DODGE

DURANGO

2014 

## DODGE DURANGO

*Known for its sophisticated seven-passenger interior. Admired for its all-in capability. Valued for its technology. Dodge Durango has earned a reputation as solid as its performance. In fact, it's the most technologically advanced, fuel-efficient and dramatically styled Durango ever. One drive, one look and we're sure you'll agree — Durango offers the versatility of a crossover, the capability of an SUV and the bold performance feared by its competition.*

# BEST-IN-CLASS V6 AND V8 TOWING<sup>1</sup>

Durango R/T shown in Brilliant Black Crystal Pearl.  
Properly secure all cargo.

**3.6L PENTASTAR™ VVT V6**  
**6,200** LB TOWING<sup>2</sup>  
**290** // **260**  
HORSEPOWER // LB-FT TORQUE  
AS EFFICIENT AS **8.3 L/100 KM** HWY\*  
EIGHT-SPEED AUTOMATIC

*BENEATH THE BEAUTY OF ITS SLEEK EXTERIOR* is a double-minded powertrain built to effortlessly devour highways without gorging on gas. Add in a near 50/50 weight distribution with four-wheel independent suspension and Durango further separates itself from the competition.

**5.7L HEMI® VVT V8**  
**7,200** LB TOWING<sup>2</sup>  
**360** // **390**  
HORSEPOWER // LB-FT TORQUE  
AS EFFICIENT AS **9.1 L/100 KM** HWY\*  
EIGHT-SPEED AUTOMATIC

**STANDARD ALL-WHEEL DRIVE (AWD)** — This fully automatic and seamless system works with active variable torque distribution and electronic brake distribution control for enhanced vehicle stability. V8 models include a low range on the transfer case for extreme driving situations.

**5.7-LITRE HEMI® VVT V8** — With FuelSaver Multi-Displacement System (MDS) technology, this legendary powerplant gives drivers impressive fuel economy ratings of up to 9.1 L/100 km (31 mpg) highway\*. FuelSaver MDS technology seamlessly transitions from eight cylinders to four when full power is not required. This powerhouse delivers Best-in-Class<sup>3</sup> power with 360 horsepower and 390 lb-ft of torque.

**CLASS-EXCLUSIVE<sup>4</sup> EIGHT-SPEED AUTOMATIC** — Durango's performance is redefined by a standard eight-speed automatic transmission with Eco Mode that yields improved fuel efficiency — up to six percent — quicker acceleration and smoother shifting. New standard performance-inspired die-cast steering wheel-mounted paddle shifters add a more personalized driving experience.

\*See page 19 for full details.

\*See page 19 for full details.

## UP TO 50 DIFFERENT SEATING CONFIGURATIONS.

**WHY SO MANY SEATING CONFIGURATIONS?** The answer is simple: Dodge doesn't believe in a one-size-fits-all interior. Who and what you need to take today will not be the same tomorrow. On that principle, Durango's engineers designed a fluid interior made to move right along with your ever-changing lifestyle. Regardless of where you and your passengers are sitting, you'll appreciate the high performance sound from the Alpine® Premium sound system. This available system utilizes a high-powered, 12-channel, 506-watt amplifier powering nine speakers and a subwoofer. Still not enough entertainment? Watch the latest movies or play your favourite games in high quality with the available dual Blu-ray™/DVD entertainment system featuring nine-inch seatback-mounted VGA screens.

R/T shown with available captain's chairs and 2nd row console.

Durango R/T shown in Redline Pearl.  
Durango Limited in Bright White.

## *SPORTY RALLYE AND R/T.*

Both Durango Rallye and R/T trim levels feature matching exterior DNA. It starts with sleek, monochromatic wheel flares and sill moulding, a body-colour grille with black accents, impressive 20-inch painted Hyper Black aluminum wheels, and unique front and rear fascia and headlamps with black pockets. Look beneath the surface of R/T and you'll find a 20-mm-lower ride height, sport suspension, unique exhaust tuning and the legendary 360-horsepower 5.7-litre HEMI® Variable Valve Timing (VVT) V8 engine. The R/T interior is uniquely styled in leather-faced seating.

