GRAND CARAVAN // 2016

CANADA'S #1-SELLING MINIVAN

Necessity may be the Mother of Invention, but it was Dodge that had the foresight to create a new automotive segment and a completely different type of vehicle. More than 30 years ago, the first minivan hit the streets making life, and the drive, easier for families, business owners and weekend warriors. Not only did Dodge create the first-ever minivan, but they were also first with must-have features dozens of times. They were first with features parents care about like Super Stow 'n Go® seating and storage,† Blind-Spot Monitoring^{1†} and dual sliding doors. They were first with the things kids care about — Dual Independent Blu-ray®/DVD Entertainment System† and tailgate seating. No wonder Grand Caravan is the best-selling and most awarded² minivan. Ever.*

*All disclaimers and disclosures can be found on the back cover. †Available.

THE MOTHER OF REINVENTION

Properly secure all cargo.

2016 DODGE GRAND CARAVAN

//// GRAND CARAVAN SXT PREMIUM PLUS SHOWN IN DEEP CHERRY RED CRYSTAL PEARL.

GRAND CARAVAN: MOST AWARDED² MINIVAN EVER

//// GRAND CARAVAN SXT WITH SXT PLUS GROUP SHOWN IN BILLET METALLIC.

Properly secure all cargo.

//// Third-row tailgate seating.

//// Third-row Stow 'n Go[®] seating.

//// Available remote USB ports.

//// Available second-row power windows.

PERFECT:

FOR YOUR EVER-CHANGING LIFESTYLE

Not only is Grand Caravan the only vehicle in its class³ to offer Stow 'n Go[®] seating that lets you flip, fold and tumble your way to the perfect interior without physically removing any seats, it also boasts comfort, luxury and superior craftsmanship at every turn. The well-appointed interior design details include soft-touch surfaces, a flowing dash, tasteful chrome accents and steering wheel-mounted cruise and audio controls to help keep the driver's focus on the road ahead. Available amenities like the heated front- and second-row seats and a full-circumference heated steering wheel offer comfort in every climate. Opt for the fully integrated Super Console that contains four cup holders, two power outlets and covered storage to conceal your technology. This is the kind of smart, well-designed interior that outshines the competition.

