

DODGE DART

2015

## 2015: DODGE DART

*Dart is many things, but “boring” and “basic” don’t make the list. It might find its home in the compact segment, but that doesn’t mean it’s typical of others that park there. It’s a car that makes category cars nervous. It’s engineered to perform and loaded with technology. Unlike other vehicles in its class,<sup>1\*</sup> Dart boasts 10 air bags,<sup>2</sup> four-wheel disc antilock brakes, projector headlamps, a laser-brazed roof and premium seat fabrics. This is the standard to which all others should hold themselves. This is the 2015 Dodge Dart.*

\*All disclaimers and disclosures can be found on page 19.

# ***INTERIOR*** ROOMINESS

**STIR THE SENSES.** It's not that Dart is a master of illusion, it's just an all-out master. Ingenious engineering created an interior with an abundance of overall passenger space and plenty of interior volume. A standard rear folding seatback gives weekend warriors the space they need for their oversized gear. The available 60/40 split-folding rear seatback with trunk pass-through adds to Dart's already versatile space. Even the glove box provides copious space with enough room to secure a laptop or tablet. The bottom line — Dart has serious space for you, your friends and everything needed for a good time.

You can outfit Dart with either premium cloth or available supple leather-faced seats with striking accent stitching. Either way, touchpoints are covered in soft materials. Available features like Dual-zone automatic temperature control, ambient lighting, heated front seats and class-exclusive<sup>1</sup> heated steering wheel let you create the perfect atmosphere.

The centre console is like an entertainment hub with available USB and auxiliary power outlets. The saddle cubbies on the side are perfect for all your hand-held electronics.

160 HP // 148 LB-FT  
2.0L TIGERSHARK™  
VVT I-4

DOHC 16-valve Variable Valve Timing (VVT). This engine is tuned for impressive low- and mid-range torque for greater drivability and overall fuel efficiency.

160 HP // 184 LB-FT  
1.4L INTERCOOLED TURBO I-4  
WITH MULTIAIR®

SOHC 16-valve. This turbo kicks out 160 horsepower and 184 lb-ft of torque from 2,500–4,000 rpm. With 114 horsepower per litre, it offers the ultimate combination of power and fuel efficiency.

184 HP // 174 LB-FT  
2.4L TIGERSHARK I-4  
WITH MULTIAIR

DOHC 16-valve. Combine Chrysler design with enhanced MultiAir technology from FIAT® and the result is an efficient and powerfully advanced engine.

AS EFFICIENT AS: **5.8 L/100 KM HWY\***

All three Dodge Dart engines are tuned to deliver excellent horsepower, torque and fuel economy ratings. The amount of attention applied to performance was matched by efforts to enhance each engine's durability, limit environmental impact and reduce maintenance. In short, we made sure the Dart is a compact car you will look forward to driving.

\*For full details, see page 19.

# MAKE

A BOLD STATEMENT

GT. Two little letters following the Dart moniker stand for something big — big on performance, big on style, big on value. The Dart GT ensures you're well-equipped versus the competition to make the most of your every day by providing a more enhanced driving experience every way you turn, shift or look. Performance steering, unique engine calibration, unique transmission ratio and a sport suspension with frequency-sensing damping shocks provide added driving dynamics while black front fascia accents, black headlamp surrounds, Hyper Black front grille and 18-inch Hyper Black wheels provide added good looks. The Black and Ruby Red Nappa leather-faced seating, Uconnect® 8.4 multimedia centre and the seven-inch customizable in-cluster display centre feed your need for technology and comfort.

## CLASS-LEADING TECHNOLOGY

Uconnect® multimedia centres keep you close to your favourite people, music and places. The available award-winning 8.4-inch touchscreen multimedia centre is the largest in its class<sup>1</sup> and features easy-to-navigate icons for radio controls, personal devices such as an iPod®, or climate controls, and available features such as SiriusXM satellite radio,<sup>2</sup> navigation<sup>4</sup> and hands-free communication<sup>5</sup> with Bluetooth® streaming audio. The Uconnect 8.4 multimedia centre is further set apart by the Ruby Red-illuminated floating island bezel which surrounds the gauge cluster and touchscreen. Bring along your own tunes via available wireless Bluetooth streaming or remote USB port with iPod mobile device control. The USB port can also charge your compatible devices. With available voice command<sup>5</sup> and steering wheel-mounted controls, there's no need to take your hands off the available class-exclusive<sup>1</sup> heated steering wheel. Give voice commands<sup>5</sup> for features like phone operation, radio/CD functions and accessing your digital media players. Opt for Garmin® navigation<sup>4</sup> for turn-by-turn directions, lane guidance and local points of interest.

