## GRAND CHEROKEE

You're invited to join the adventure as the Jeep® brand celebrates 75 years of travelling to places other SUVs only dream of reaching. With Jeep Grand Cherokee, you will raise the status of your commute to a highly gratifying level of luxury and capability. Lush cabin features surround you as you drive with the confidence to take on the most challenging road conditions Mother Nature can offer. The 2016 Grand Cherokee boasts best-in-class off-road capability<sup>2</sup> along with four engine options to choose from to match the lifestyle you drive. This premium ride sets a benchmark for excellence with solid, Jeep brand engineering and authentic 4x4 systems. For those who demand only the best of the very best, Grand Cherokee stands at the ready.

# Best-in-Class OFF-ROAD CAPABILITY<sup>2</sup>

## NO MATTER WHAT LIES AHEAD, MOVE FORWARD.

When you're backed by authentic, Jeep® brand capability, you're ready for anything. Grand Cherokee gives you four capable 4x4 selections to choose from, all engineered to overcome challenging road conditions and weather. Confidently face any challenge with a Jeep Grand Cherokee 4x4 system.

### QUADRA-TRAC I®

This fully automatic system requires no driver interaction. A single-speed transfer case offers a continual balance of torque distribution; if wheel slippage occurs, the system seamlessly transfers torque to the axle with the most traction.

### QUADRA-DRIVE® II

This full-time 4x4 system is the ultimate for virtually any driving situation. An Electronic Limited-Slip Differential can transfer up to 100 percent of torque to the wheel(s) with the most traction.

### QUADRA-TRAC II®

Exceptional capability arrives with all-speed traction control and a two-speed transfer case that can quickly distribute power to the axle with the most traction. Low range provides rock-crawling prowess.

### QUADRA-TRAC® SRT® ACTIVE ON-DEMAND 4x4 SYSTEM

This exceedingly strong system features a massive mechanical "wet" clutch and rear Electronic Limited-Slip Differential. You're able to send 100 percent of available torque to either rear wheel, helping you to remain on course and moving forward, no matter the speed. Exclusive to SRT.

### QUADRA-LIFT® AIR SUSPENSION SYSTEM

Raise or lower your Grand Cherokee's ground clearance height to suit your needs. You'll enjoy best-in-class ground clearance<sup>2</sup> and control of your suspension with an air-cushioned, adjustable ride height. You can easily raise your vehicle to achieve a maximum clearance of 275 mm above ridges and rocks, or lower it for easier entry, exit and loading/unloading. When adjusting the ride height while driving (for maximum aerodynamics), the system lowers the vehicle from front to back to help keep headlamps safely focused downward at the road ahead.

**BEST-IN-CLASS**

Best-in-class  
**FUEL ECONOMY<sup>4</sup>**  
AS EFFICIENT AS  
8.4 L/100 km highway (34 mpg)

Best-in-class  
**DRIVING RANGE<sup>5</sup>**  
UP TO 1,100 km

Best-in-class  
**TORQUE<sup>8</sup>**  
420 lb-ft

Best-in-class  
**MAXIMUM TOWING<sup>3</sup>**  
UP TO 3,265 kg (7,200 lb)

## POWERFULLY EFFICIENT

Whether you prefer the uncompromising 3.0L EcoDiesel engine or one of the impressive gas engines, each is matched to the dynamic 8-speed automatic transmission helping deliver an exceptionally smooth and efficient performance.

**5.7L VVT V8 ENGINE WITH MULTI-DISPLACEMENT SYSTEM (MDS)**  
You'll enjoy fuel economy as efficient as 10.7 L/100 km\* on the highway with the help of the fuel-optimizing capabilities of Eco Mode and MDS technology. MDS revamps this 360-hp 8-cylinder brute into a 4-cylinder model of efficiency when cruising, yet when you step on the gas pedal, all eight cylinders are seamlessly at your disposal. You'll also enjoy **best-in-class towing<sup>3</sup> of up to 3,265 kg (7,200 lb)**. Available.

**3.6L PENTASTAR™ VVT V6**  
Named one of **WARD'S "10 BEST ENGINES" THREE TIMES**, the 3.6L Pentastar offers fuel economy as efficient as 9.5 L/100 km\* on the highway. Leave more in your wallet thanks to the new Engine Stop/Start (ESS) technology that seamlessly shuts off and restarts the engine at traffic stops with no driver input needed.