THE INDUSTRY'S

MOST VERSATILE³

PASSENGER AND CARGO VEHICLE

81

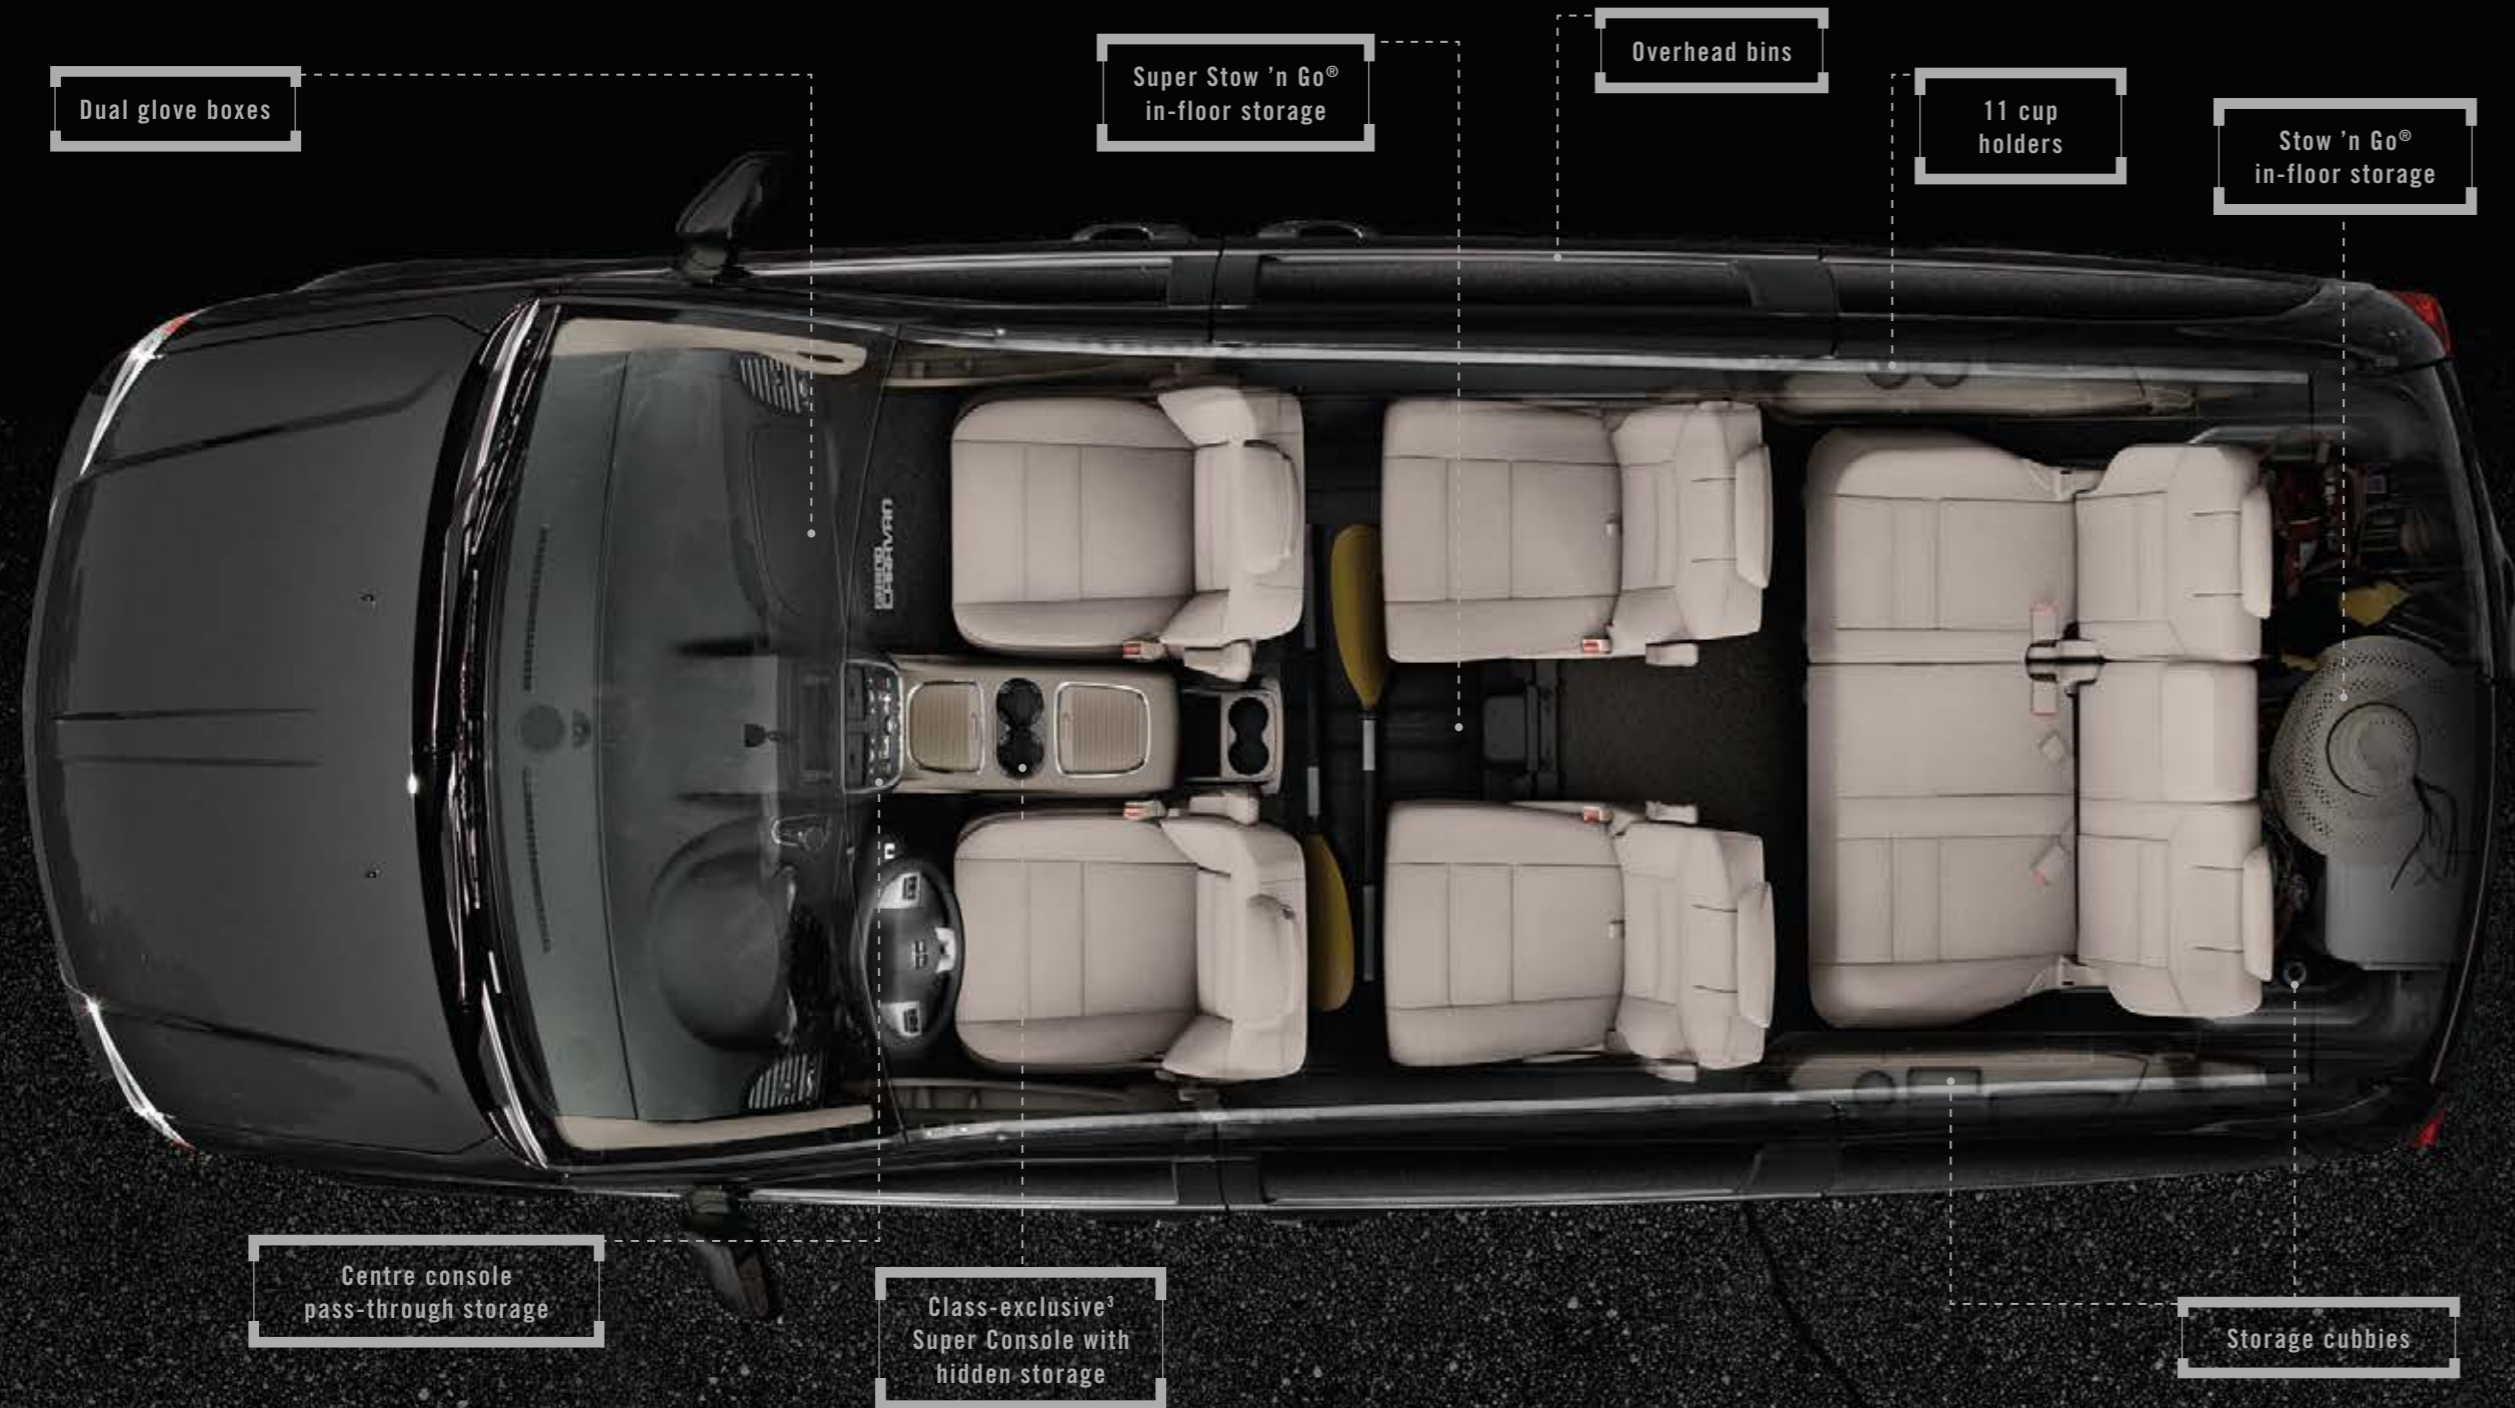

GRAND CARAVAN CREW SHOWN IN LIGHT GREYSTONE.

WITH 81 DIFFERENT SEATING AND CARGO CONFIGURATIONS and an interior designed to be incredibly flexible, Grand Caravan considers itself the mother of reinvention. Which is a good thing because where you go, what you do and who's with you today won't be the same tomorrow. Grand Caravan is the only vehicle in its class³ to offer second-row Super Stow 'n Go[®] seats that fold into the floor to give you easy access to the third-row seats or to a flat load floor for optimum cargo capacity.

Fold down the 60/40 split-folding third-row Stow 'n Go[®] seats and you've converted Grand Caravan from a seven-passenger powerhouse into an impressive cargo carrier offering 4,072 L of space. When in Park, the third-row seats can flip completely rearward to create class-exclusive³ tailgate seating. When all the seats are in their upright positions, travel essentials can be neatly stowed away in the generous in-floor storage bins. The available class-exclusive³ power-folding third-row Stow 'n Go provides four seating configurations.