## *LUXURY WITH LIMITED.*

The Limited model offers an impressive combination of upscale features and comforts at an incredible value. It boasts heated front and second-row seats; a heated leather-wrapped steering wheel; driver's memory setting for exterior mirrors, seat position and radio; Park-Sense® Rear Park Assist System,<sup>5</sup> ParkView® Rear Back-up Camera,<sup>5</sup> remote start system and more. Limited's exterior is adorned with distinguishing features such as 18-inch polished-faced aluminum wheels with Mineral Grey pockets and a bright exhaust tip(s).

Durango Citadel in Light Frost.

## ***FLEXIBILITY AND CRAFTSMANSHIP IN EQUAL MEASURE.***

Slide into Durango's driver's seat and it becomes instantly clear that this is the no-compromise SUV. Not only will a powerful and efficient powertrain take you the distance, but the interior will indulge you with both premium details as well as an amazing degree of flexibility. Refined craftsmanship, abundant soft-touch surfaces, bright accents, available heated and ventilated Nappa leather-faced seats, and class-exclusive<sup>4</sup> technology surround you. Standard seven-passenger seating includes a fold-flat front-passenger seat, 60/40 split-fold-flat second-row reclining bench

seats with integrated padded centre armrest with cup holders and 50/50 split-folding third-row seats. Opt for cloth or heated leather-faced fold-and-tumble second-row captain's chairs with soft-touch armrests and floor-mounted mini console with cup holders for six-passenger seating. An available second-row centre console with accent stitching boasts four different storage areas, illuminated cup holders, a USB port for charging and a 12-volt power outlet that supports compatible video game hookups, personal DVD player and smartphone charging.

# SAFETY: TECHNOLOGY

## BLIND-SPOT MONITORING<sup>6</sup> WITH REAR CROSS-PATH DETECTION<sup>5</sup>

This available technology has dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When in Reverse, rear sensors warn the driver with an audible chime if cross traffic approaches.

## ELECTRONIC STABILITY CONTROL (ESC)<sup>7</sup>

A standard vehicle-wide network of safety sensors provides instant aid when it detects you're veering off your intended path. This robust system includes Electronic Roll Mitigation (ERM), antilock brake system (ABS) with Brake Assist, all-speed traction control, and Trailer Sway Control (TSC).

## PARK-SENSE<sup>®</sup> REAR PARK ASSIST<sup>5</sup>

When in Reverse, sensors detect the presence of objects within 1.98 m (6.5 ft) of the backup pathway and provide both an audible chime and a visual warning. Available.

## ACTIVE FRONT HEAD RESTRAINTS<sup>8</sup>

Our active front head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping provide added neck protection for both the driver and front passenger.

## RAIN BRAKE SUPPORT

When the windshield wipers have been activated, it pulses the brake pads closer to the spinning rotors — helping keep the rotors and pads dry for greater control and operator security.

## AIR BAGS<sup>9</sup>

Your sense of security is fully met with Durango's all-around air bag system. Full-length side-curtain, seat-mounted side thorax, driver's side knee blocker, supplemental front seat-mounted side and advanced multistage front air bags all work in tandem to help provide protection.

## FORWARD COLLISION WARNING (FCW)<sup>10</sup> WITH MITIGATION

Radar sensors detect when your vehicle may be approaching an object too rapidly, alerting the driver with both an audible chime and a visual warning. Available.

## ADAPTIVE CRUISE CONTROL (ACC) WITH STOP<sup>10</sup>

Automatically decreases preset cruise-control speed when approaching another vehicle in the same lane or when another vehicle pulls into the same lane. The system will accelerate to the preset speed when the vehicle in the front speeds up or moves into another lane. ACC will maintain a driver-adjustable distance between the vehicle and the one in front of it and can bring Durango to a controlled stop. Available.

## READY ALERT BRAKING

Utilizes intelligent software connected to the braking system and pedal. It can sense the rate of pressure on the brake pedal and, when it senses an emergency stop, it instantly applies the greatest possible pressure to the brakes, stopping the vehicle in the shortest time possible.

## HILL START ASSIST

Automatically applies the brakes for two seconds on hills and inclines, holding the vehicle stationary to allow the driver time to apply the throttle.

OFFERS OVER 60 SAFETY AND SECURITY FEATURES.