**3.0L ECODIESEL**  
Love the planet and great fuel economy? The 3.0L EcoDiesel V6 engine lets you adhere to your principles while taking you further per tank-full, thanks to its best-in-class driving range<sup>5</sup> and fuel economy as efficient as 8.4 L/100 km\*. This **THREE-TIME WARD'S "10 BEST ENGINES" WINNER** delivers efficient power while leaving little trace of being there. Pull more with **best-in-class towing<sup>3</sup> of up to 3,265 kg (7,200 lb)**. Available.

**6.4L HEMI® V8 ENGINE**  
Standard on Grand Cherokee SRT®, this powerful beast can reach 475 hp and 470 lb-ft of torque, while feeding a Quadra-Trac® SRT Active On-Demand 4x4 system. Matched to an 8-speed automatic transmission with steering wheel-mounted paddle shifters, you can go full throttle on the track, to reach a hair-raising top speed of 258 km/h. Enjoy bragging rights with **best-in-class towing<sup>3</sup> of up to 3,265 kg (7,200 lb)**. Available.

**STANDARD, 8-SPEED AUTOMATIC TRANSMISSION** glides with smooth and quick efficiency. Its construction provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption and increased torque with added strength to pull. You can customize your shift schedule by engaging the steering wheel-mounted paddle shifters. Switch to the available Sport Mode to adjust your shift schedule and engine power for a sportier driving experience. It all adds up to a ride that delivers powerful strength without compromise.

The selectable Eco Mode feature constantly works to maximize your fuel efficiency by automatically modifying the shift schedule of the 8-speed automatic transmission and torque converter. Your idle speed is gently lowered, allowing gains in efficiency.

\*For full details, see page 26.

LARGEST-IN-CLASS  
8.4-INCH TOUCHSCREEN<sup>8</sup>

## REFINED PERFORMANCE

Choose available premium leather trims executed in designer colour palettes and you'll take plush seating to new heights. Grand Cherokee's luxurious cabin is outfitted with brushed Copper or Silver accents, available real-wood details, 5-inch or the largest-in-class 8.4-inch touchscreen<sup>8</sup> multimedia centres and a full-colour 7-inch customizable in-cluster display centre that allows drivers to select from a multitude of layouts and vehicle information. Enjoy smooth and intuitive gear changes with the redesigned, standard leather-wrapped shifter.

**AUDIO EXCELLENCE** The Alpine<sup>®</sup> Premium Audio System, standard in Grand Cherokee Overland<sup>®</sup> and SRT<sup>®</sup>, utilizes a high-powered, 12-channel, 506-watt amplifier to power 9 speakers and a subwoofer to optimize acoustics throughout the cabin. Grand Cherokee Summit<sup>®</sup> arrives with a standard 19-speaker harman/kardon<sup>®</sup> audio system for world-class sound quality.

**HEATED AND VENTILATED FRONT SEATS** Add quick warmth on cool days and welcome relief when temperatures rise via a small fan that gently circulates cool air thanks to perforations within the seat coverings. Available.

**COMMANDVIEW<sup>®</sup>** Bring the outside world in with the available CommandView dual-pane panoramic sunroof. With its fixed-glass window in the rear and power sunshade, you'll enjoy a bigger view of everything.

**BLU-RAY<sup>®</sup> PLAYER WITH SEATBACK-MOUNTED VIDEO SYSTEM** Two available 9-inch high-resolution screens are integrated into the front seatbacks to entertain rear-seat passengers. The system can play standard DVDs as well as Blu-ray discs, and includes independent HDMI and RCA inputs for each screen.

SUMMIT SHOWN IN GRANITE CRYSTAL METALLIC.

AVAILABLE DVD/BLU-RAY\* PLAYER WITH SEATBACK-MOUNTED VIDEO SYSTEM.

## GRAND CHEROKEE SUMMIT®

When you reach the Summit, the view is grand, indeed. As the most luxurious vehicle in its class,<sup>5</sup> Jeep® Grand Cherokee Summit offers an up-close and personal look at an extremely luxurious and innovative interior, perfectly matched by an elegant exterior. You'll enjoy outstanding 4x4 capability, thanks to the available Quadra-Drive® II 4x4 system. Adaptive Bi-xenon High Intensity Discharge (HID) headlamps with headlamp washers and distinctive LED daytime running lamps are standard fare. High-tech safety features like Park-Sense® Front and Rear Park Assist System,<sup>9</sup> Blind-Spot Monitoring with Rear Cross-Path Detection,<sup>9</sup> Adaptive Cruise Control with Stop<sup>9</sup> and Forward Collision Warning with Active Braking<sup>9</sup> provide you peace of mind.