STORAGE SOLUTIONS

THE MOST CONCEALED STORAGE SPACE IN ITS CLASS³

Grand Caravan has it, the competition doesn't — a best-in-class³ storage system that includes second-row in-floor storage bins. When Super Stow 'n Go® seats are upright, travel essentials can be tucked away for uncluttered access to the third-row seats — making life easier, especially for those helping little ones into child restraint seats. The third-row 60/40 split-folding Stow 'n Go seats also fold into the floor bin with a few easy pulls on the conveniently numbered straps. When in Park, the seat can flip completely rearward for tailgate seating. It's no wonder Grand Caravan is the best-selling and most awarded² minivan ever.

CONNECTED: NEAR AND FAR

TOUCHSCREEN: RADIOS

CONNECTIVITY /// You'll have multiple ways to access audio — use the standard auxiliary input jack, available USB port or Bluetooth® streaming audio to play music from compatible devices. Available SiriusXM satellite radio⁴ includes a one-year subscription and features favourite song, artist and game alerts as well as replay.

NAVIGATION /// Opt for the intuitive Garmin® navigation⁵ which can locate nearby points of interest and provides easy-to-understand directions, including lane guidance. Top it all off with a system that is clever enough to synchronize with your phone's address book⁶ — up to 1,000 entries — every time you get into your vehicle.

INFOTAINMENT /// Different levels of multimedia centres offer must-have features at every turn. The available 6.5-inch touchscreen features easy-to-navigate icons for AM/FM radio and available SiriusXM satellite radio⁴ controls, personal devices like an iPod® or available navigation and Bluetooth-compatible phones. Available hands-free communication⁷ allows you to use your voice to select AM/FM radio stations and SiriusXM satellite radio⁴ channels, as well as make/receive calls and send/receive text messages with a paired, compatible phone.⁸

EPICALLY AWESOME

MULTIMEDIA-VAN

MULTIPLY OF MINIVANS. We have the technology that kids crave and adults aren't overwhelmed by. Opt for the class-exclusive³ Dual Independent Blu-ray®/DVD Entertainment System and watch the latest movies in high quality. The system plays both Blu-ray and DVD formats and can be viewed from both second- and third-row screens.