## SEVEN-INCH CUSTOMIZABLE IN-CLUSTER DISPLAY CENTRE

////// Track your current and average fuel economy.

////// When in Reverse, the available Park-Sense® Rear Park Assist<sup>3</sup> System detects the presence of objects in the backup pathway.

////// View available navigation<sup>4</sup> directions from the centre of your cluster.

////// Available Blind-Spot Monitoring<sup>6</sup> continually monitors rear blind zones on either side of the vehicle.

## INCREDIBLE STYLE AND VALUE

Dart SXT is dedicated to bringing you the best combination of style, performance and value. Powered by a 2.4-litre Tigershark™ four-cylinder engine with MultiAir® technology, you'll cruise confidently with 184 horsepower. Standard projector headlamps and signature LED racetrack taillamps instantly impart upscale sophistication, while 16-inch Tech Silver aluminum wheels give you flair. Inside, you'll appreciate the convenience of air conditioning, hands-free communication<sup>5</sup> with Bluetooth® streaming audio, power windows with driver one-touch down, power door locks with remote keyless entry, steering wheel-mounted audio controls, front sliding armrest and more. It's features like these that set Dart apart.

## MAKE A LASTING IMPRESSION

For those who want an even bigger shot of amped-up Dodge attitude, add the Rallye Appearance Group with 17-inch Hyper Black wheels, black crosshair grille with black surround, dual bright exhaust tips and more. Looking for even more? Step into the Dart Blacktop for a blacked-out, custom appearance. It starts with the foundation of the SXT trim level with the Rallye Appearance Group and then adds menacing touches like 18-inch Gloss Black wheels, Gloss Black exterior mirrors and fierce-looking black fog lamp surrounds.

## ULTIMATE LUXURY

If you're looking for a more refined ride, check out Dart Limited. Bright grille and door handles, projector fog lamps and 17-inch Satin Silver aluminum wheels give this vehicle its polished good looks. Keyless Enter 'n Go™ lets you unlock Dart without even taking the keys out of your pocket or purse. A push of the Start button brings this beauty's engine to life. The interior is filled with must-have amenities like Nappa leather-faced seating, heated front seats, seven-inch customizable in-cluster display centre and a class-exclusive<sup>1</sup> heated leather-wrapped steering wheel with cruise and audio controls. The standard Uconnect® 8.4N multimedia centre with large 8.4-inch touchscreen display features Garmin® navigation!<sup>1</sup>

# 55+

SAFETY / SECURITY / TECHNOLOGY

FEATURES

**ELECTRONIC STABILITY CONTROL (ESC)<sup>7</sup>** // When road conditions are not the best, the standard ESC helps the driver maintain vehicle directional stability and limits oversteer or understeer. ESC includes All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation and Trailer Sway Control.

**10 STANDARD AIR BAGS<sup>2</sup>** // Advanced multistage driver and front-passenger air bags, driver and front-passenger supplemental seat-mounted side air bags, rear seat-mounted side air bags, side-curtain air bags, and driver and front-passenger knee blocker air bags.

**PARK-SENSE<sup>®</sup> REAR PARK ASSIST<sup>®</sup> SYSTEM** // When in Reverse, these available sensors detect the presence of objects in the backup pathway and provide an audible and visual warning.

**PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA<sup>5</sup>** // This available system displays an accurate visual reference of what is behind your vehicle when you are in Reverse.

**READY ALERT BRAKING** // This standard system anticipates situations when the driver may initiate an emergency brake stop and uses ESC<sup>7</sup> to set brake pads against the rotors in order to decrease the time required for full brake application.

**ENHANCED ACCIDENT RESPONSE SYSTEM** // This standard system makes it easier for emergency personnel to see and reach occupants in the event of an accident by turning on the interior lighting, unlocking doors, turning on hazard flashers and shutting off the flow of fuel to the engine after air bag<sup>2</sup> deployment.

**REACTIVE FRONT HEAD RESTRAINTS<sup>9</sup>** // In the event of a rear-end collision, the standard restraints move forward and upward to decrease the space between the head restraint and the occupant's head, helping to reduce the chance of injury.

**FOUR-WHEEL DISC ANTILOCK BRAKES** // This standard system senses and prevents wheel lockup independently at all four wheels, offering improved steering control under extreme braking and/or slippery conditions. The four-channel system monitors the speed of each wheel individually and allows individual wheel braking for superior control.