**UNQUESTIONABLE QUALITY** Premium Natura Plus leather is offered in three unique colour palettes to adorn the plush seats, console, upper instrument panel and door panels.

**AUTHENTIC DETAILS** Open-pore real-wood trim and Copper accents are available. The leather-wrapped, three-spoke steering wheel is accented with sections of wood. A soft, suede-like headliner tops off the rich appeal of Grand Cherokee Summit.

**AUDIO HEAVEN** For those who appreciate world-class audio, harman/kardon® sound engineers have developed a state-of-the-art system that sends 825 watts of power surging into 19 carefully placed speakers.

**THE SEAT OF LUXURY** Ride above the rest in utmost style. First-row seats are heated and ventilated for comfort in every climate. Second-row seats offer the comforts of heat and recline features.

SUMMIT® SHOWN IN NATURA PLUS LEATHER.— JEEP, BROWN 11

---

## GRAND CHEROKEE OVERLAND®

---

Enhance adventures with the class-exclusive Quadra-Lift® Air Suspension system,<sup>9</sup> chrome front tow hooks and 20-inch wheels, while letting the outside in through the CommandView® dual-pane panoramic sunroof. Distinctive and plush Nappa leather-faced seating is offered in three beautiful colour palettes, each detailed with attractive accent piping and complemented by real-wood interior accents. Those who are technology-driven will appreciate the full-colour Uconnect® multimedia centre that features a largest-in-class 8.4-inch touchscreen<sup>8</sup> with premium navigation, along with exceptional sound through 9 premium Alpine® speakers and a 506-watt amplifier.

## LIMITED

**GO EVERYWHERE** Style and comfort are yours to enjoy, with the abundant standard interior amenities you'll find in Limited. Take on rugged trails with the help of the Quadra-Trac II<sup>®</sup> 4x4 system with Hill Descent Control. The Selec-Terrain<sup>®</sup> Traction Management System helps you gain passage, whether you choose to travel on routes covered with snow, mud, sand or rock.

**LUXURIES ARE STANDARD** The remote start system can prepare the cabin for your arrival by cooling or heating to your prescribed temperatures. Driver and passengers will appreciate premium leather-faced seats that are heated in both the front and second rows. A heated, leather-wrapped steering wheel gives drivers welcome cold-weather comfort and the power liftgate lets you access the rear cargo area with ease.

## LAREDO

**SILENCE IS GOLDEN** You'll turn heads with the distinctive styling that Laredo delivers, while enjoying a smooth and quiet ride thanks to the acoustic glass with active noise cancellation in place on the windshield, and the front side glass. Drive safely with hands-free calling<sup>®</sup> and access a variety of vehicle data with the 7-inch customizable in-cluster display centre.

**MUST-HAVE TECHNOLOGY** The standard 5-inch touchscreen radio adds convenient access to your entertainment. Steering wheel-mounted paddle shifters offer immediate control of your up- and downshifting. Other standard luxuries include Keyless Enter 'n Go<sup>™</sup>, which unlocks the vehicle with a touch of the door handle, and a power 12-way driver's seat, including four-way lumbar adjustment.

**4X4 POWER** Authentic Jeep<sup>®</sup> brand capability gives you all-weather permission to navigate snow-covered roads to the cottage one day and arrive in style for opening night at the theatre the next. The Quadra-Trac I<sup>®</sup> 4x4 system is matched to an 8-speed automatic transmission for an exceptionally smooth performance.

SRT SHOWN IN BRIGHT WHITE WITH OPTIONAL WHEELS.

SRT<sup>®</sup> SHOWN IN AVAILABLE LAGUNA LEATHER - SEPIA.

# GRAND CHEROKEE SRT<sup>®</sup>

This formidable beast is all about performance backed by racetrack-inspired styling. The face-off begins with a blacked-out grille highlighting the adaptive Bi-xenon High Intensity Discharge (HID) headlamps that look menacing by day and a signature LED treatment that announces SRT by night. Reach the finish line first and leave them looking at taillamps with “floating” Black surrounds and LEDs. Winner takes all with the optional 19-speaker, 825-watt high-performance harman/kardon<sup>®</sup> audio sound system and available new 20-inch lightweight forged aluminum wheels that add head-turning appeal.