## WELL-CONNECTED.

Engineered with technology, Uconnect™ brings a range of communication and entertainment services directly to your Durango. Intuitive and customizable, available Uconnect systems include a touch-screen display up to 8.4 inches and steering wheel-mounted controls that operate features like a Bluetooth® enabled phone, hands-free communication,<sup>12</sup> navigation,<sup>11</sup> radio, cruise control and more. Every new Durango comes with a one-year SiriusXM Satellite Radio<sup>13</sup> subscription.

## VOICE TEXTING.

Powerful voice texting<sup>14</sup> on compatible Bluetooth phones lets drivers hear a text and send a pre-formatted message while hands stay on the wheel and eyes on the road.

## A BRILLIANT DISPLAY.

With the available 7-inch customizable in-cluster display centre — this is command central. From here you get real-time information on performance, available navigation<sup>11</sup> and vehicle status in full colour and with rich graphics. Your ability to customize is near

limitless. You can view vivid turn-by-turn navigation<sup>11</sup> information, receive alerts with available Blind-Spot Monitoring (BSM)<sup>6</sup> or track performance and average fuel economy so you can grab the most power while using the least drops of gas.

## DURANGO SXT

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with 8-speed automatic (23B)

### INTERIOR AMENITIES

- Premium cloth low-back bucket seats
- Power 12-way driver's seat including 4-way lumbar adjust
- Seven-passenger seating
- Uconnect™ 5.0 with 5-inch touch screen, hands-free communication,<sup>12</sup> Bluetooth® streaming audio, USB port, SD card slot and auxiliary input jack
- SiriusXM Satellite Radio with one-year subscription<sup>13</sup>
- 7-inch customizable in-cluster display centre
- Auto-dimming rearview mirror with microphone
- Leather-wrapped steering wheel
- Steering wheel-mounted paddle shifters, cruise and audio controls
- Full-length floor and overhead console
- Third-row seats with remote folding head restraints
- Second-row 60/40 split fold-and-tumble seat
- Front passenger forward-fold-flat seat
- Two 12-volt auxiliary power outlets
- Air conditioning with automatic tri-zone temperature control
- Power locks and windows with front one-touch up/down
- Illuminated entry
- Front and rear interior LED lamps
- Door trim panel with ambient lighting and illuminated cup holders
- Power/telescoping steering column

### EXTERIOR FEATURES

- 18-inch Tech Silver aluminum wheels
- P265/60R18 BSW on-/off-road Michelin® tires
- Automatic headlamps with chrome treatments
- LED taillamps with red accents
- Body-colour mirrors and door handles
- Power, heated exterior mirrors; manual folding
- Projector fog lamps
- Roof rack with bright side rails

### SAFETY & SECURITY

- Electronic Stability Control<sup>7</sup> with Ready Alert Braking, Four-wheel Traction Control, Trailer Sway Control and Hill Start Assist
- Four-wheel disc antilock brakes with Rain Brake Support
- Power locking and capless fuel filler door
- Active front head restraints<sup>8</sup>
- Driver's knee blocker air bag<sup>9</sup> advanced multistage front, supplemental front-seat side and supplemental side-curtain front/rear air bags
- Remote Keyless Enter™ with remote proximity entry
- Sentry Key® antitheft engine immobilizer
- Tire pressure monitoring system
- Enhanced Accident Response System

### CAPABILITY & FUNCTIONALITY

- Rotary dial shifter
- 180-amp alternator
- 700-amp maintenance-free battery
- 195-mm front and rear axle
- 3.45 rear axle ratio
- Power rack and pinion steering

### OPTIONAL EQUIPMENT

- 20-inch Satin Silver Wheels
- Mopar® Chrome Appearance Group
- Trailer Tow Group IV
- Popular Equipment Group
- Mopar Black/Chrome Appearance Group
- Second-Row Fold-and-Tumble Captain's Chairs
- Second-Row Console with Storage and Armrest
- Cargo Compartment Cover
- Skid Plate Group
- Power Sunroof
- Single-Disc Remote CD Player

## DURANGO SXT RALLYE

### POWERTRAIN

- 3.6L Pentastar VVT V6 with 8-speed automatic (23B + AZC)

