2013 DODGE CHARGER

REASONS TO BUY

What do you get when you combine heritage-inspired styling, a world-class interior and jaw-dropping performance? That's right, you get 100% Dodge Charger – the sports sedan that has something for every driver.

Say your customer is in the market for a sedan that makes a statement while it sips fuel. The Dodge Charger 3.6L V6 engine paired with a class-exclusive 8-speed transmission answers the call with an EnerGuide Rating up to 10.9 L/100 km (26 mpg) city/6.4 L/100 km (44 mpg) highway – and it comes standard on SXT and SXT Plus models and is available on Charger SE.

Buyer's looking for luxury with attitude need look no further than R/T and R/T AWD models, complete with performance seating, Uconnect™ media centres and the powerhouse 5.7L HEMI® V8 which delivers a combination of class-leading V8 horsepower and fuel economy.

For the driver who wants nothing less than an icon of old-school Motor City muscle with new age technology and comfort, the R/T Road Track and SRT® models have jaw-dropping power and performance. The 6.4L engine on SRT® gets from 0-100 km in the high 4-second range and boasts a top-speed of 280 km/h.

Key Reasons To Buy

- Best-in-Class fuel economy
- Dramatic bold heritage-inspired design
- Best-in-Class standard V6 horsepower
- Available 5.7L HEMI® V8 with 370 hp/395 lb-ft of torque
- SRT® with 470 hp/470 lb-ft of torque, 6.4L HEMI® V8, paddle-shifters and more!
- Available AWD with class-exclusive active transfer case and front-axle disconnect
- Premium interior featuring soft-touch surfaces
- More than 45 safety & security features
- The 2012 Dodge Charger was an IIHS Top Safety Pick – Insurance Institute for Highway Safety
- Award winning 3.6L Pentastar™ VVT V6
- Largest touch-screen radio in it's class
- The 2012 Dodge Charger received a 5-star safety rating from the National Highway and Traffic Safety Administration
- Winner of the 'Breakthrough technology award' for 2012 by Edmunds.com

Assembly Location

- Brampton, Ontario, Canada

Market Exclusives/Recognition

- Charger is the most powerful sedan in its class

Charger has:

- Best-in-Class standard V6 horsepower
- A segment-exclusive 5-link rear suspension
- Segment-exclusive on-demand transfer case with front-axle disconnect

2013 Dodge Charger – What's New

Dodge Charger is synonymous with legendary power and style – and in 2013, the legacy continues with brains, beauty and brawn you can boast about.

And with Charger's iconic style and powerful performance comes a world-class interior and fuel efficiency to match. Equipped with the 3.6L Pentastar™ V6 engine, Charger features Best-in-Class 44 mpg (6.4 L/100 km) on the highway – along with Best-in-Class all-wheel-drive highway fuel economy at 39 mpg (7.3 L/100 km).

Charger enters 2013 with several aesthetic upgrades, further polishing its powerful appearance. Available body-colour rear spoilers and new wheel designs bring its under-the-hood performance to life. Whether you're driving down an open stretch of highway or pulling into your driveway, the 2013 Dodge Charger's overtly athletic posture is unmistakable.

KEY UPDATES

- New 20-inch wheels offered as a standalone option on Charger SXT and SXT Plus
- Rallye group adds a body-colour spoiler
- 19-speaker Harman Kardon® audio system now a no-charge option on Charger SRT
- New 20-inch Black Vapour SRT-designed wheels standard on Charger SRT
- Charger Blacktop Edition features:
 - 300 horsepower
 - Body-colour rear spoiler
 - Beats Audio® sound system
- Steering wheel-mounted paddle shifters