**CAPABILITY AND SPEED** The best-handling Jeep<sup>®</sup> vehicle ever, capable of .90 g on the skid pad,\* ensures a heart-racing track experience with Selec-Track<sup>®</sup>, including five dynamic settings ranging from Auto to Track. Track Mode provides an on-track experience by transferring up to 70 percent of the 6.4L engine's 475 hp and 470 lb-ft of torque to the rear wheels.

**HIGH PERFORMANCE** Brembo<sup>®</sup> brake system with 6-piston front and 4-piston rear calipers achieves a 100 - 0 km/h stopping distance of only 35 metres (116 feet)!<sup>11</sup>

\*When properly equipped.

**TOWING CONFIDENCE** Grand Cherokee SRT offers Quadra-Trac<sup>®</sup> SRT Active On-Demand 4x4 system with an Electronic Limited-Slip Rear Differential. A 50/50 front/rear axle balance in Snow Mode ensures your drive is safe and steady when towing a best-in-class 3,265 kg (7,200 lb)<sup>3</sup> in challenging weather.

**RACE-INSPIRED** A stunning interior that features a long list of luxurious amenities, including suede-accented, leather-faced seating, carbon fibre accents, a heated, flat-bottomed steering wheel with paddle shifters and an 8.4-inch touchscreen Uconnect<sup>®</sup> multimedia centre with SRT Performance Pages.

### CUSTOMIZABLE DISPLAY

Fingertip controls on your steering wheel allow instant access to a rich selection of vehicle information presented on the full-colour 7-inch in-cluster display.

## LARGEST-IN-CLASS 8.4-INCH TOUCHSCREEN<sup>8</sup>

Updates to the Uconnect<sup>®</sup> multimedia centre let you personalize your Uconnect experience based on the features and safety services you want to use most. Uconnect works with straightforward voice commands,<sup>10</sup> intuitive controls and simple connectivity – it's just how technology should be.

**NEW CONVENIENCE AND SAFETY FEATURES** For vehicles equipped with the 8.4-inch touchscreen, Uconnect introduces all-new features for 2016 including: The **Drag and Drop** menu bar which allows you to personalize the dashboard with your top six features and services. With **Siri<sup>®</sup> Eyes Free**, you can initiate Siri sessions on your compatible iPhone<sup>®</sup> with the voice-recognition button on the steering wheel to give voice commands<sup>10</sup> to send text messages, play music, dictate and send emails, set reminders, place phone calls and access turn-by-turn directions. The **Do Not Disturb** feature enables you to route all incoming calls to voicemail and suppress texts. Keep your eyes safely on the road by choosing to receive a visual prompt for incoming calls and texts, and then send an automated reply.

**PHONE** Talking on the phone while driving has never been easier – or more responsible. Uconnect hands-free communication<sup>10</sup> is the in-vehicle, voice-activated calling system that allows you to talk on your Bluetooth<sup>®</sup>-compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth-compatible phone's address book<sup>12</sup> – up to 1,000 entries – every time you get into your vehicle. It will announce and read incoming text messages and it also allows you to reply by selecting any of the 18 predefined responses.

**VOICE COMMAND<sup>10</sup>** It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or SiriusXM satellite radio<sup>13</sup> channels, as well as make and receive calls. You can also select destination entries on your available navigation.<sup>19</sup> This "smart" system technology can be trained to better recognize your voice, and can understand commands in English, French and Spanish.

**ENTERTAINMENT** You'll have several ways to access audio. Get the sound going via MP3s, a remote USB port, an auxiliary input jack and Bluetooth streaming audio. Listen to over 120 channels on SiriusXM satellite radio<sup>13</sup> and enjoy instant replays of your favourite tunes, access any channel playing your favourite artists, get alerts when your favourite teams are playing and so much more.

# ALL-WEATHER SAFETY AND SECURITY

## OVER 70 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES

Through the most challenging conditions, Grand Cherokee answers the call with stunning style, grace and legendary capability.