### ENHANCEMENTS vs. SXT

- 295 horsepower
- 20-inch Hyper Black aluminum wheels
- P265/50R20 BSW All-Season Goodyear® tires
- Dual rear exhaust with bright tips
- Black headlamp treatments
- Body-colour wheel lip moulding, sill moulding, front and rear fascia
- Body-colour split crosshair grille and surround with black inserts
- Note: Deletes roof rack

### OPTIONAL EQUIPMENT

- Mopar Chrome Appearance Group
- Trailer Tow Group IV
- Popular Equipment Group
- Mopar Black/Chrome Appearance Group
- Second-Row Fold-and-Tumble Captain's Chairs
- Second-Row Console with Storage and Armrest
- Skid Plate Group
- Power Sunroof
- Single-Disc Remote CD Player
- Cargo Compartment Cover

## DURANGO LIMITED

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with 8-speed automatic (23E)
- 5.7L HEMI® VVT V8 with Multi-Displacement System (MDS) and 8-speed automatic (27E)

### ENHANCEMENTS vs. RALLYE

- Leather-faced bucket seats
- Power 6-way front passenger seat with power 4-way lumbar adjust
- 18-inch polished-faced aluminum wheels with Mineral Grey pockets
- Heated front and second-row seats
- Leather-wrapped, heated steering wheel
- Driver's memory settings for exterior mirrors, seat and radio
- Auto-dimming exterior driver's side mirror
- LED daytime running lights
- Premium interior door trim with bright chrome and wood accents
- Park-Sense® Rear Park Assist System<sup>5</sup>
- ParkView® Rear Back-up Camera<sup>5</sup>
- Remote start system
- Bright exhaust tip (with 3.6L engine)
- Dual bright exhaust tips (with 5.7L engine)
- Security alarm
- Universal Garage Door Opener<sup>15</sup>
- Sun visors with illuminated vanity mirrors
- Bright front door sill scuff pads
- 115-volt auxiliary power outlet
- Dual remote USB ports for charging
- Exterior mirrors with supplemental signals

### OPTIONAL EQUIPMENT

- 20-inch Full-Polished Aluminum Wheels
- Mopar® Chrome Appearance Group
- Trailer Tow Group IV
- Mopar Black/Chrome Appearance Group
- Second-Row Fold-and-Tumble Captain's Chairs
- Second-Row Console with Storage and Armrest
- Safety/Security & Convenience Group
- Skid Plate Group
- Power Sunroof
- Single-Disc Remote CD Player
- Rear DVD Entertainment Centre
- Uconnect™ 8.4A Multimedia Centre with 8.4-inch Touch Screen (Nav Ready<sup>16</sup>)
- Nine Amplified Speakers with Subwoofer

## DURANGO R/T

### POWERTRAIN

- 5.7L HEMI VVT V8 with MDS and 8-speed automatic (27S)

### ENHANCEMENTS vs. LIMITED

- Leather-faced seating with red accent stitching and red R/T logo
- 20-inch Hyper Black aluminum wheels
- P265/50R20 BSW All-Season Goodyear® tires
- Two-speed on-demand transfer case
- 3.09 rear axle ratio
- 230-mm rear axle
- Low-beam High Intensity Discharge (HID) headlamps with auto-levelling
- Black headlamp treatments
- Power liftgate
- Body-colour wheel lip moulding, sill moulding, front and rear fascia
- High-speed engine controller
- Nine amplified speakers with subwoofer
- Body-colour shark-fin antenna
- Performance steering and sport suspension
- Rear load-levelling suspension
- Power tilt/telescoping steering column
- Full-size spare tire
- Heavy-duty, four-wheel disc antilock brakes
- Note: Deletes roof rack

### OPTIONAL EQUIPMENT

# PACKAGE DETAILS

## TECHNOLOGY GROUP

- Advanced brake assist
- Forward Collision Warning Plus<sup>10</sup>
- Adaptive Cruise Control with Stop<sup>10</sup>
- Blind-Spot Monitoring<sup>6</sup> and Rear Cross-Path Detection<sup>9</sup>

## SKID PLATE GROUP

- Fuel tank skid plate shield
- Transfer case skid plate shield
- Underbody skid plate
- Front suspension skid plate