**BLIND-SPOT MONITORING (BSM)<sup>5</sup>** // While driving forward, the available BSM continually monitors blind zones on either side of the vehicle. When an object is detected, an indicator light illuminates in the appropriate exterior mirror, and an audible notification sounds.

**REAR CROSS-PATH DETECTION<sup>6</sup>** // When in Reverse, rear sensors detect if cross-traffic approaches the vehicle and warn the driver with an audible chime. Included with Blind-Spot Monitoring<sup>5</sup>

**AUTOMATIC HIGH-BEAM HEADLAMP CONTROL** // This available system automatically switches headlamps from high to low beam and back again when oncoming headlamps or forward-lighting elements are sensed. Nighttime driving is assisted by providing the maximum amount of light possible for any driving scenario.

# MODELS

## DART SE

### POWERTRAIN OPTIONS

- 2.0L Tigershark™ Variable Valve Timing (VVT) I-4 with 6-speed manual transmission (25A)
- 2.0L Tigershark VVT I-4 with 6-speed automatic transmission (24A)

### INTERIOR AMENITIES

- 12-volt power outlet in instrument panel
- Air filtering
- Auxiliary input jack
- Uconnect™ 200 AM/FM/CD/MP3 with four speakers
- Passenger-assist handles
- Power locks
- Power windows, driver's one-touch down
- Rearview day/night mirror Satin Silver interior accents
- Driver's height-adjustable seat
- Rear folding seatback
- Cloth seats, manual six-way driver and front-passenger seats
- Extra-large glove box
- Floor console with covered storage
- Tilt/telescoping steering column

### EXTERIOR FEATURES

- Bifunctional halogen projector headlamps with Chrome surrounds
- Body-colour crosshair grille with body-colour surround
- Body-colour power mirrors
- LED stop-turn taillamps
- Solar-control glass
- 16-inch wheels with wheel covers
- P205/55R16 all-season tires
- Black door handles

### SAFETY & SECURITY

- Reactive front head restraints<sup>8</sup>
- Child Seat Anchor System (LATCH)
- Electronic Stability Control<sup>1</sup> with Hill Start Assist, Brake-Lock Differential, All-Speed Traction Control, Electronic Roll Mitigation and Trailer Sway Control
- Engine block heater
- Four-wheel disc antilock brakes with Brake Assist
- Keyless entry with panic alarm
- Sentry Key<sup>®</sup> anti-theft engine immobilizer
- Advanced multistage driver and front-passenger air bags<sup>2</sup>
- Driver and front-passenger supplemental seat-mounted side air bags
- Side-curtain air bags
- Driver and front-passenger knee blocker air bags
- Rear seat-mounted side air bags
- Tire pressure monitoring warning light
- Tire service kit

### OPTIONAL EQUIPMENT

- Compact Spare Tire
- Driver Convenience Group

## DART SXT

### POWERTRAIN

- 2.4L Tigershark I-4 MultiAir<sup>®</sup> with 6-speed manual transmission (27B)
- 2.4L Tigershark I-4 MultiAir with 6-speed automatic transmission (28B)

### ENHANCEMENTS vs. SE

- 16-inch Tech Silver aluminum wheels
- Air conditioning with micron filter
- Electronic Vehicle Information Centre with trip computer
- Automatic headlamps with black headlamp surrounds
- Black crosshair grille with body-colour surround
- Body-colour door handles
- LED racetrack taillamps
- Hands-free communication<sup>5</sup> with Bluetooth<sup>®</sup> streaming audio
- Six speakers
- Rear view mirror with microphone
- 60/40 split-folding rear seat with trunk pass-through
- Cloth seats with accent stitching
- Security alarm
- Steering wheel-mounted audio and cruise controls
- Floor console with fore/aft sliding armrest
- Overhead console with sunglasses holder
- Rear seat armrest with storage and cup holders
- Sun visors with illuminated vanity mirrors
- Tire pressure monitoring display
- Front and rear floor mats
- Active grille shutters (automatic only)
- Underbody aerodynamic treatment (automatic only)
- 12-volt power outlet in console
- SXT badge

### OPTIONAL EQUIPMENT

- 8.4-inch Uconnect Touchscreen Group
- Blacktop Package
- Cold Weather Group
- Compact Spare Tire
- Rallye Appearance Group
- Single-disc Remote CD Player
- SiriusXM Satellite Radio with One-year Subscription<sup>3</sup>
- Sun & Sound Group
- Uconnect 8.4N Multimedia Centre with 8.4-inch Touchscreen Display and Garmin<sup>®</sup> Navigation<sup>4</sup>