SUVPS

SAFETY/SECURITY

- Structural safety cage features dual-phase high-strength steel
- Available quad halogen reflector headlamps with light piping
- Available xenon HID headlamps and SmartBeam™ headlamps
- Available projector fog lamps
- Electronic Stability Control with Brake Assist and All-Speed Traction Control
- Reactive head restraints
- Four-wheel disc brakes with antilock brakes
- Available Adaptive Cruise Control & Forward Collision Warning system
- Available rain-sensing wipers
- Available power adjustable pedals with memory
- Available Blind Spot Monitoring and Rear Cross Path system
- Tire Pressure Monitoring System
- Side-curtain air bags
- Front seat-mounted thorax and pelvic air bags
- Folding flag side-mounted mirrors with available side-object detection
- Advanced multistage front air bags
- Ready Alert Braking anticipates emergency braking situations and automatically sets brake pads against rotors to decrease time required for full-brake application
- Rain Brake Support applies slight pressure and dries the brake disc when wipers are activated
- Available Park-Sense® Rear Park Assist
- Available security alarm
- Sentry Key® anti-theft engine immobilizer

UTILITY

- Standard manual and available power tilt-telescopic steering column
- Available Remote Start system
- Flexible interior capabilities (available 60/40 split-folding rear seat and spacious trunk)
- Capless fuel filler system with locking fuel door
- LED-illuminated heated and cooled front cupholders and available LED map pocket lighting
- Available universal garage door opener
- Available advanced technologies (in-cluster Electronic Vehicle Information Centre, dual-zone automatic temperature control with humidity sensor)
- Dual compartment centre console with interior illumination
- Connectivity Group for SE includes Uconnect™ hands-free communication with Bluetooth®, leather-wrapped steering wheel, leather-wrapped shift knob, auto-dimming rearview mirror with microphone
- Available Navigation/Rear Back-Up Group for SXT, SXT Plus, R/T, Road Track includes Uconnect™ 8.4N (navigation) and ParkView® Rear Back-Up Camera
- Available Driver Confidence Group for R/T, R/T Road Track, SRT® (must have Driver Convenience Group) includes ParkView® Rear Back-Up Camera, Blind Spot Monitoring with Rear Cross Path Detection, power heated mirrors, manual folding, and rain-sensitive wiper system
- Available Beats Audio® Group for R/T Road Track includes Beats Audio premium 9-speaker audio system with 552-watt amplifier
- Available Uconnect™ media centres allow user to play a variety of media including CDs, DVDs, USB drives, MP3/WMA files and SiriusXM Satellite Radio (includes free one-year subscription service)
- Standard Uconnect™ 8.4N, for SRT® includes 8.4-inch touch-screen audio system with integrated HVAC controls, SiriusXM™ Satellite Radio, Garmin® Navigation and SRT Performances pages
- Available Uconnect™ hands-free communication with Bluetooth® allows driver to keep hands on the wheel and eyes on the road while making/receiving calls
- Available Uconnect 8.4N, includes Garmin® navigation, points of interest
- Standard premium 6-speaker sound system
- Available premium audio group with 6 premium speakers and 276 watt amplifier
- Available premium 10-speaker sound system with 552-watt digital amplifier
- Available 19-speaker SRT high-performance audio with 900-watt digital amplifier for SRT
- Acoustic windshield and front door glass
- Keyless Enter 'n Go™ ignition/entry system with remote proximity entry allows driver to open the driver's door, as well as start the vehicle, without removing the key from a pocket or purse

MODEL LINEUP

Model Lineup

CHARGER SE

Selected Standard Equipment:

- 3.6L Pentastar™ VVT V6 (292 hp and 260 lb-ft of torque) with 5-speed automatic
- 17-inch aluminum wheels
- Premium cloth seating
- Uconnect™ with 4.3 -inch touch screen, CD/MP3 and six speakers
- Electronic Stability Control including: Hill Start Assist, Ready Alert Braking, All-Speed Traction Control, Brake Assist and Rain Brake Support
- Air conditioning with dual-zone temperature control
- Keyless Enter 'n Go™ with proximity sensor
- LED rear taillamps, and dual rear exhaust with bright tips
- Power six-way driver's seat
- Power heated exterior mirrors, manual folding
- Rear 60/40 split-folding rear seat
- Leather-wrapped tilt/telescopic steering wheel with cruise and audio controls
- Acoustic windshield and front side glass
- Reactive front head restraints, seven standard air bags
- Four-wheel disc antilock brakes
- Seven standard air bags