### FORWARD COLLISION WARNING WITH ACTIVE BRAKING<sup>9</sup>

Sensors detect when Grand Cherokee may be approaching another vehicle too quickly and send an audible and visual alert to the driver along with 1.5 seconds of brake assistance if the driver does not react in time.

### ADAPTIVE CRUISE CONTROL WITH STOP<sup>9</sup>

Engage this system and it will automatically adjust the cruising speed to maintain a preset distance between your Grand Cherokee and the crowd ahead.

### PARK-SENSE<sup>®</sup> FRONT AND REAR PARK ASSIST SYSTEM<sup>9</sup>

When in Reverse or driving forward at low speeds, sensors detect the presence of objects up to approximately 1.6 metres in front of the vehicle and 2.0 metres from the rear. The system provides both audible and visual warnings in the Electronic Vehicle Information Centre (EVIC).

### BLIND-SPOT MONITORING WITH REAR CROSS-PATH DETECTION<sup>9</sup>

This technology has dual radar sensors that constantly monitor driver blind-spots, providing notification of an encroaching vehicle via illuminated icons on the sideview mirrors and an audible chime if the turn signal is activated. When in Reverse, Rear Cross-Path Detection sensors warn the driver with an audible chime if cross-traffic approaches the vehicle.

**TRAILER SWAY CONTROL (TSC)** As part of Electronic Stability Control (ESC)<sup>x</sup>, TSC helps keep you, and the toys you are towing, safely on course and under control. TSC can recognize a swaying trailer and will automatically apply any individual wheel's brakes and/or reduce engine power in an attempt to eliminate the trailer sway. TSC applies brake pressure on all four wheels to slow the vehicle while increasing pressure on one front wheel to counteract the sway.

### PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA<sup>9</sup>

Brings rear objects to your attention on the Uconnect<sup>®</sup> 5- or 8.4-inch touchscreen display complete with dynamic grid lines.

### RAIN-SENSING WINDSHIELD WIPERS

Rain-sensing wipers detect moisture on the windshield and, if the wipers have been placed in one of the delay positions, will activate automatically. You don't have to take your hands off the wheel to adjust the wiper controls as the rain intensity changes.

### HIGH INTENSITY DISCHARGE (HID) HEADLAMPS/DAYTIME RUNNING LAMPS/HEADLAMP WASHERS

Signature LED Daytime Running Lamps enhance visibility, while optional headlamp washers keep your lenses free of debris.

### READY-ALERT BRAKING

Works in harmony with ESC<sup>x</sup> to anticipate emergency braking situations, reducing the time required for full brake application.

**SELEC-SPEED<sup>™</sup> CONTROL** Smoothly navigating steep hills can be a daunting endeavour. Engage Selec-Speed Control on the Selec-Terrain<sup>®</sup> dial of your Grand Cherokee and you'll climb and descend with greater safety. Hill Start Assist and Hill Descent Control are fused into one incredibly capable feature.

### ELECTRONIC STABILITY CONTROL (ESC)<sup>7</sup>

A vehicle-wide network of safety sensors provides instant aid when it detects that you're veering off your intended path. ESC immediately goes into action by applying the brakes and reducing the throttle when needed.

### ELECTRONIC ROLL MITIGATION (ERM)

If things get rough, standard ERM takes immediate action to help you maintain stability and remain under control.

### ANTILOCK BRAKE SYSTEM (ABS)

The benefits of the ABS shine on slippery, wet roads. This advanced system knows when you're driving over rough terrain and adjusts accordingly to help you stay in control.

### RAIN BRAKE SUPPORT

When the windshield wipers are activated, this standard "smart" system helps dry the brake rotors on wet roads to ensure the shortest stopping distance.

- Single-disc Remote CD Player
- Skid Plate Group

### POWERTRAIN

- 6.4L SRT HEMI® V8 with MDS engine with 475 horsepower and 470 lb-ft of torque
- 8-speed automatic transmission with E-shift