With two available DVD players, HDMI inputs and second- and third-row screens, passengers have the ultimate choice in how they pass the time. They can watch the same movie on both screens, a separate movie on each screen or even opt to connect their gaming system.

Rear-seat passengers can tap into the entertainment system via conveniently located ports, or charge their personal electronics.

BEST-IN-CLASS³
TOWING

BEST-IN-CLASS³
HORSEPOWER
283 HP

GRAND CARAVAN R/T SHOWN IN GRANITE CRYSTAL METALLIC

Properly secure all cargo.

A BIG DOSE OF
BOLD ATTITUDE

CLASS-LEADING TOWING CAPACITY³ of up to 1,633 kg (3,600 lb) is only found on Grand Caravan. Whether it's loading up the interior with home improvement supplies, a trailer full of college dorm furniture or pulling the family watercraft, you'll easily get it done. When you're pulling that much weight, it's nice to know the standard Trailer Sway Control (TSC)⁹ will help you maintain control.

BEST-IN-CLASS HORSEPOWER AND TORQUE³ Grand Caravan's confident swagger comes from the acceleration of the 283-horsepower 3.6-litre Pentastar™ Variable Valve Timing (VVT) V6 engine. This three-time winner* of *Ward's* 10 Best Engines boasts advanced engine technology and an impressive 9.4 L/100 km (30 mpg) highway[†] fuel economy rating, which translates to an estimated 800 highway kilometres on a single tank of gas[‡]

A SMOOTH RIDE EVERYTIME. The suspension tuning, an efficient and easy-to-operate gated shifter, and a fuel-economizer feature that optimizes powertrain characteristics all work together to boost overall ride quality and help improve real-world fuel efficiency. For a tighter-tuned ride, choose Grand Caravan R/T. The R/T's standard performance suspension offers increased damper tuning and higher spring ratios for an exceptionally smooth ride and optimal cornering.

*Awarded in 2011, 2012 and 2013.

[†]EnerGuide estimated 13.7 L/100 km (21 mpg) city/9.4 L/100 km (30 mpg) highway. See page 23 for full details.

[‡]Driving range based on 2015 EnerGuide highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only.

55+

STANDARD AND AVAILABLE SAFETY/TECHNOLOGY FEATURES

Dodge engineers know it's the smallest things that matter most. So drive at ease knowing there are **more than 55 standard and available safety, security and technology features** travelling along with you. It begins with the sophisticated engineering of crumple zones and safety cage construction that work together to absorb impact energy and redirect it away from the passenger compartment in the unfortunate event of an accident. Grand Caravan also offers sensors on the outside of the vehicle to alert the driver of potential hazards, providing additional protection at every turn. Opt for the **Safety Sphere Group**, which includes automatic headlamps, Blind-Spot Monitoring with Rear Cross-Path Detection¹, Park-Sense Rear Park Assist¹ and rain-sensing windshield wipers.

BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION¹ // Dual radar sensors constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminating icons on the appropriate sideview mirror and by an audible chime. The system includes Rear Cross-Path Detection¹, which monitors for vehicles/objects in perpendicular relationships to the vehicle while backing out of tight parking spots.

BRAKE ASSIST // Utilizing intelligent software connected to the brake pedal and system, Brake Assist monitors the rate of pressure on the brake pedal. When it senses an emergency stop, it instantly applies the greatest possible pressure to the brakes, stopping the vehicle in the shortest time possible.

SEVEN AIR BAGS¹⁰ // In the event of a collision, side-curtain air bags¹⁰ and front-seat-mounted side air bags¹⁰ deploy, blanketing outboard positions in all three rows of seating. A driver's knee blocker¹⁰ increases driver-impact protection by offering upper leg protection, as well as helping position the driver relative to the front air bag¹⁰. Advanced multistage front air bags¹⁰ inflate with a force appropriate to the severity of the impact.

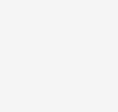

ELECTRONIC STABILITY CONTROL (ESC)⁹ // In adverse conditions, the ESC⁹ with electronic Brake Assist works with the advanced All-Speed Traction Control System to help the driver maintain vehicle directional stability and limit oversteering or understeering.