CHARGER SXT

Differences/upgrades vs. SE

- 8-speed automatic transmission
- 18-inch aluminum wheels (19-inch on all-wheel drive)
- Fog lamps
- Power heated manual fold away mirrors
- Heated front seats
- Uconnect™ hands-free communication with Bluetooth®
- SiriusXM Satellite Radio with one-year subscription
- Six premium speakers with 276-watt amplifier
- 12-way power driver's seat
- Leather-wrapped steering wheel and shift knob
- Remote start
- Universal garage door opener
- Uconnect 8.4 with 8.4-inch touch-screen
- Auto-dimming rearview mirrors with microphone

CHARGER SXT PLUS

Differences/upgrades vs. SXT:

- Nappa leather-faced seats
- 12-way power driver's seat including 4-way lumbar adjust
- Heated second-row seats
- Driver and front passenger lower LED lamps
- Security alarm
- Heated and cooled front cup holders

Internal Document Only

AVAILABLE OPTIONS

- Connectivity Group (SE)
- Uconnect™ 4.3S (SE)
- 8-speed automatic transmission (SE)
- 18-inch chrome clad aluminum wheels (SXT and SXT Plus)
- Blacktop package (SXT and SXT Plus)
- Rallye Group (SXT and SXT Plus)
- Rear body colour spoiler (SXT and SXT Plus)
- Driver Confidence Group (SXT Plus, R/T and SRT®)
- Power sunroof (SXT Plus, R/T and SRT®)
- Adaptive Cruise Control Group (SXT Plus, R/T and SRT®)
- 20-inch chrome clad aluminum (R/T RWD)
- Super Track Pak (R/T Road/Track)
- 20-inch aluminum wheels (Road/Track)
- Driver Convenience Group (SXT Plus and R/T)
- All-wheel drive including 19-inch aluminum wheels (SXT, SXT Plus and R/T)

Model Lineup

CHARGER R/T

Differences/upgrades vs. SXT Plus:

- 5.7L HEMI® VVT V8 with FuelSaver MDS Technology, 370 hp and 395 lb-ft of torque
- 5-speed automatic transmission
- Performance suspension and exhaust
- Low beam HID headlamps
- Rear body colour spoiler
- Front overhead LED lighting

CHARGER R/T ROAD/TRACK

Differences/upgrades vs. R/T:

- Nappa leather-faced seats with perforated suede inserts
- 3.06 axle ratio
- Paddle shifters
- 20-inch chrome clad wheels
- Heated and ventilated front seats
- Auto-dimming drivers side mirror with auto-adjust in reverse
- Driver memory seat, mirrors and radio presets
- Power tilt and telescopic heated steering wheel
- Power adjustable pedals
- Four-wheel disc antilock performance brakes
- Dual-zone automatic temperature control
- Six premium speakers with 276-watt amplifier
- High-speed engine controller
- Retro R/T badging

CHARGER SRT® SUPER BEE

Differences/upgrades vs. R/T Road/Track

- 6.4L HEMI V8 with FuelSaver MDS Technology, 470 hp and 470 lb-ft of torque
- Super Bee embroidered cloth seats
- 20-inch aluminum wheels with black painted pockets
- Rear matte black spoiler
- Uconnect 4.3 with Super Bee performance pages
- Black grille with Super Bee badge
- Super Bee decals
- Power six way driver's seat
- Lower body-side, body-colour cladding
- Four-piston Brembo® brakes with painted black calipers

CHARGER SRT®

Differences/upgrades vs. R/T Road/Track:

- 6.4L SRT HEMI® VVT V8 with FuelSaver MDS Technology with 470 hp and 470 lb-ft of torque
- Nappa leather-faced seats with perforated suede inserts
- 20-inch forged aluminum wheels
- Functional hood scoop, monochromatic exterior
- Carbon-fibre aluminum accents, bright pedals
- Uconnect™ 8.4N media centre with Garmin® GPS Navigation and SRT performance pages
- 19 speakers with 900-watt subwoofer
- ParkView® Rear Back-Up Camera/Park Sense® Rear Park Assist
- Two-mode reactive damping suspension
- Reactive valve exhaust system
- Four-piston Brembo® brakes with red painted calipers

Product Presentation

During the Product Presentation, you work as an advisor by matching vehicle features to a customer's SUVPS buying motivations. Focus the conversation on the key features that will influence your particular customer's purchase decision. For each feature, remember to emphasize the benefits to the customer – the reasons why Charger is their best purchase choice. Some features may be optional or not available on some models. Consult the Features, Options & Package Groups charts or the Code Guide to determine the availability of specific Charger features.

