

DODGE

# 2018 DODGE DURANGO SRT®

## CLASS-LEADING CAPABILITY

- Canada's most powerful three-row SUV with 475 horsepower and 470 lb-ft of torque from the legendary 392 cubic inch HEMI V8 engine
- Fastest and most capable three-row SUV with 1/4-mile time of 12.9 seconds and capable of 0-60 mph in 4.4 seconds
- Best-in-class towing capability of 3,946 kg (8,700 lb)
- Performance-tuned all-wheel drive system helps the Durango SRT set world-class performance marks

## TRACK-READY EXTERIOR DESIGN

- New wide-body exterior brings the Durango SRT together as a true performance SUV
- New SRT front fascia with SRT-inspired grille mesh finish and LED fog lamps
- SRT hood with functional cold air duct and heat extractors cools the engine and maximizes overall performance by removing hot air from the engine compartment
- A body-colour SRT rear lower fascia with Gloss Black accent surrounds the four-inch dual round exhaust tips, that are finished in Nickel Chrome

## RACE-INSPIRED INTERIOR DESIGN

- SRT seven mode drive system delivers maximum performance in multiple driving conditions, and features the following modes: Street, Sport, Snow, Track, Tow, Valet & ECO
- The Durango SRT features a flat-bottom performance steering wheel with SRT paddle shifters and a driver-oriented electronic T-shifter with Auto Stick
- Standard leather-faced seats with suede inserts
- Available Laguna leather seating and carbon fibre trim

# THE FASTEST, MOST CAPABLE & MOST POWERFUL THREE-ROW SUV!

**SRT**
