

20 **18** DODGE

GRAND CARAVAN

2018 DODGE GRAND CARAVAN

CANADA'S BEST-SELLING MINIVAN FOR OVER 30 YEARS

For you, there is no going from Point A to Point B. Rather, your drive resembles a good portion of the alphabet — Point A to Point B to Points C through Z before circling back. Dodge Grand Caravan was built for people like you, for families like yours. Regardless of where your travels take you, Grand Caravan gets you there with uncompromising versatility, clever storage solutions, premium features, must-have technology and more than 65 standard and available safety and security features. This isn't just a people-mover, it's your get-it-done partner. For more than 30 years this is the minivan that's carried the confidence of families, their hobbies and their livelihoods.

CANADA'S #1-SELLING MINIVAN

INTERIOR:

IT'S WHAT'S ON THE INSIDE THAT COUNTS

Regardless of where your travels take you, Grand Caravan gets you there with ease. Available dual power sliding side doors, power liftgate and Super Stow 'n Go® seating let you load your precious cargo easily. Once inside, even a commute that used to feel more like a Himalayan trek becomes enjoyable thanks to plush surroundings and loads of convenient features.

Comfort, convenience, functionality, family-friendly details include soft-touch surfaces, steering wheel-mounted cruise and audio controls, and a sleek and functional dash. Opt for conveniences like the heated front- and second-row seats and a full-circumference heated steering wheel for optimum comfort. The available fully integrated Super Console houses four cup holders, two power outlets, and a stylish tambour door to hide your devices.

81

DIFFERENT SEATING CONFIGURATIONS

ENDLESS POSSIBILITIES // Take control of any situation — or any load — with 81 available seating configurations. How is Grand Caravan able to pack so much versatility into its interior? Easy! It's the only vehicle in its class¹ with second-row Super Stow 'n Go[®]. These seats effortlessly fold into the floor to give you flexibility and easy access to the third row. When both the second- and third-row seats are folded into the floor, the available cargo space triples to more than 3,973 L (140 cubic feet).

Additional storage is found in the second-row in-floor storage bins. When seats are upright, travel essentials can be tucked away for uncluttered access to the third-row seats — making life easier, especially for those helping little ones into child restraint seats.

The 60/40 split-folding Stow 'n Go third-row seats also fold into the floor bin with a few easy pulls on the conveniently numbered straps. When the vehicle is in Park, the seat can flip completely rearward for tailgate seating. It's no wonder Grand Caravan is adored by families everywhere.

CLASS-EXCLUSIVE STOW 'N GO

QUICK & EASY

Ensure the headrest is down.

Pull the side handle to move the seat to the folded position.

Move the carpet, open the floor lid and push the seat down.

Close the floor lid.

THE MOST CONCEALED STORAGE SPACE IN ITS CLASS'

Just because you don't see it, doesn't mean it's not there. One of the best-kept secrets of the Grand Caravan is its abundance of hidden storage. Up front, the available Super Console with unexposed storage is perfect for keeping track of small items and is within arm's reach of the driver for easy access.

When the available second-row Super Stow 'n Go® seats are upright, their bins become underfloor treasure chests where essential travel gear is neatly tucked away.

In addition to concealed storage, Grand Caravan also boasts ample storage behind the third-row seats, in front seatback cargo nets and in door map pockets.

EASILY ACCESSIBLE

KEEP CONNECTED // STAY ENTERTAINED

Uconnect®

LISTEN // There's more than one way to access your road trip playlists. Use the standard auxiliary audio input jack, or opt for the available Bluetooth® with remote USB port to stream audio from compatible devices. Available SiriusXM satellite radio³ includes a one-year subscription and features favourite song, artist and game alerts as well as replay.

SEEK // Navigating the world around you is simple when you opt for Garmin® navigation⁴. The system helps locate nearby points of interest and provides user-friendly directions, including lane guidance.

BE ENTERTAINED // There are several levels of available multimedia centres and each one offers essential features to keep you entertained. User-friendly icons on the available 6.5-inch touchscreen provide controls for the AM/FM radio, personal devices like an iPod® and Bluetooth-compatible phone, as well as available SiriusXM satellite radio³ and navigation capability. Available hands-free communication⁵ allows you to use your voice to select AM/FM radio stations and SiriusXM satellite radio³ channels, as well as make/receive calls and send/receive text messages with a paired, compatible phone.⁶

ENTERTAINMENT: AT THE TOUCH OF A BUTTON

ENTICING ENTERTAINMENT. Hook up passengers with their music, portable gaming devices and favourite movies for a road trip that leaves the sibling squabbling at home.