FRONT

CHARGER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
AVAILABLE AUTOMATIC HIGH INTENSITY DISCHARGE (HID) HEADLAMPS	
<ul style="list-style-type: none"> • Generate light at a higher colour temperature, closer to natural sunlight • Headlamps turn on automatically when necessary 	<ul style="list-style-type: none"> • Provide crisp, bright lighting for night driving • Generate twice as much light as halogen headlamps • Use 36 percent less power for greater efficiency
3-YEAR/60,000-KILOMETRE BASIC LIMITED WARRANTY	
<ul style="list-style-type: none"> • Includes Roadside Assistance • Covers the complete vehicle against defects in factory-supplied materials and workmanship • Excludes tires, wiper blades, clutch discs or module clutch assembly, brake linings, brake rotors, pads and drums, windshield, rear window, wheel alignment, wheel balancing and normal maintenance items • Stays with the vehicle and transfers automatically to subsequent owners at no cost during the warranty period 	<ul style="list-style-type: none"> • Delivers excellent coverage for a positive ownership experience
CORROSION PROTECTION WARRANTY	
<ul style="list-style-type: none"> • 3 years unlimited metrage, 5/160,000 outer body panels against holes 	<ul style="list-style-type: none"> • Emphasizes product quality and durability
5-YEAR/100,000-KILOMETRE POWERTRAIN LIMITED WARRANTY	
<ul style="list-style-type: none"> • Includes subsequent owner coverage transfer at no cost, towing, and elimination of the 5-year powertrain inspection requirement 	<ul style="list-style-type: none"> • Delivers excellent coverage for a positive ownership experience
3.6L PENTASTAR™ VVT V6 ENGINE	
<ul style="list-style-type: none"> • 292 hp and 260 lb-ft of torque • EnerGuide Rating of <ul style="list-style-type: none"> - 11.7 L/100 km (24 mpg) city and 7.3 L /100 km (39 mpg) highway (RWD models equipped with 5-speed automatic) - 10.9 L/100 km (26 mpg) city and 6.4 L /100 km (44 mpg) highway (RWD models equipped with 8-speed automatic) - 11.4 L/100 km (25 mpg) city and 7.3 L/100 km (39 mpg) highway (AWD models with 8-speed automatic) • Small, light design • Aluminum dual overhead cam V6 with dual variable valve timing 	<ul style="list-style-type: none"> • Designed to improve fuel efficiency, horsepower and torque • Best-in-Class fuel economy
5.7L HEMI® V8 ENGINE	
<ul style="list-style-type: none"> • 370 hp and 395 lb-ft of torque • FuelSaver MDS Technology • EnerGuide Rating (RWD) 13.5 L/100 km (21 mpg) city and 8.0 L/100 km (35 mpg) Highway • Paired with 5-speed Auto/Stick™ transmission 	<ul style="list-style-type: none"> • Legendary HEMI® power • Variable Valve Timing allows combustion efficiency • FuelSaver MDS Technology helps to increase fuel economy by deactivating four of the eight cylinders when not needed
INTERREACTIVE FUEL DECEL SHUT-OFF SYSTEM	
<ul style="list-style-type: none"> • Cuts fuel to the engine during deceleration • Fuel Saver indicator will be lit when the system is reactive 	<ul style="list-style-type: none"> • Designed to help increase both city and highway gas mileage
5-SPEED AUTO/STICK™ AUTOMATIC TRANSMISSION	
<ul style="list-style-type: none"> • Includes adaptive electronic control or Electronic Range Select manual control for driver interaction and an electronically-modulated torque converter clutch 	<ul style="list-style-type: none"> • Engineered to provide optimal fuel efficiency and smooth shifting