## DART AERO

### POWERTRAIN

- 1.4L Intercooled Turbo I-4 with MultiAir and 6-speed manual transmission (23V)
- 1.4L Intercooled Turbo I-4 with MultiAir and 6-speed automatic dual dry-clutch transmission (DDCT) (22V)

### ENHANCEMENTS vs. SE

- 16-inch Tech Silver aluminum wheels
- Uconnect 8.4 multimedia centre with 8.4-inch touchscreen display
- ParkView<sup>®</sup> Rear Back-up Camera<sup>6</sup>
- Seven-inch customizable in-cluster display centre
- Air conditioning with micron filter
- Automatic headlamps
- Body-colour door handles
- Bright crosshair grille with body-colour surround
- LED racetrack taillamps
- Active grille shutters
- Underbody aerodynamic treatment
- Illuminated floating island bezel
- Leather-wrapped steering wheel with audio and cruise controls
- Hands-free communication<sup>5</sup> with Bluetooth streaming audio
- iPod<sup>®</sup> control
- Remote USB port
- SiriusXM satellite radio with one-year subscription<sup>3</sup>
- Six speakers
- Rearview mirror with microphone
- Aero badge

### OPTIONAL EQUIPMENT

- Single-disc Remote CD Player
- Uconnect 8.4N Multimedia Centre with 8.4-inch Touchscreen Display and Garmin Navigation<sup>4</sup>

## DART GT

### POWERTRAIN

- 2.4L Tigershark™ I-4 with MultiAir<sup>®</sup> and 6-speed manual transmission (27S)
- 2.4L Tigershark I-4 with MultiAir and 6-speed automatic transmission (28S)

### ENHANCEMENTS vs. SXT

- 18-inch Hyper Black aluminum wheels
- Sport suspension
- Performance transmission gear ratio
- Rear stabilizer bar
- Unique engine calibration and pedal map
- P225/40R18XL all-season tires
- Unique Nappa leather-faced seats with perforated inserts and accent stitching
- Seven-inch customizable in-cluster display centre
- Dual bright exhaust tips
- Hyper Black crosshair grille with black surround
- Projector fog lamps
- Active grille shutters
- Underbody aerodynamic treatment
- Illuminated floating island bezel
- Keyless Enter 'n Go™ with proximity entry
- Leather-wrapped heated steering wheel
- Leather-wrapped shift knob (with automatic transmission)
- SiriusXM satellite radio with one-year subscription<sup>3</sup>
- Uconnect<sup>®</sup> 8.4 with 8.4-inch touchscreen display
- ParkView<sup>®</sup> Rear Back-up Camera<sup>6</sup>
- Power, heated mirrors with supplemental signals and courtesy lamp
- Ambient LED interior lighting
- Auto-dimming rearview mirror with microphone
- Dual-zone automatic temperature control
- Rear stabilizer bar
- Power windows, front one-touch up-and-down
- Remote start (with automatic transmission)
- Heated front seats
- Ten-way power driver's seat including lumbar adjust
- Soft-touch instrument panel
- Universal garage door opener<sup>9</sup>
- Compass gauge
- GT badge
- Glove box lamp
- iPod<sup>®</sup> control
- Remote USB port

### OPTIONAL EQUIPMENT

- Compact Spare Tire
- Single-disc Remote CD Player
- Sun & Sound Group
- Technology Group
- Uconnect 8.4N Multimedia Centre with 8.4-inch Touchscreen Display and Garmin<sup>®</sup> Navigation<sup>4</sup>

**WARRANTIES:** 2015 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance<sup>7</sup>. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.<sup>7</sup>

\*Whichever comes first. Some conditions may apply. <sup>7</sup>The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

**SERVICE CONTRACTS:** Chrysler Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Chrysler Canada Service Contracts offer extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

**DISCLAIMERS:** 1 Based on 2014 *Ward's* Upper Small Sedan costing under \$25,000. 2 The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 3 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 4 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 5 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 6 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 7 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 8 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9 Not compatible with all garage door openers.

Strategic Vision's 2014 New Vehicle Experience Study<sup>®</sup> surveyed 38,361 Oct. – Dec. new vehicle buyers after the first 90 days of ownership. The 2014 Dodge Dart tied for leadership with another vehicle in the Small Car segment.