## MOPAR® CHROME APPEARANCE GROUP

- Mopar Front and Rear Door Entry Guards
- Mopar Chrome Exhaust Tips
- Mopar Bright Pedal Kit
- Mopar Chrome Mirror Covers
- Mopar Chrome Tubular Side Steps

## REAR DVD ENTERTAINMENT CENTRE

- Power 8-way driver and front passenger seats
- Blu-ray™ compatible dual-screen rear video system

## TRAILER TOW GROUP IV

- Heavy-duty engine cooling
- Class IV hitch receiver
- 4- and 7-pin wiring harness
- Rear load-leveling suspension
- Full-size spare tire
- 220-amp alternator
- Steel spare wheel

## MOPAR BLACK/CHROME APPEARANCE GROUP

- Mopar Front and Rear Door Entry Guards
- Mopar Bright Pedal Kit
- Mopar Black Tubular Side Steps

## SECOND-ROW FOLD-AND-TUMBLE CAPTAIN'S CHAIRS

- Second-row captain's chairs with inboard armrests
- Second-row mini console with cup holders
- Third-row mini floor mat

## SECOND-ROW CONSOLE WITH STORAGE AND ARMREST

- Third-row floor mat
- 12-volt auxiliary power outlet in console
- Illuminated rear cup holders
- USB charging port in console

## POPULAR EQUIPMENT GROUP

- Heated front seats
- Heated steering wheel
- Park-Sense® Rear Park Assist System<sup>5</sup>
- ParkView® Rear Back-up Camera<sup>3</sup>

## SAFETY/SECURITY & CONVENIENCE GROUP

- Cargo compartment cover and net
- Rain-sensing windshield wipers
- Low-beam High Intensity Discharge (HID) headlamps with auto-leveling and high-beam control
- Power tilt/telescoping steering column
- Blind-Spot Monitoring<sup>6</sup> and Rear Cross-Path Detection<sup>9</sup>

## PREMIUM NAPPA LEATHER GROUP

- Nappa leather-faced bucket seats with Red accent stitching
- Ventilated front seats
- Cargo compartment cover and net
- Floor console with leather armrest
- Leather-wrapped door trim panels
- Rain-sensing windshield wipers
- Power 8-way driver's seat with memory
- Power 8-way passenger seat
- Perforated leather-wrapped steering wheel
- Power tilt/telescoping steering column
- Automatic high-beam headlamp control

## NINE AMPLIFIED SPEAKERS WITH SUBWOOFER

- Nine Alpine® speakers
- 506-watt amplifier

# MULTIMEDIA CENTRES

## UCONNECT™ 5.0

- AM/FM
- Auxiliary input jack
- Remote USB port
- Hands-free communication<sup>12</sup>
- Bluetooth Streaming Audio
- 5-inch touch screen
- SD card slot

## UCONNECT 8.4A

- Uconnect 5.0 features plus:
- 8.4-inch touch screen
- Nav Ready,<sup>15</sup> see your retailer for details

## UCONNECT 8.4AN

**DISCLAIMERS:** 1 Based on 2013 *Ward's* Mid-size Sport Utility segmentation. When properly equipped. 2 When properly equipped. 3 Based on 2013 *Ward's* Mid-size Sport Utility segmentation and combined horsepower and torque ratings. 4 Based on 2013 *Ward's* Mid-size Sport Utility segmentation. 5 Always check entire surroundings before manoeuvring your vehicle. 6 Always check visually for vehicles prior to changing lanes. 7 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 8 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9 The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 10 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 11 Never program while driving. GPS mapping and available 3D navigation may not be detailed in all areas or reflect current road regulations. 12 Driving while distracted can result in loss of vehicle control. Voice commands of phone require a Bluetooth compatible phone. 13 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca) 14 Preset voice to text messaging and incoming text message reading requires a MAP enabled phone. 15 Not compatible with all garage door openers. 16 Additional fees will apply for dealer activated navigation.

# 100 YEARS OF **DODGE**

One hundred years ago, the first Dodge vehicle was introduced — and the roads have never been the same since. Dodge was, and still is, a brand that stands for standing out. A brand with the inherent belief that your vehicle should move you in more ways than one. This is Dodge.
