITS CLASS<sup>2</sup>

### KEEP YOURSELF CONNECTED

Dodge Journey offers a range of multimedia centres, and the largest touchscreen in its class<sup>2</sup> — up to 8.4 inches. These intuitive systems feature icons for radio controls, personal devices like an iPod® or smartphone, climate controls and available navigation.<sup>8</sup> Bring your own tunes via remote USB port or available Bluetooth® streaming audio. The USB port can also charge your compatible devices.

Available hands-free calling<sup>9</sup> can be operated through steering wheel-mounted controls or the touchscreen. After touching the voice command<sup>9</sup> button, you can use your voice to manage your phone, radio stations and much more. It's just that simple.

### DISTINGUISHED DETAILS

Small details can make big impacts. Steering wheel-mounted buttons offer easy access to cruise and audio controls.

The illuminated cup holders add extra pops of colour while well-tailored touchpoints and premium soft-touch materials add sophistication. When the weather turns chilly, drivers will appreciate the available heated front seats and steering wheel.

### INFOTAINMENT AMPLIFIED

With Uconnect,<sup>®</sup> you'll have entertainment that offers something for everyone. Opt for the available SiriusXM satellite radio,<sup>10</sup> which includes a one-year subscription, and you get access to over 120 channels. Enjoy instant replay of your favourite tunes and get alerts when your favourite song, artist or team is playing on any SiriusXM channel.

Opt for the six-speaker Alpine<sup>®</sup> premium sound system with subwoofer and 368-watt amplifier for your optimal audio enjoyment, while the available 115-volt power outlet allows passengers to plug in portable game systems or audio devices.

# 50+ STANDARD / AVAILABLE SAFETY & SECURITY FEATURES

GT shown in Pearl White

## JOURNEY WITH PEACE OF MIND

Dodge engineers have built every Journey with a high degree of advanced automotive technology. That's why there are more than 50 standard and available safety and security features travelling along with you to make every ride more secure.

### ELECTRONIC STABILITY CONTROL (ESC)<sup>11</sup>

When road conditions are not at their best, ESC helps the driver maintain vehicle directional stability and limits oversteer or understeer. ESC includes All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation and Trailer Sway Control (TSC).

### TRAILER SWAY CONTROL (TSC)

TSC uses the ESC<sup>11</sup> sensors to recognize sway unique to trailering. It applies brake pressure on alternating wheels and may adjust the throttle to help eliminate sway and maintain stability.

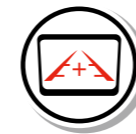

### ANTILOCK BRAKE SYSTEM (ABS)

Four-wheel antilock disc brakes help prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

### TIRE PRESSURE MONITORING SYSTEM

A warning system in the instrument cluster alerts the driver to any tire with low pressure, with displays for each tire's pressure in the Electronic Vehicle Information Centre (EVIC).

### PARKVIEW® REAR BACK-UP CAMERA<sup>12</sup>

Displays an accurate visual reference of what is behind your vehicle when it is in Reverse. Includes grid lines to aid the driver when manoeuvring into parking spaces or narrow areas.

### ACTIVE FRONT HEAD RESTRAINTS<sup>13</sup>

The active front head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping provide added neck protection for both the driver and front passenger.

### PARK-SENSE® REAR PARK ASSIST<sup>12</sup>

When the vehicle is in Reverse, the sensors can detect the presence of objects within 1.9 metres of the vehicle in the back-up pathway and provide an audible and visual warning to notify the driver.

### KEYLESS ENTER 'N GO™ WITH PROXIMITY ENTRY AND PUSH-BUTTON START

No need to fumble for your keys. Convenient technology detects your approach when you are carrying the key fob and will unlock the door when you pull the handle. Once inside, start the engine by pressing the Start/Stop button while stepping on the brake.

# MODELS

CVP

### POWERTRAIN

- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 4-speed automatic
- Front-wheel drive (FWD)

### SELECT STANDARD EQUIPMENT

#### INTERIOR AMENITIES

- Air conditioning with front dual-zone manual temperature control and air filtering
- Door sill scuff pads
- Driver and front-passenger lower LED lamps
- Electronic Vehicle Information Centre (EVIC)
- Illuminated front cup holders
- Media Centre:
  - Auxiliary audio input jack and remote USB port
  - Radio 4.3 multimedia centre with 4.3-inch touchscreen and 6 speakers
- Power locks and windows, driver 1-touch down
- Seating:
  - Driver's height-adjustable seat
  - Premium cloth low-back bucket seats
  - Second-row 60/40 split-folding reclining/fold-forward seat with before/after adjustment
- Steering wheel-mounted audio and cruise controls
- Storage:
  - Full-length floor console with premium armrest
  - Second-row in-floor storage bins with removable, washable liners
- Three 12-volt power outlets
- Tilt/telescoping steering column

#### EXTERIOR FEATURES

- Body-colour door handles
- Black grille with chrome crosshairs
- Black, power, heated mirrors, manual folding

- Lighting:
  - Incandescent taillamps
  - Liftgate floodlamp
  - Quad-halogen headlamps
- Wheels and Tires:
  - 17-inch aluminum wheels
  - Compact spare tire
  - P225/65R17 BSW all-season touring tires

#### SAFETY & SECURITY

- 4-wheel antilock disc brakes with Brake Assist
- 7 air bags<sup>14</sup>
- Active front head restraints<sup>13</sup>
- Child Seat Anchor System (LATCH)
- Electronic Stability Control (ESC)<sup>11</sup> with All-Speed Traction Control, Electronic Roll Mitigation and Trailer Sway Control
- Engine block heater
- Keyless Enter 'n Go™ with proximity entry and push-button start
- Sentry Key® anti-theft engine immobilizer
- Tire pressure monitoring display

#### OPTIONAL EQUIPMENT

- 17-Inch Steel Wheels with Wheel Covers
- Black Side Roof Rails with Crossbars
- Flexible Seating Group (7-passenger seating)
- Front and Rear Floor Mats
- Hands-Free Communication<sup>9</sup> with Bluetooth® Streaming Audio
- Mopar® All-Weather Group
- Mopar Chrome Accent Package

Integrated booster seats are only for children between 120 and 145 centimetres (47 and 57 inches) in height, weighing between 22 and 38 kilograms (48 and 85 pounds). Always fasten seat belts properly. 4. Based on the latest available competitive information and *WardsAuto* Middle Cross Utility segmentation. 5. Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light Duty and Medium/Heavy Duty Trucks. 6. Based on 2017 *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for *EnerGuide* information. Miles per gallon (MPG) ratings based on imperial gallon. 7. Driving range based on 2017 *EnerGuide* highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only. 8. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 9. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 10. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 11. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 12. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 13. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 14. The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 15. Not compatible with all garage door openers.