Product Presentation

FRONT

CHARGER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
AVAILABLE ALL-WHEEL DRIVE	
<ul style="list-style-type: none"> Includes an reactive transfer case and front-axle disconnect which seamlessly transitions between rear-wheel drive and all-wheel drive 	<ul style="list-style-type: none"> Allows the vehicle to maximize its traction in a variety of road conditions Helps improve overall fuel efficiency Automatically activates when wipers are in use or the transmission is in Auto/Stick™ mode
NEAR 50/50 FRONT-TO-REAR WEIGHT DISTRIBUTION	
<ul style="list-style-type: none"> The engine is located up front with the drive axle in the rear During rapid acceleration, the vehicle weight is transferred to the rear drive axle 	<ul style="list-style-type: none"> Contributes to an outstanding driving experience More evenly divides the work between the rear wheel and front wheels Results in better handling and eliminates torque steer Maintains a tighter turning radius than comparable front-wheel-drive vehicles
RACE-INSPIRED STYLING	
<p>Definitive styling cues include:</p> <ul style="list-style-type: none"> Door and hood scallops Bright rectangular exhaust outlets Dodge signature grille Signature full-width tail lamp with 164 LED lights that illuminate to form a racetrack design 	<ul style="list-style-type: none"> Draws on design cues from the 1968 Charger to celebrate the rich heritage of this classically-styled muscle car
SUSPENSION SYSTEM	
<ul style="list-style-type: none"> Features monotube struts for improved ride and handling 	<ul style="list-style-type: none"> Optimizes ride and handling characteristics
PROJECTOR FOG LAMPS	
<ul style="list-style-type: none"> Projector fog lamps 	<ul style="list-style-type: none"> Provide increased road surface illumination and reduce glare in low visibility situations such as dust, rain, fog or snow
AVAILABLE RAIN-SENSING WINDSHIELD WIPERS	
<ul style="list-style-type: none"> Contains all the features of the standard speed-sensitive, variable intermittent front wipers, plus a rain-sensor module “Reads and responds” when sufficient moisture appears in the wipe pattern of the windshield Five adjustable sensitivity levels control the time delay between wiper strokes 	<ul style="list-style-type: none"> Adjusts speed and response of wiper operation automatically, allowing driver to see more clearly while paying attention to the road and keeping hands on the steering wheel Useful and convenient when road splash or mist from the vehicle in front requires quick but brief wiping action Can be adjusted for response intervals
AVAILABLE SMARTBEAM™ HEADLAMP CONTROL SYSTEM	
<ul style="list-style-type: none"> Variable high-beam headlamp adjustment in response to ambient light and surrounding traffic No driver interaction required Ability to “read” oncoming lights and instantly adjust light output 	<ul style="list-style-type: none"> Delivers maximum lighting during nighttime driving Contributes to increased driving safety by maximizing night-driving vision

Product Presentation

FRONT

CHARGER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
READY ALERT BRAKING	
<ul style="list-style-type: none"> When the system senses that a driver may initiate an emergency stop situation, it uses the ESC pump to apply the brake pads against the rotors to decrease the time required for full-brake application 	<ul style="list-style-type: none"> Assists the driver in stopping as quickly as possible
AVAILABLE FORWARD COLLISION WARNING	
<ul style="list-style-type: none"> Using the same sensor as Adaptive Cruise Control, this system detects when the vehicle may be approaching another vehicle too rapidly and alerts the driver 	<ul style="list-style-type: none"> Advance warning allows the driver time to decide appropriate action to help prevent a collision
RAIN BRAKE SUPPORT	
<ul style="list-style-type: none"> During rainy conditions, this standard system automatically uses the Electronic Stability Control pump to occasionally press the brake pads lightly against the rotors in order to help keep them dry 	<ul style="list-style-type: none"> Helps keep the rotors dry for maximum safety and utility when you need it
AVAILABLE SUPER TRACK PAK	
<ul style="list-style-type: none"> Heavy-duty 4-wheel disc brakes, performance steering, sport suspension, 245/45ZR20 BSW performance tires and 3-mode Electronic Stability Control (ESC) Optional for Charger R/T Road & Track 	<ul style="list-style-type: none"> This popular equipment package allows customers to receive a combination of performance features at value pricing
2012 IIHS TOP SAFETY PICK	
<ul style="list-style-type: none"> Received the highest mark of "Good" in all four testing areas: High-speed front crash tests High-speed side crash tests A rollover test Evaluations of seat/head restraints for protection against neck injuries in rear impacts 	<ul style="list-style-type: none"> A testament to Charger's excellent safety story
CLASS-EXCLUSIVE 8-SPEED AUTOMATIC TRANSMISSION	
<ul style="list-style-type: none"> Delivers up to 6.4 L/100 km (44 mpg) highway when paired with 3.6L VVT V6 	<ul style="list-style-type: none"> Class exclusive Usually only found on vehicles in a much higher price class Smooth shifting for a comfortable ride