### SELECT STANDARD EQUIPMENT

- 20-inch Goliath polished forged aluminum wheels
- Adaptive Cruise Control (ACC) with Stop<sup>9</sup> and Forward Collision Warning (FCW) with Active Braking<sup>9</sup>
- Bi-xenon HID headlamps and automatic levelling
- Blacked-out grille surround with bright insert
- Bright pedals
- Capability:
  - Brembo® high-performance brakes with 4-piston rear and 6-piston front calipers
  - Electronic Rear Limited-Slip Differential
  - High-performance, active damping suspension
  - High-speed engine controller
  - Launch Control for optimal acceleration from a standing start
  - Performance shift indicator
  - Performance-tuned steering
  - Quadra-Trac® SRT active on-demand 4x4 system
  - Selec-Track® active dampening system
  - Sport Mode button
- Carbon fibre interior accents
- Driver and front-passenger lower LED lamps
- Dual heat extractors on hood
- Dual integrated Black exhaust tips
- Flat-bottom heated steering wheel with paddle shifters
- Full-length front console premium armrest
- Media Centre:
  - Uconnect 8.4 NAV multimedia centre with SRT Performance Pages
- Rain-sensing windshield wipers
- Seating:
  - SRT embroidered Nappa leather-faced seats with perforated suede inserts

### OPTIONAL EQUIPMENT

- 20-inch Lightweight Forged Aluminum Wheels
- 20-inch Spider Monkey Forged Aluminum Wheels in Black Vapour Chrome
- CommandView Dual-Pane Panoramic Sunroof
- Compact Spare Tire
- harman/kardon 19-speaker Audio System with 825-watt Amplifier
- High-performance Laguna Leather Seats
- Rear DVD Entertainment Centre
- Single-disc Remote CD Player
- Trailer Tow Group IV

## PACKAGE DETAILS

### 3.0L ECODIESEL V6 ENGINE

- 3.45 rear axle ratio
- 220-amp alternator
- 230-mm rear axle
- 800-amp maintenance-free battery
- Electronic Limited-Slip Differential
- Dual exhaust with bright tips
- Heavy-duty four-wheel disc antilock brakes
- Heavy-duty engine cooling
- Quadra-Drive® II 4x4 system

### 5.7L VARIABLE VALVE TIMING (VVT) V8 WITH MULTI-DISPLACEMENT SYSTEM (MDS) TECHNOLOGY

- 3.09 rear axle ratio
- 230-mm rear axle
- 700-amp maintenance-free battery
- Heavy-duty four-wheel disc antilock brakes
- Electronic Limited-Slip Differential (Overland® and Summit®)
- Quadra-Drive II 4x4 system (Overland and Summit)

### ADVANCED TECHNOLOGY GROUP

- Adaptive Cruise Control with Stop<sup>9</sup>
- Advanced Brake Assist
- Blind-Spot Monitoring with Rear Cross-Path Detection<sup>9</sup>
- Rain-sensing windshield wipers
- Forward Collision Warning with Active Braking<sup>9</sup>

### SECURITY AND CONVENIENCE GROUP

- 115-volt auxiliary power outlet
- Cargo compartment cover
- Heated front seats and steering wheel
- Power liftgate
- Remote start
- Security alarm
- Universal garage door opener<sup>17</sup>

### SKID PLATE GROUP

- Front suspension skid plate
- Fuel tank skid plate
- Transfer case skid plate
- Underbody skid plate
- Tow hooks; 2 front, 1 rear (Laredo, Limited)

### ALL-WEATHER CAPABILITY GROUP

- Heated front seats and steering wheel
- Mopar® Cargo Area Liner
- Mopar Slush Mats
- Hill Descent Control
- Tow hooks, 2 front, 1 rear
- Quadra-Trac II® 4x4 system
- Remote start
- Selec-Terrain® with Auto, Snow, Sand, Mud and Rock settings

### OFF-ROAD ADVENTURE GROUP II

- 18-inch polished aluminum wheels with Satin Carbon pockets
- Skid Plate Group
- Trailer Tow Group IV
- Electronic Limited-Slip Differential (Limited with 5.7L)
- Quadra-Drive II 4x4 system (Limited with 5.7L)
- Quadra-Lift® Air Suspension System
- Selec-Speed™ Control (with 5.7L V8 or 3.0L V6)
- Trail Rated® badge

### LUXURY GROUP II

- Auto high-beam headlamp control and levelling
- Bi-xenon High Intensity Discharge (HID) headlamps
- CommandView® dual-pane panoramic sunroof
- Nappa leather-faced seating with perforated inserts
- LED daytime running lamps
- Power tilt/telescoping steering column
- Rain-sensing windshield wipers
- Uconnect® 8.4 multimedia centre (NAV-ready<sup>16</sup>)
- Ventilated front seats
- Alpine® premium audio system with 9 speakers, subwoofer and 506-watt amplifier