The available DVD entertainment system with second-row overhead nine-inch screen allows second- and third-row passengers to watch movies in high quality. Better yet, the system comes with wireless headphones and a remote control so they can focus on their entertainment while you enjoy your own music up front.

Grand Caravan models equipped with the DVD system also feature an HDMI input. When the show's over, passengers can tap into the entertainment system and hook up portable, compatible gaming systems for some friendly competition. Conveniently located ports let rear-seat passengers charge electronic devices via dual USB ports, a 12-volt auxiliary power outlet and 115-volt two-prong power outlet.

CANADA'S BEST-SELLING ENGINE²

V6

PENTASTAR V6 **3.6L**

HANDLES LIFE AND THE ROAD WITH EASE

AWARD-WINNING* 3.6-LITRE PENTASTAR™ V6 WITH VARIABLE VALVE TIMING (VVT). Grand Caravan's power is found in the acceleration of the 283-horsepower, 260 lb-ft of torque 3.6-litre V6 engine. Advanced engine technology allows for a 9.4 L/100 km (30 mpg) highway^{7†} fuel economy rating, which translates to an estimated 800 highway kilometres on a single tank of gas.[‡]

BEST-IN-CLASS TOWING CAPACITY! Grand Caravan flexes its muscles through its ability to tow up to an impressive Best-in-Class 1,633 kg (3,600 lb)! When you're pulling that much weight, it's comforting to know that the standard Trailer Sway Control (TSC) will help you maintain control of the vehicle by using sensors to detect excessive sway, and automatically take steps to reduce that sway.

SMOOTH MOVES. Real-world fuel efficiency and overall ride quality are maximized by Grand Caravan's suspension tuning, an efficient gated shifter, and a fuel-economizer feature that optimizes powertrain characteristics. For a tighter-tuned ride, choose Grand Caravan GT. The GT model's standard performance suspension produces increased damper tuning and higher spring ratios for an exceptionally smooth ride and optimal cornering.

*WardsAuto "10 Best Engine" winner in 2011, 2012 and 2013.

[†]See page 23 for full fuel economy details.

[‡]Driving range based on 2017 *EnerGuide* highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only.

65+

STANDARD / AVAILABLE
SAFETY, SECURITY & TECHNOLOGY FEATURES

SAFETY FIRST

More important than the ease of power doors, the abundance of entertainment and exceptional flexibility is the protection of every passenger. That's why Grand Caravan has more than 65 standard and available safety, security and technology features.

BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION⁸

Dual radar sensors are constantly monitoring driver blind spots, providing notification of an encroaching vehicle via illuminating icons on the appropriate sideview mirror and by an audible chime if the turn signal is activated. The system includes Rear Cross-Path Detection, which monitors for vehicles/objects in perpendicular relationships to the vehicle while, for example, backing out of tight parking spots.

SEVEN AIR BAGS⁹

In the event of a collision, side-curtain air bags and front-seat-mounted side air bags deploy, blanketing outboard positions in all three rows of seating. A driver's knee blocker increases driver-impact protection by offering upper leg protection, as well as helping position the driver relative to the front air bag. Advanced multistage front air bags inflate with a force appropriate to the severity of the impact.

ELECTRONIC STABILITY CONTROL (ESC)¹⁰

In adverse conditions, ESC with electronic Brake Assist works with the advanced All-Speed Traction Control System to help the driver maintain vehicle directional stability and limit oversteering or understeering.

PARK-SENSE[®] REAR PARK ASSIST SYSTEM⁸

When the vehicle is in Reverse, sensors detect the presence of objects within 1.98 metres (6.5 feet) in the back-up pathway and provide both an audible chime and a visual warning.

PARKVIEW[®] REAR BACK-UP CAMERA⁸

This system displays an accurate visual reference of what is behind your vehicle when in Reverse. It includes on-screen grid lines to show the proximity of the vehicle to obstacles.

TRAILER SWAY CONTROL (TSC)

Utilizing sensors this system recognizes when sway unique to trailering is occurring. The system then corrects the sway by alternately applying brake pressure on the wheels.

ACTIVE FRONT HEAD RESTRAINTS¹¹

Active front head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping provide added neck protection for both the driver and front passenger.

MODELS

CVP

POWERTRAIN

WARRANTIES: 2018 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-Year or 100,000-Kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

DISCLAIMERS: 1 Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. When properly equipped. 2 Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light-Duty and Medium-/Heavy-Duty Trucks. 3 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 4 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 5 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 6 Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 7 Based on 2018 *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for *EnerGuide* information. Miles per gallon (mpg) ratings based on imperial gallon. 8 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 9 The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 10 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 11 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 12 Not compatible with all garage door openers.