Product Presentation

DRIVER SIDE

CHARGER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
FOUR-WHEEL DISC ANTILOCK BRAKING SYSTEM (ABS) <ul style="list-style-type: none"> Monitors and compares wheel speed to vehicle speed Automatically modulates brake pressure during hard braking to prevent wheel lockup 	<ul style="list-style-type: none"> Provides improved steering control under extreme braking and/or slippery conditions
ELECTRONIC STABILITY CONTROL (ESC) <ul style="list-style-type: none"> Compares the driver's intended course with the vehicle's actual course and then compensates for differences Senses when a vehicle is starting to spin (oversteer) or plow (understeer) Helps to correct the vehicle's course by automatically adjusting the throttle and applying the brakes at individual wheels 	<ul style="list-style-type: none"> Automatically helps/assists driver in maintaining control of their vehicle during extreme steering manoeuvres Provides added driving confidence, particularly in rain and snow
BRAKE ASSIST <ul style="list-style-type: none"> Overcomes the tendency of not applying the brakes hard enough in an emergency braking situation by using the ESC system to instantly apply the maximum available brake pressure A component of the ABS/ESC system 	<ul style="list-style-type: none"> Helps vehicle stop sooner in emergency situations by reacting faster than the driver is able to apply maximum brake pedal pressure Helps provide the shortest possible stopping distance in emergency braking situations
ALL-SPEED TRACTION CONTROL <ul style="list-style-type: none"> Monitors the amount of wheelspin of each of the driven wheels Applies brake pressure to the slipping wheel(s) and reduces engine power to provide enhanced acceleration and stability A component of the ABS/ESC system 	<ul style="list-style-type: none"> Helps reduce wheel slip as the vehicle is accelerating Provides increased driving confidence on all road surfaces, but especially on sand and gravel as well as wet and snowy roads
TILT AND TELESCOPIC STEERING WHEEL <ul style="list-style-type: none"> Standard steering wheel features the ability to adjust its position by tilting the wheel toward or away from the driver and extending or compressing the length of the steering column 	<ul style="list-style-type: none"> Allows the driver to secure a personalized position for maximizing their comfort while driving
DRIVER AND FRONT-PASSENGER AIR BAGS <ul style="list-style-type: none"> In the event of a frontal collision, the driver and front-passenger air bags deploy almost instantaneously from the steering wheel and dashboard area Supplemental front seat side air bags Supplemental side-curtain front and rear air bags 	<ul style="list-style-type: none"> Offer effective protection for the head and upper torso of the driver and front passenger in the event of a frontal collision
AVAILABLE SECURITY ALARM <ul style="list-style-type: none"> Monitors doors, ignition and trunk cylinders for unauthorized entry Sounds horn and flashes lamps when activated Activates if key cylinders are broken during a theft attempt 	<ul style="list-style-type: none"> Deters vandalism and theft and may possibly lower insurance premiums Adds to driver peace of mind
AVAILABLE REMOTE START SYSTEM <ul style="list-style-type: none"> Conveniently starts engine from up to 60 metres away from the vehicle by using the remote keyless entry fob Operates when vehicle is locked and transmission is in Park Includes a back-up safety feature that turns off the vehicle after a predetermined period of time 	<ul style="list-style-type: none"> Offers the convenience of starting the engine from outside the vehicle Maintains security by requiring vehicle to be locked and windows raised Will warm or cool the interior prior to passengers entering the vehicle with the auto comfort feature (if the HVAC controls were left on at last engine shutdown)