### PREMIUM PLUS APPEARANCE GROUP

- Body-colour lower body trim
- Body-colour mirror caps and door handles
- Grille with platinum chrome accents
- Platinum chrome side sills, rear step pad, lower front fascias and badging
- Satin Carbon finish on Summit's standard 20-inch aluminum wheels

### TRAILER TOW GROUP IV

- Class IV hitch receiver
  - 180-amp alternator (Laredo)
  - 4- and 7-pin wiring harness
  - Full-size spare tire (Laredo, Limited)
  - Compact spare tire (SRT®)
  - Heavy-duty engine cooling
  - Rear load-levelling suspension (Laredo, Limited)
- Note: package deletes rear tow hook

### OFF-ROAD ADVENTURE GROUP I

- Skid Plate Group
- Quadra-Trac II 4x4 system
- Selec-Terrain with Auto, Snow, Sand, Mud and Rock settings
- Full-size spare tire
- Trail Rated badge
- Hill Descent Control

### REAR DVD ENTERTAINMENT CENTRE

- Blu-ray®-/DVD-compatible
- Dual 9-inch seatback-mounted screens

### UCONNECT 5.0 MULTIMEDIA CENTRE

- 5-inch high-definition full-colour touchscreen
- Hands-free communication with Bluetooth® streaming audio<sup>10</sup>
- HVAC control integration
- Media hub including auxiliary input jack, remote USB port and SD card slot
- Preformatted text response and incoming voice text message reader<sup>10</sup>
- SiriusXM satellite radio with one-year subscription<sup>13</sup>
- AM/FM radio

### UCONNECT 8.4 MULTIMEDIA CENTRE

- Uconnect 5.0 features plus:
- 8.4-inch touchscreen
- NAV-ready<sup>16</sup> see your retailer for details

### UCONNECT 8.4 NAV MULTIMEDIA CENTRE

- Uconnect 8.4 features plus:
- Premium navigation with 3D landmarks<sup>18</sup>

## AUTHENTIC JEEP ACCESSORIES

Choose Mopar® for quality parts and accessories made to custom-fit your Grand Cherokee. Kilometre after kilometre, you'll keep going strong with our expert service, genuine parts and Express Lane service. See your Chrysler, Jeep, Dodge and Ram retailer for all the latest parts and accessories. You can learn more about the world of Mopar and all it has to offer at mopar.ca

Properly secure all cargo.

**MOPAR VEHICLE PROTECTION.** FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

**WARRANTIES.** 2016 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.<sup>1</sup> SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.<sup>2</sup> Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.<sup>3</sup> The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.<sup>4</sup>

\*Whichever comes first. Some conditions may apply. <sup>1</sup>The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

**DISCLAIMERS.** 1) Jeep Grand Cherokee has received more *WardsAuto* awards over its lifetime than any other SUV. 2) Based on *WardsAuto* Middle Sport/Utility Vehicle segmentation. Based on available transfer cases, choice of four 4x4 systems: Quadra-Trac I, Quadra-Trac II, Quadra-Trac and Quadra-Drive II with rear ELSD, and Jeep Selec-Terrain with five settings including Snow, Sand, Rock, Mud and Auto. Max ground clearance is reached when equipped with Quadra-Lift air suspension. 3) Based on *WardsAuto* Mid-size Sport Utility segmentation. When properly equipped. 4) Based on *WardsAuto* Middle Sport/Utility segmentation. Based on combined highway/city 2016 *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 11.2 L/100 km (25 mpg) city, 8.4 L/100 km (34 mpg) highway on Grand Cherokee 4x4 models equipped with the 3.0L EcoDiesel V6 and 8-speed automatic. 5) Based on *WardsAuto* Middle Sport/Utility segmentation. Driving range based on *EnerGuide* highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. 6) Based on *WardsAuto* Mid-size Sport Utility segmentation. Based on Summit model offerings. 7) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 8) Based on *WardsAuto* Middle Sport/Utility segmentation. 9) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 10) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 11) Drive responsibly. Always obey the rules of the road. 12) Phone must support Bluetooth Phone Book Access Profile (PBAP). 13) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca) 14) The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 15) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 16) Additional fees will apply for Retailer-Activated Navigation. 17) Not compatible with all garage door openers. 18) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations.