ANTILOCK BRAKE SYSTEM (ABS) // Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

PARK-SENSE[®] REAR PARK ASSIST¹ // When the vehicle is in Reverse, sensors detect the presence of objects within 1.98 metres (6.5 feet) in the back-up pathway and provide both an audible chime and a visual warning.

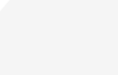

ENHANCED ACCIDENT RESPONSE SYSTEM // This system makes it easier for emergency personnel to see and reach occupants in the event of an accident by turning on interior lighting, flashing hazard lamps and unlocking doors after air bag¹⁰ deployment. It also shuts off the flow of fuel to the engine.

TRAILER SWAY CONTROL (TSC)⁹ // This system uses sensors to recognize when sway unique to trailering is occurring. The system then corrects the sway by applying brake pressure on alternating wheels.

ACTIVE FRONT HEAD RESTRAINTS¹¹ // Active front head restraints¹¹ automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint¹¹ and the occupant's head, helping provide added neck protection for both the driver and front passenger.

PARKVIEW[®] REAR BACK-UP CAMERA¹ // This system displays an accurate visual reference of what is behind your vehicle when in Reverse. It includes on-screen grid lines to show the proximity of the vehicle to obstacles.

MODELS

GRAND CARAVAN CVP

POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with 6-speed automatic

INTERIOR AMENITIES

- Air conditioning with front dual-zone manual temperature control
 - Front courtesy/map lamps
 - Fuel economizer mode
 - Luxury steering wheel with audio and cruise controls
 - Media Centre:
 - Radio 130 multimedia centre with 4 speakers
 - Power front windows, driver's one-touch down
 - Power locks
 - Seating:
 - Cloth low-back front bucket seats
 - Second-row bench seat and third-row Stow 'n Go® 60/40 split-folding seats with tailgate seating
 - Storage:
 - Dual glove boxes
 - Overhead console
 - Three 12-volt auxiliary power outlets
 - Tilt/telescoping steering column
- #### EXTERIOR FEATURES
- Black bodyside moulding, door handles and sill appliqué
 - Black grille with bright crosshairs
 - Black, power, heated mirrors, manual folding
 - Body-colour fascia
 - Quad-halogen headlamps
 - Wheels and Tires:
 - 17-inch wheel covers
 - 225/65R17 BSW Touring tires

SAFETY & SECURITY

- Active front head restraints¹¹
- Air bags¹⁰:
 - Advanced multistage driver and front-passenger
 - Driver's knee blocker
 - Supplemental front-seat-mounted side and all-row side-curtain
- Child Seat Anchor System (LATCH)
- Electronic Stability Control⁹ with All-Speed Traction Control and Trailer Sway Control⁹
- Engine block heater
- Enhanced Accident Response System (EARS)
- Four-wheel antilock disc brakes with Brake Assist
- Remote keyless entry
- Sentry Key® antitheft engine immobilizer
- Tire inflation kit
- Tire pressure monitoring warning lamp

CAPABILITY & FUNCTIONALITY

- Touring suspension
- #### OPTIONAL EQUIPMENT
- Black Stow 'n Place® Roof Rack System
 - Climate Group
 - Compact Spare Tire
 - Easy-Clean Floor Mats
 - Mopar® Body-Colour Running Boards
 - SE Plus Group
 - SiriusXM Satellite Radio with One-Year Subscription⁴
 - Uconnect® Hands-Free⁷ Group

GRAND CARAVAN SXT

POWERTRAIN

- 3.6L Pentastar VVT V6 with 6-speed automatic

ENHANCEMENTS vs. CVP

- Deep-tint sunscreen glass
- Easy-clean floor mats
- Exterior:

WARRANTIES: 2016 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-Year or 100,000-Kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

DISCLAIMERS: 1 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 2 Based on automotive awards for minivans 1984 through 2014. 3 Based on the latest available competitive information and *WardsAuto* Small Van segment (passenger vans only). Excludes other vehicles designed and manufactured by FCA US LLC. 4 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 5 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 6 Phone must support Bluetooth Phone Book Access Profile (PBAP). 7 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 8 Preset voice-to-text messaging and incoming text message reading requires a MAP-enabled phone. 9 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 10 The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 11 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 12 Not compatible with all garage door openers.
