JEEP® CAPABILITY OPENS POSSIBILITIES.

Every Cherokee 4x4 is equipped with the Selec-Terrain® Traction Management System. Match your capability to your adventurous nature and the road conditions you meet along the way.

Premium performance is yours, with the available 2.0L Turbo engine. At 270 hp and 295 lb-ft of torque, it has the power of much larger engines, yet delivers incredible efficiencies.

Cherokee Trailhawk® arrives with Trail Rated® Jeep® Active Drive Low 4WD, with the capability to dig in deep, thanks to its locking rear differential.

**ALL-NEW AVAILABLE
2.0L I-4 TURBO ENGINE**

- 270 HORSEPOWER
- 295 LB-FT OF TORQUE

CANADIAN WINTER READY.

The new Cherokee tackles the hazards of harsh weather, delivering capability and comforts during the cold winter months. Available Keyless Enter 'n Go™ allows you to quickly get in your vehicle and get going without needing a key or key fob. Available heated front seats and steering wheel keep you cozy and comfortable. Jeep® Brand four-wheel drive matched with Selec-Terrain® Traction Management System work together to adjust traction to make sure you're constantly moving ahead.

THE NEW 2019 CHEROKEE TRAILHAWK® SHOWN IN HYDRO BLUE PEARL

EVOLUTION OF STYLE.

Designed to inspire the everyday adventure, and raise it to beautiful, new heights.

THE NEW 2019 CHEROKEE OVERLAND® IN VELVET RED PEARL

The New 2019 Cherokee Overland® boasts a premium appearance with standard 19-inch wheels and shiny chrome front tow hooks.

The 2019 Cherokee is refreshed with a new front fascia and LED headlamps that shine bright and far, for safe driving day and night. An aggressive appearance and stance better reflects the authentic capability and power of Jeep® Cherokee.

The new liftgate is crafted from lightweight materials for improved efficiency.

(1) Based on IHS Markit Automotive Canadian New Vehicle Total Registrations 2012 to 2016 and CYTD September 2017 in all Brands, SUV segments and all 4x4/AWD models. (2) All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (3) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. (4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. (5) Wifi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (6) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. (7) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. (8) Do not attempt water fording unless depth is known to be less than 51 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (9) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions.
